They are orphaned brothers who live alone on the East Side. They are "Greasers," members of a gang of friends who look out for each other.

#### **2. How are Greasers different from Socs?**

Greasers are from the east side of town. They are poor and usually in trouble with the law. Socs (Socials) are from the west side of town. They come from wealthy families and have fancy cars and parties.

#### **3. Who were other members of Pony's gang?**

Darry, Soda, Two-Bit, Johnny, Dally, and Steve.

#### **4. What happened to Pony on his way home from the movies?**

He was jumped by some Socs. He was not seriously injured because his friends came along and ran off the Socs.

They met Cherry and Marcia, two Soc girls.

#### **6. Contrast Dally's approach to Cherry and Marcia with Pony's, and contrast Cherry's response to Dally with her response to Pony.**

Dally was rude, crude, foul-mouthed and annoying to the girls. Pony was polite, sensitive and rather soft-spoken. Cherry insulted and rejected Dally but accepted Pony's friendship.

#### **7. Why were Cherry and Marcia alone at the drive-in?**

The girls had a fight with their boyfriends, who left.

#### **8. Pony was somewhat surprised that he was getting along with Cherry and Marcia. Why?**

They were Socs; he was a Greaser. No Soc girls had ever spoken to him except to insult him.

#### **9. What had happened to Johnny prior to the time of this story?**

have a violence free life But like they told me in the shelter you have to make it work and once you re on your way walk forward not backward The shelter led me away to a better life One thing I will always remember was that when I was only nineteen with two children they said once you re on your own you re the parent You had a chance to be a teenager and chose to be an adult to have children so young your children are the priority That made me think I need to be strong I knew what that meant responsibility I also noticed that once I was on my own and had my own apartment with my children it was calm I had my children on a schedule and I was on a budget I did want to date like other girls my age but it was too early I would always want to find someone that needed to find somewhere to stay with me Every time I would try to help someone it turned out to disrupt my home so I decided that it s just my children and myself Maybe I just did not trust anyone I m proud that I had the strength to pull through I went back to high school and one year of college Got out of the welfare system and started to raise my children violence free My nest is warm and full of songs and love Sure it s hard with bills and I am always short with cash and have babies getting sick and cars breaking down and me losing a job and of course me gettin
