playing American football in a rough low income suburb called Villeneuve La Grande Matt and Free join the Diablos Rouges and make friends with the other players who come from many different ethnic groups Racial tension erupts into riots in Villeneuve when some of their Muslim teammates get in trouble with the police and Matt and Free have to decide whether to get involved and face the very real risk of arrest and violence Run Away Home Pat McKissack,1997 In 1886 in Alabama an eleven year old African American girl and her family befriend and give refuge to a runaway Apache boy **Running Away to Home** Jennifer Wilson,2012-10-02 A middle class Midwestern family in search of meaning uproot themselves and move to their ancestral village in Croatia We can look at this in two ways Jim wrote always the pragmatist We can panic and scrap the whole idea Or we can take this as a sign They re saying the economy is going to get worse before it gets better Maybe this is the kick in the pants we needed to do something completely different There will always be an excuse not to go And that friends is how a typically sane middle aged mother decided to drag her family back to a forlorn mountain village in the backwoods of Croatia So begins the author Jennifer Wilson s journey in *Running Away to Home* Jen her architect husband Jim and their two children had been living the typical soccer and ballet practice life in the most Middle American of places Des Moines Iowa They overindulged themselves and their kids and as a family they were losing one another in the rush of work school and activities One day Jen and her husband looked at each other both holding their Starbucks coffee as they headed out to their SUV in the mall parking lot while the kids complained about the inferiority of the toys they just got and asked themselves Is this the American dream Because if it is it sort of sucks Jim and Jen had always dreamed of taking a family sabbatical in another country so when they lost half their savings in the stock market crash it seemed like just a crazy enough time to do it High on wanderlust they left the troubled landscape of contemporary America for the Croatian mountain village of Mrkopalj the land of Jennifer s ancestors It was a village that seemed hermetically sealed for the last one hundred years with a population of eight hundred mostly drunken residents and a herd of sheep milling around the post office For several months they lived like locals from milking the neighbor s cows to eating roasted pig on a spit to desperately seeking the village recipe for bootleg liquor As the Wilson Hoff family struggled to stay sane and warm what they found was much deeper and bigger than themselves Running Away from Me David Allan Reeves,2009-09 Take a journey in one young man s real life nightmare as he battles his self destructive obsession with drugs which leads him on a roller coaster ride through hell on earth **Leave Me** Gayle Forman,2016-09-06 This surprising compassionate story brings to life the secret guilty fantasy of many overworked moms People In an enthralling novel reminiscent of Anne Tyler s *Ladder of Years* a woman who recently suffered a heart attack runs away to recover her equilibrium O The Oprah Magazine Every woman who has ever fantasized about driving past her exit on the highway instead of going home to make dinner and every woman who has ever dreamed of boarding a train to a place where no one needs constant attention meet Maribeth Klein A harried working mother who s so busy taking care of her husband and twins she doesn t even realize she s had a heart attack Surprised to discover

voyage carried him 30 000 nautical miles from Europe via the Panama Canal to the South Pacific and back by way of Singapore Indonesia the Indian Ocean and Suez Written with dash colour and droll humour Fetherling s narrative is peopled by a rich cast of characters from the Foreign Legionnaires of French Polynesia to the raskol gangs of Papua New Guinea The author captures the reality of life aboard a working cargo ship the boredom the seclusion the differences of nationality and culture that isolation and cramped quarters seem to exaggerate But the routine of loneliness or tranquility is punctuated by moments of near panic shipboard fires furniture smashing storms even a brush with pirates in the Straits of Malacca
