*Running Dog, Paper Tiger* Simon Johnston, Playwrights Union of Canada, 1997      *Running Dog, Paper Tiger* Simon Johnston, 1998      Give War a Chance P. J. O'Rourke, 2007-12-01 The 1 New York Times bestseller from one of America's most hilarious and provocative writers a volatile brew of one liners and vitriol Time Renowned for his cranky conservative humor P J O Rourke runs hilariously amok in this book tackling the death of communism his frustration with sanctimonious liberals and Saddam Hussein in a series of classic dispatches from his coverage of the 1991 Gulf War On Kuwait City after the war he comments It looked like all the worst rock bands in the world had stayed there at the same time On Saddam Hussein O Rourke muses He's got chemical weapons filled with chemicals Maybe he's got The Bomb And missiles that can reach Riyadh Tel Aviv Spokane Stock up on nonperishable foodstuffs Grab those Diet Coke cans you were supposed to take to the recycling center and fill them with home heating oil Bury the Hummel figurines in the yard We're all going to die Details at eleven And on the plague of celebrity culture he notes You can't shame or humiliate modern celebrities What used to be called shame and humiliation is now called publicity Mordant and utterly irreverent this is a modern classic from one of our great political satirists described by Christopher Buckley as being like S J Perelman on acid Mocking on the surface but serious beneath When it comes to scouting the world for world class absurdities O Rourke is the right man for the job Los Angeles Times Book Review The funniest writer in America The Wall Street Journal      **Nativism Overseas** Hsin-sheng C. Kao, 1993-01-01 This book examines five of the most influential Chinese born women writers of the post war era Nie Hualing Yu Lihua Chen Ruoxi Li Li and Zhong Xiaoyang They have become a dominating force in Chinese literature today although they presently reside outside their homeland This book raises a clear and consistent voice in line with the literature of exile and self discovery As these writers talk of the root the self and their social cultural and historical identities their varied voices share the unique characteristics of the literature of exile These women who continue to write in their native language envision themselves as the literary mediators between their lost past and their newly adopted homeland They compare each of these worlds in terms of the demons with which they have wrestled for identity recognition and freedom The book is of interest not only to those with a particular interest in the phenomenon of these Chinese exiled intellectual migrants and their role in the influence on the development of Chinese literature but to those who seek to understand the development of women's studies and world literature as a whole and the influence of East West literary relations in particular      Cry Havoc Simon Mann, 2011-10-27 On 7th March 2004 former SAS soldier and mercenary Simon Mann prepared to take off from Harare International Airport with an aeroplane full of heavy weaponry and guns for hire Their destination the former Spanish colony of Equatorial Guinea Their mission to remove one of the most brutal dictators in Africa in a privately organised coup d'etat The plot had the tacit approval of Western intelligence agencies and according to Mann the backing of a European government Simon Mann had personally planned overseen and won two wars in Angola and Sierra Leone Everything should

have gone right Why then did it go so wrong When Simon was released from five years incarceration in two of Africa s toughest prisons he made worldwide headlines Since then he has spoken to nobody about his experiences Now he is telling everything including His belief that the CIA deliberately compromised the coup to court favour with Equatorial Guinea s President Obiang in return for access to the country s vast oil resources How the British government approached Simon in the months preceeding the Iraq war asking him to suggest ways in which a justified invasion of Iraq could be engineered The real story behind the involvement of Mark Thatcher in the coup plot Simon will also tell of his pain when he had to tell his wife Amanda who gave birth to their fourth child while he was incarcerated that he believed he would never be freed This is Simon s remarkable first hand account of his life an account that will read like a thriller as it takes us into the world of mercenaries and spooks of murky international politics big oil and big bucks of action danger love despair and betrayal

*Dexter by Design* Jeff Lindsay, 2010-08-24 NATIONAL BESTSELLER The Dexter series continues with Dexter s deadliest case yet The Killer Character That Inspired the Hit Showtime Series Dexter After his surprisingly glorious honeymoon in Paris life is almost normal for Dexter Morgan Married life seems to agree with him he s devoted to his bride his stomach is full and his homicidal hobbies are nicely under control But old habits die hard and Dexter s work as a blood spatter analyst never fails to offer new temptations that appeal to his offbeat sense of justice Not to mention that his Dark Passenger still waits to hunt with him in the moonlight The discovery of a corpse artfully displayed as a sunbather relaxing on a Miami beach chair naturally piques Dexter s curiosity and Miami s finest realize they ve got a terrifying new serial killer on the loose And Dexter of course is back in business

**The Sixties** Peter Stine, 1995 John Lewis s experiences with SNCC or Rosellen Brown s at Tougaloo College are moral light years removed from P J O Rourke s hilarious encounter with the Balto Cong in Baltimore It requires mind expansion to imagine Peter Najarian s first exposure to the counterculture in San Francisco as contemporaneous with Richard Currey s initiation into killing in Vietnam

*Paper Tigers* Nicholas Coleridge, 2012-10-31 Paper Tigers is a riveting authoritative and in depth study of newspaper barons of the world men and women who wield immense power and whose ever changing media empires make compelling case studies of business success and failure From Rupert Murdoch to Robert Maxwell Conrad Black to Lord Rothermere Katharine Graham to Punch Sulzberger Coleridge interviewed them all The results confirm his status as a devastatingly astute observer of our times one with few equals today

*Paper Tigers* Toby Howden, 2017-08-09 For any aspiring martial artist having a real life hard drinking version of Mr Miyagi turn up on your doorstep offering to teach the secrets of the Samurai would be a dream come true When Toby s best friend Bryan returns from travelling in Japan along with the enigmatic kendo master Suzuki sensei he jumps at the chance to move to the foothills of Mount Fuji to study the traditional art of Japanese sword fighting But from the very beginning life as a modern day Samurai particularly one required to work in a stifling paper factory proves even more challenging than becoming the real Karate Kid Despite a toe curling disregard for

the rules and Japanese social etiquette they are drawn kicking screaming and laughing into the fascinating no nonsense world of Bushido The Way of the Warrior      **Dust on the Nettles** A.J. Blake,2013-02-15 Nick Kellaway runs a secretive hedge fund based in offices in Mayfair and Geneva He has grown rich through managing other people s money in unconventional ways In the summer of 2007 he sets detailed plans in place to profit from the gathering financial storm clouds as the global economy sinks into recession But Nick has never been quite allowed to forget the road not taken Nor has he entirely forgotten Janice Day supposedly killed in her youth with whom he once dreamed of travelling that alternative road On the evening of 25th July 2007 a phone call from a woman claiming to be her reawakens a concealed past that has never ceased to haunt Nick and now threatens to disrupt everything about the rich financier s lifestyle he now lives Readers are taken on Nick s troubled journey from the revolutionary student politics of the 1960s and 70s through rape murder espionage financial scams and brushes with terrorism to the great financial crisis of 2008 As his world is stripped bare there is no place left to hide Or is there **Dust on the Nettles** is a multi layered psychological drama where fiction mingles with real historical events It will appeal to readers of thrillers      **East Wind** Tom Buchanan,2012-04-19 **East Wind** offers the first complete archive based account of the relationship between China and the British Left from the rise of modern Chinese nationalism to the death of Mao Tse tung Beginning with the Hands Off China movement of the mid 1920s Tom Buchanan charts the mobilisation of British opinion in defence of China against Japanese aggression 1931 1945 and the role of the British left in relations with the People s Republic of China after 1949 He shows how this relationship was placed under stress by the growing unpredictability of Communist China above all by the Sino Soviet dispute and the Cultural Revolution which meant that by the 1960s China was actively supported only by a dwindling group of enthusiasts The impact of the suppression of the student protests in Tiananmen Square June 1989 is addressed as an epilogue **East Wind** argues that the significance of the left s relationship with China has been unjustly overlooked There were many occasions such as the mid 1920s the late 1930s and the early 1950s when China demanded the full attention of the British left It also argues that there is nothing new in the current fascination with China s emergence as an economic power Throughout these decades the British left was aware of the immense unrealised potential of the Chinese economy and of how China s economic growth could transform the world In addition to analysing the role of the political parties and pressure groups of the left Buchanan sheds new light on the activities of many well known figures in support of China including intellectuals such as Bertrand Russell R H Tawney and Joseph Needham Many other interesting stories emerge concerning less well known figures which show the complexity of personal links between Britain and China during the twentieth century      **Tone** Moira Jean Winsland Yip,2002-08-15 This comprehensive textbook provides a clearly organized introduction to tone and tonal phonology      **The Best of the Destroyer** Warren Murphy,Richard Sapir,2013-05-03 In combination with the launch of The New Destroyer brand new novels continuing this bestselling action packed series Forge is publishing this omnibus of three of the definitive Destroyer novels
