Running With Scissors A Memoir:

Running with Scissors Augusten Burroughs, 2002-07-26 Running with Scissors is the true story of a boy whose mother a poet with delusions of Anne Sexton gave him away to be raised by her psychiatrist a dead ringer for Santa and a lunatic in the bargain Suddenly at age twelve Augusten Burroughs found himself living in a dilapidated Victorian in perfect squalor The doctor s bizarre family a few patients and a pedophile living in the backyard shed completed the tableau Here there were no rules there was no school The Christmas tree stayed up until summer and Valium was eaten like Pez And when things got dull there was always the vintage electroshock therapy machine under the stairs

Lust & Wonder Augusten Burroughs, 2016-03-29 The instant New York Times bestseller Lust 1 intense sexual desire or appetite 2 a passionate or overmastering desire or craving 3 ardent enthusiasm zest relish Wonder 1 something strange and surprising a cause of surprise astonishment or admiration 2 the emotion excited by what is strange and surprising a feeling of surprised or puzzled interest sometimes tinged with admiration 3 a miraculous deed or event remarkable phenomenon From the beloved 1 New York Times bestselling author comes an intimate look at the driving forces in one man s life With Augusten s unique and singular observations and his own unabashed way of detailing both the horrific and the humorous Lust and Wonder is a hilariously frank memoir that his legions of fans have been waiting for His story began in Running with Scissors endured through Dry and continues with this memoir the capstone to the life of Augusten Burroughs Funny sweet alarming and ultimately moving and tender Lust Wonder is an experience of a book that will resonate with anyone who has loved and lost and loved again

Toil & Trouble Augusten Burroughs, 2019-10-01 From the number one New York Times bestselling author comes another stunning memoir that is tender touching and just a little spooky Here s a partial list of things I don t believe in God The Devil Heaven Hell Bigfoot Ancient Aliens Past lives Life after death Vampires Zombies Reiki Homeopathy Roling Reflexology Note that witches and witchcraft are absent from this list The thing is I wouldn t believe in them and I would privately ridicule any idiot who did except for one thing I am a witch For as long as Augusten Burroughs could remember he knew things he shouldn t have known He manifested things that shouldn t have come to pass And he told exactly no one about this save one person his mother His mother reassured him that it was all perfectly normal that he was descended from a long line of witches going back to the days of the early American colonies And that this family tree was filled with witches It was a bond that he and his mother shared until the day she left him in the care of her psychiatrist to be raised in his family but that s a whole other story After that Augusten was on his own On his own to navigate the world of this tricky power on his own to either use or misuse this gift From the hilarious to the terrifying Toil Trouble is a chronicle of one man s journey to understand himself to reconcile the powers he can wield with things with which he is helpless There are very few things that are coincidences as you will learn in Toil Trouble Ghosts are real trees can want to kill you beavers are the spawn of Satan houses are alive and in the end love is the most powerful magic of all
