Running The Trans America Footrace Trials And Triumphs Of Life On The Road:

Running the Trans America Footrace Barry Lewis, 1994 Through deserts over mountains and across plains 13 incredible athletes ran across America in the summer of 1992 Inspiring stories from a runner's perspective *The 1929 Bunion Derby* Charles B. Kastner, 2014-03-31 On March 31 1929 seventy seven men began an epic 3 554 mile footrace across America that pushed their bodies to the breaking point Nicknamed the Bunion Derby by the press this was the second and last of two trans America footraces held in the late 1920s The men averaged forty six gut busting miles a day during seventy eight days of nonstop racing that took them from New York City to Los Angeles Among this group two brilliant runners Johnny Salo of Passaic New Jersey and Pete Gavuzzi of England emerged to battle for the 25 000 first prize along the mostly unpaved roads of 1929 America with each man pushing the other to go faster as the lead switched back and forth between them To pay the prize money race director Charley Pyle cobbled together a traveling vaudeville company complete with dancing debutantes an all girl band wearing pilot outfits and blackface comedians all housed under the massive show tent that Pyle hoped would pack in audiences Kastner's engrossing account often told from the perspective of the participants evokes the remarkable physical challenge the runners experienced and clearly bolsters the argument that the last Bunion Derby was the greatest long distance footrace of all time Bunion Derby Charles B. Kastner, 2007-10-15 On March 4 1928 199 men lined up in Los Angeles California to participate in a 3 400 mile transcontinental footrace to New York City The Bunion Derby as the press dubbed the event was the brainchild of sports promoter Charles C Pyle He promised a 25 000 grand prize and claimed the competition would immortalize U S Highway Route 66 a 2 400 mile road mostly unpaved that subjected the runners to mountains deserts mud and sandstorms from Los Angeles to Chicago The runners represented all walks of American life from immigrants to millionaires with a peppering of star international athletes included by Pyle for publicity purposes For eighty four days the men participated in this part footrace and part Hollywood production that incorporated a road show featuring football legend Red Grange food concessions vaudeville acts sideshows a portable radio station and the world's largest coffeepot sponsored by Maxwell House serving ninety gallons of coffee a day Drawn by hopes for a better future and dreams of fame fortune and glory the bunioneers embarked on an exhaustive and grueling journey that would challenge their physical and psychological endurance to the fullest while Pyle struggled to keep his cross country road show afloat In a wild grab for glory a cast of nobodies saw hope in the dust blacks who escaped the poverty and terror of the Old South first generation immigrants with their mother tongue thick on their lips Midwest farm boys with leather brown tans These men were the shadow runners men without fame wealth or sponsors who came to Los Angeles to face the world's greatest runners and race walkers This was a formidable field of past Olympic champions and professional racers that should have discouraged sane men from thinking they could win a transcontinental race to New York Yet they came flouting the odds Charley Pyle's offer Of free food and lodging to anyone who would take up the challenge opened the race to

men of limited means For some it was a cry from the psyche of no longer young men seeking a last grasp at greatness or a summons to do the impossible This pulled men on the wrong side of thirty from blue collar jobs and families from the Preface No writer owns a swath of history the way Chuck Kastner owns the wildly crazy C C Pyle Bunion Derbies The inaugural race was a truly American epic from its massive scope to the fact that it was dominated by a handful of second rate runners who decided there was no future in continuing in the underdog role Chuck s book makes you want to schedule your next vacation for Route 66 there to relive the zaniness and heroics of 1928 Rich Benyo editor Marathon Beyond Magazine Bunion Derby s narrative arc transcends the academic approach one would expect from a university press Philip Damon on the Peace Corps Writers website **Runner's World** ,1997 **The Cumulative Book Index** ,1996 A world list of books in the English language **Forthcoming Books** Rose Army,1995-02 **Whitaker's Books in Print** ,1998 **Born to Run** Christopher McDougall,2010-12-09 A New York Times bestseller A sensation a rollicking tale well told The Times At the heart of Born to Run lies a mysterious tribe of Mexican Indians the Tarahumara who live quietly in canyons and are reputed to be the best distance runners in the world in 1993 one of them aged 57 came first in a prestigious 100 mile race wearing a toga and sandals A small group of the world s top ultra runners and the awe inspiring author make the treacherous journey into the canyons to try to learn the tribe s secrets and then take them on over a course 50 miles long With incredible energy and smart observation McDougall tells this story while asking what the secrets are to being an incredible runner Travelling to labs at Harvard Nike and elsewhere he comes across an incredible cast of characters including the woman who recently broke the world record for 100 miles and for her encore ran a 2 50 marathon in a bikini pausing to down a beer at the 20 mile mark **Eat and Run** Scott Jurek,Steve Friedman,2013-01-01 An inspirational memoir by Scott Jurek one of the finest ultrarunners in the world **Running on Empty** Marshall Ulrich,2012-04-03 A fascinating glimpse into the mind of an ultramarathon runner and the inspirational saga of his run across America The ultimate endurance athlete Marshall Ulrich has run more than one hundred foot races averaging over one hundred miles each completed twelve expedition length adventure races and ascended the seven summits including Mount Everest Yet his run from California to New York the equivalent of running two marathons and a 10k every day for nearly two months straight proved to be his most challenging effort yet In Running on Empty he shares the gritty backstory of his run and the excruciating punishments he endured on the road Ulrich also reaches back nearly thirty years to when the death of his first wife drove him to run from his pain Ulrich s memoir imbues an incredible read with a universal message for athletes and nonathletes alike face the toughest challenges overcome debilitating setbacks and find deep fulfillment in something greater than achievement [Marathon Man](#) Bill Rodgers,Matthew Shepatin,2013-04-02 The legendary long distance runner details his historic victory in the 1975 Boston Marathon that launched the modern running boom Within a span of two hours and nine minutes Bill Rodgers went from obscurity to legend from Bill Rodgers to Boston Billy In doing so he instantly became the people s champ and the poster boy

for the soulful 1970s distance runner Having won the Boston Marathon and New York Marathon four times each he remains the only marathoner to have appeared on the cover of Sports Illustrated twice Winning the Holy Grail of marathons in an unthinkable record time changed Bill s life forever But his dramatic breakthrough in Boston also changed the lives of countless others instilling in other American runners the belief that they could follow in his footsteps and inspiring thousands of regular people to lace up their shoes and chase down their own dreams In the year before Rodger s victory at the 1975 Boston Marathon 20 000 people had completed a marathon in the United States By 2009 participants reached nearly half a million Thirty seven years later Bill Rodgers still possesses the same warm endearing and whimsical spirit that turned him into one of America s most beloved athletes In *Marathon Man* he details for the first time this historic race and the events that led him there

A Taste of Power Elaine Brown,1993-12-01 Profound funny wild and moving heartbreaking accounts of a lonely black childhood Brown sees racial oppression in national and global context every political word she writes pounds home a lesson about commerce money racism communism you name it A glowing achievement Los Angeles Times Elaine Brown assumed her role as the first and only female leader of the Black Panther Party with these words I have all the guns and all the money I can withstand challenge from without and from within Am I right Comrade It was August 1974 From a small Oakland based cell the Panthers had grown to become a revolutionary national organization mobilizing black communities and white supporters across the country but relentlessly targeted by the police and the FBI and increasingly riven by violence and strife within How Brown came to a position of power over this paramilitary male dominated organization and what she did with that power is a riveting unsparing account of self discovery Brown s story begins with growing up in an impoverished neighborhood in Philadelphia and attending a predominantly white school where she first sensed what it meant to be black female and poor in America She describes her political awakening during the bohemian years of her adolescence and her time as a foot soldier for the Panthers who seemed to hold the promise of redemption And she tells of her ascent into the upper echelons of Panther leadership her tumultuous relationship with the charismatic Huey Newton who would become her lover and her nemesis her experience with the male power rituals that would sow the seeds of the party s demise and the scars that she both suffered and inflicted in that era s paradigm shifting clashes of sex and power Stunning lyrical and acute this is the indelible testimony of a black woman s battle to define herself

The Black Girl Next Door Jennifer Baszile,2009-01-13 Traces the author s coming of age in an exclusive white California suburb in the 1970s and 1980s describing the prejudices that minimized her family s achievements and her struggles to define herself as the black girl next door in light of her parents dreams

The Other Wes Moore Wes Moore,2011-01-11 NEW YORK TIMES BESTSELLER From the governor of Maryland the compassionate People startling Baltimore Sun moving Chicago Tribune true story of two kids with the same name One went on to be a Rhodes Scholar decorated combat veteran White House Fellow and business leader The other is serving a life sentence in prison The chilling truth is that his story could have been

mine The tragedy is that my story could have been his In December 2000 the Baltimore Sun ran a small piece about Wes Moore a local student who had just received a Rhodes Scholarship The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery The police were still hunting for two of the suspects who had gone on the lam a pair of brothers One was named Wes Moore Wes just couldn't shake off the unsettling coincidence or the inkling that the two shared much more than space in the same newspaper After following the story of the robbery the manhunt and the trial to its conclusion he wrote a letter to the other Wes now a convicted murderer serving a life sentence without the possibility of parole His letter tentatively asked the questions that had been haunting him Who are you How did this happen That letter led to a correspondence and relationship that have lasted for several years Over dozens of letters and prison visits Wes discovered that the other Wes had had a life not unlike his own Both had had difficult childhoods both were fatherless they'd hung out on similar corners with similar crews and both had run into trouble with the police At each stage of their young lives they had come across similar moments of decision yet their choices would lead them to astonishingly different destinies Told in alternating dramatic narratives that take readers from heart wrenching losses to moments of surprising redemption The Other Wes Moore tells the story of a generation of boys trying to find their way in a hostile world *Duel in the Sun* John Brant, 2007-03-06 The 1982 Boston Marathon was great theater Two American runners Alberto Salazar a celebrated champion and Dick Beardsley a gutsy underdog going at each other for just under 2 hours and 9 minutes Neither man broke The race merely came to a thrilling shattering end exacting such an enormous toll that neither man ever ran as well again Beardsley the most innocent of men descended into felony drug addiction and Salazar the toughest of men fell prey to depression Exquisitely written and rich with human drama John Brant's *Duel in the Sun* brilliantly captures the mythic character of the most thrilling American marathon ever run and the powerful forces of fate that drove these two athletes in the years afterward **Rules of Play** Katie Salen Tekinbas, Eric Zimmerman, 2003-09-25 An impassioned look at games and game design that offers the most ambitious framework for understanding them to date As pop culture games are as important as film or television but game design has yet to develop a theoretical framework or critical vocabulary In *Rules of Play* Katie Salen and Eric Zimmerman present a much needed primer for this emerging field They offer a unified model for looking at all kinds of games from board games and sports to computer and video games As active participants in game culture the authors have written *Rules of Play* as a catalyst for innovation filled with new concepts strategies and methodologies for creating and understanding games Building an aesthetics of interactive systems Salen and Zimmerman define core concepts like play design and interactivity They look at games through a series of eighteen game design schemas or conceptual frameworks including games as systems of emergence and information as contexts for social play as a storytelling medium and as sites of cultural resistance Written for game scholars game developers and interactive designers *Rules of Play* is a textbook reference book and theoretical guide It is the first

comprehensive attempt to establish a solid theoretical framework for the emerging discipline of game design **Inherit the Wind** Jerome Lawrence, Robert E. Lee, 2003-11-04 A classic work of American theatre based on the Scopes Monkey Trial of 1925 which pitted Clarence Darrow against William Jennings Bryan in defense of a schoolteacher accused of teaching the theory of evolution The accused was a slight frightened man who had deliberately broken the law His trial was a Roman circus The chief gladiators were two great legal giants of the century Like two bull elephants locked in mortal combat they bellowed and roared imprecations and abuse The spectators sat uneasily in the sweltering heat with murder in their hearts barely able to restrain themselves At stake was the freedom of every American One of the most moving and meaningful plays of our generation Praise for Inherit the Wind A tidal wave of a drama New York World Telegram And Sun Jerome Lawrence and Robert E Lee were classic Broadway scribes who knew how to crank out serious plays for thinking Americans Inherit the Wind is a perpetually prescient courtroom battle over the legality of teaching evolution We re still arguing this case all the way to the White House Chicago Tribune Powerful a crackling good courtroom play that provides two of the juiciest roles in American theater Copley News Service This historical drama deserves respect The Columbus Dispatch **McGraw-Hill's Dictionary of American Idioms and Phrasal Verbs** Richard A. Spears, 2003-09-22 McGraw Hill s Dictionary of American Idioms is the most comprehensive reference of its kind bar none It puts the competition to shame by giving both ESL learners and professional writers the complete low down on more than 24 000 entries and almost 27 000 senses Entries include idiomatic expressions e g the best of both worlds proverbs the best things in life are free and clich s the best case scenario Particular attention is paid to verbal expressions an area where ordinary dictionaries are deficient The dictionary also includes a handy Phrase Finder Index that lets users find a phrase by looking up any major word appearing in it Racing the Antelope Bernd Heinrich, 2001-04-24 Racing the Antelope The human experience is populated by dreams and aspirations For me the animal totem of these dreams is the antelope swift strong and elusive we chase after antelope and sometimes we catch them Often we don t But why do we bother I think it is because without dream antelopes to chase we become what a lapdog is to a wolf And we are inherently more like wolves than lapdogs because the communal chase is part of our biological makeup In 1981 Bernd Heinrich a lifelong runner decided to test his limits at age forty one and race in the North American 100 Kilometer Championship race in Chicago To improve his own preparations as a runner he wondered what he could learn from other animals what makes us different and how we are the same and what new perspective these lessons could shed on human evolution A biologist and award winning nature writer he considered the flight endurance of insects and birds the antelope s running prowess and limitations the ultraendurance of the camel and the remarkable sprinting and jumping skills of frogs Exploring how biological adaptations have granted these creatures superhuman abilities he looked at how human physiology can or cannot replicate these adaptations Drawing on his observations and knowledge of animal physiology and behavior Heinrich ran the race and the results surprised everyone himself most of all In Racing the Antelope Heinrich applies

his characteristic blend of scientific inquiry and philosophical musing to a deft exploration of the human desire even need to run His rich prose reveals what endurance athletes can learn about the body and the spirit from other athletes in the animal kingdom He then takes you into the heart of his own grueling 100 kilometer ultramarathon where he puts into practice all that he has discovered about the physical spiritual and primal drive to win At once lyrical and scientific *Racing the Antelope* melds a unique blend of biology anthropology psychology and philosophy with Heinrich s passion for running to discover how and why we run
