

Running Mates The Making Of A First Lady

Lynda Lee Kaid

Running Mates The Making Of A First Lady:

Do Running Mates Matter? Christopher J. Devine, Kyle C. Kopko, 2020-05-15 The American vice presidency as the saying goes is not worth a bucket of warm spit Yet vice presidential candidates many people believe can make all the difference in winning or losing a presidential election Is that true though Did Sarah Palin for example sink John McCain's campaign in 2008 Did Joe Biden help Barack Obama win Do running mates actually matter In the first book to put this question to a rigorous test Christopher J Devine and Kyle C Kopko draw upon an unprecedented range of empirical data to reveal how and how much running mates influence voting in presidential elections Building on their previous work in *The VP Advantage* and evidence from over 200 statistical models spanning the 1952 to 2016 presidential elections the authors analyze three pathways by which running mates might influence vote choice First of course they test for direct effects or whether evaluations of the running mate influence vote choice among voters in general Next they test for targeted effects if that is running mates win votes among key subsets of voters who share their gender religion ideology or geographic identity Finally the authors examine indirect effects that is whether running mates shape perceptions of the presidential candidate who selected them which in turn influence vote choice Here in this last category is where we see running mates most clearly influencing presidential voting especially when it comes to their qualifications for holding office and taking over as president if necessary Picking a running mate from a key voting bloc probably won't make a difference the authors conclude But picking an experienced well qualified running mate will make the presidential candidate look better to voters and win some votes With its wealth of data and expert analysis this finely crafted study the most comprehensive to date finally provides clear answers to one of the most enduring questions in presidential politics can the running mate make a difference in this election

First Ladies Dorothy Schneider, Carl J. Schneider, 2010 A biographical dictionary profiling first ladies of the United States from Martha Washington to Michelle Obama

A Companion to First Ladies Katherine A.S. Sibley, 2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these important women in U S history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands' legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady

Gender and Elections Susan J. Carroll, Richard L. Fox, 2013-12-23 The third edition of *Gender and Elections* offers a systematic lively and multifaceted account of the role of gender in the electoral process through the 2012 elections This timely yet enduring volume strikes a balance between highlighting the most important developments for women as voters and candidates in the 2012 elections and providing a more long term in depth analysis of

the ways that gender has helped shape the contours and outcomes of electoral politics in the United States Individual chapters demonstrate the importance of gender in understanding and interpreting presidential elections presidential and vice presidential candidacies voter participation and turnout voting choices congressional elections the political involvement of Latinas the participation of African American women the support of political parties and women s organizations candidate communications with voters and state elections Without question Gender and Elections is the most comprehensive reliable and trustworthy resource on the role of gender in US electoral politics

Media Relations and the Modern First Lady

Linda B. Hobgood,2020-02-06 This book examines the media relations strategies first ladies and their teams have used throughout history to manage press and public interest in their private lives to promote causes close to their hearts and to shape their public image These essays also highlight the important role media relations plays in political communication

The Art of Her Deal Mary Jordan,2020-06-16 This revelatory biography of Melania Trump from Pulitzer Prize winning Washington Post reporter Mary Jordan deftly and without agenda decodes Melania Trump NBC News who is far more influential in the White House than most people realize Based on interviews with more than one hundred people in five countries The Art of Her Deal The Untold Story of Melania Trump draws an unprecedented portrait of the first lady While her public image is of an aloof woman floating above the political gamesmanship of Washington behind the scenes Melania Trump is not only part of President Trump s inner circle but for some key decisions she has been his single most influential adviser Throughout her public life Melania Trump has purposefully worked to remain mysterious With the help of key people speaking publicly for the first time and never before seen documents and tapes The Art of Her Deal looks beyond the surface image to find a determined immigrant and the life she had before she met Donald Trump Mary Jordan traces Melania s journey from Slovenia where her family stood out for their nonconformity to her days as a fledgling model known for steering clear of the industry s hard partying scene to a tiny living space in Manhattan she shared platonically with a male photographer to the long complicated dating dance that finally resulted in her marriage to Trump Jordan documents Melania s key role in Trump s political life before and at the White House and shows why he trusts her instincts above all The picture of Melania Trump that emerges in The Art of Her Deal is one of a woman who is savvy steely ambitious deliberate and who plays the long game And while it is her husband who became famous for the phrase the art of the deal it is she who has consistently used her leverage to get exactly what she wants This is the story of the art of her deal

Insurgency

Jeremy W. Peters,2022-02-08 NEW YORK TIMES BOOK REVIEW EDITORS CHOICE How did the party of Lincoln become the party of Trump From an acclaimed political reporter for The New York Times comes the definitive story of the mutiny that shattered American politics A bracing account of how the party of Lincoln and Reagan was hijacked by gadflies and grifters who reshaped their movement into becoming an anti democratic cancer that attacked the U S Capitol Joe Scarborough An epic narrative chronicling the fracturing of the Republican Party Jeremy Peters s Insurgency is the story of a party

establishment that believed it could control the dark energy it helped foment right up until it suddenly couldn't. How Peters asks did conservative values that Republicans claimed to cherish like small government, fiscal responsibility and morality in public service get completely eroded as an unshakable faith in Donald Trump grew to define the party? The answer is a tale traced across three decades with new reporting and firsthand accounts from the people who were there of populist uprisings that destabilized the party. The signs of conflict were plainly evident for anyone who cared to look. After Barack Obama's election convinced many Republicans that they faced an existential demographics crossroads, many believed the only way to save the party was to create a more inclusive and diverse coalition. But party leaders underestimated the energy and popular appeal of those who would pull the party in the opposite direction. They failed to see how the right-wing media they hailed as truth-telling was warping the reality in which their voters lived. And they did not understand the complicated moral framework by which many conservatives would view Trump leading evangelicals and one-issue voters to shed Republican orthodoxy if it delivered a Supreme Court that would undo *Roe v. Wade*. In this sweeping history, Peters details key junctures and episodes to unfurl the story of a revolution from within. Its architects had little interest in the America of the new century but a deep understanding of the iron will of a shrinking minority. With Trump as their polestar, their gamble paid greater dividends than they'd ever imagined, extending the life of far-right conservatism in United States domestic policy into the next half century.

On Behalf of the President Lauren A. Wright, 2016-04-18 White House expert Lauren A. Wright identifies, explains and measures the impact of the expanding role of presidential spouses in the White House and presidential campaign communications strategy with a focus on the Clinton, Bush and Obama administrations. More than any other time in history, the First Lady now bears responsibilities tantamount to those of any high-ranking cabinet member. This fascinating book documents the growing presence of the president's wife in the communications strategies of the last three administrations, explaining why their involvement in a campaign has been critical to its survival. The book explores how the First Lady serves to persuade public opinion, make personal appeals to the public on behalf of the president and promote initiatives that serve as uncontroversial frames for controversial policies. The author delves into political discussions about what makes presidents and presidential candidates likable, what draws public support to their agendas and why spouses appear to be more effective in these arenas than other surrogates or even the presidents themselves. The content features dozens of interviews with former White House staff and communications strategists, in-depth analysis of almost 1,700 public speeches made by Hillary Clinton, Laura Bush and Michelle Obama, and surveys testing the effect of public relations strategies involving spouses on political opinion.

Barbara Bush Myra G. Gutin, 2008 A lively account of the outspoken first lady during her White House years, showing how the Silver Fox used her rich experience in politics to master the public relations side of first ladyship with as much skill as any White House spouse.

Real Life at the White House John Whitcomb, Claire Whitcomb, 2002 An irresistible chronological overview of daily life in the presidential residence. Divided into

42 chapters representing each succeeding administration this survey is brimming with fun facts tantalizing tidbits and memorable anecdotes detailing two centuries of domestic bliss and strife in the White House From George Washington who chose the sight and initiated work on the presidential mansion to Bill Clinton whose well documented White House escapades titillated and scandalized the nation each individual president has contributed to the mystique of the most readily recognized home in the U S Together with scores of drawings portraits and photographs the breezy text chronicles the significant physical social and emotional changes wrought by each First Family as they sought to personalize daily life in the White House

Press Portrayals of Women Politicians, 1870s-2000s Teri Finneman, 2015-11-25 This book analyzes newspaper coverage of four pioneering women politicians between the 1870s and 2000s to understand how media discourse of women politicians has and hasn't changed over 150 years In addition the book provides historical context of the political feminist and journalistic cultures that influenced how reporters covered these women

The Politics of the President's Wife MaryAnne Borrelli, 2011-08-15 As the West Wing has grown in power and organizational complexity during the modern presidency so has the East Wing office home to the First Lady of the United States This groundbreaking work by MaryAnne Borrelli offers both theoretical and substantive insight into behind the scenes developments from the time of Lou Henry Hoover to the unfolding tenure of Michelle Robinson Obama Political scientists and historians have recognized the personal influence the First Lady can exercise with her husband and they have noted the moral ethical and sometimes policy leadership certain presidents wives have offered Nonetheless scholars and commentators alike have treated the personal relationship and the professional relationship as overlapping Borrelli offers a compelling counter perspective that the president's wife exercises power intrinsic to her role within the administration Like others within the presidency she has sometimes presented the president's views to constituents and sometimes presented constituents views to the president thus taking on a representative function within the system In mediating president constituent relationships she has given a historical and social frame to the presidency that has enhanced its symbolic representation she has served as a gender role model enriching descriptive representation in the executive branch and she has participated in policy initiatives to strengthen an administration's substantive representation These contributions have been controversial as might be predicted for a gender outsider but they have unquestionably made the First Lady a representative of and to the president and by extension the president's administration

Marathon Woman Kathrine Switzer, 2017-04-04 A new edition of a sports icon's memoir coinciding with the 50th anniversary of Kathrine Switzer's historic running of the Boston Marathon as the first woman to run In 1967 Kathrine Switzer was the first woman to officially run what was then the all male Boston Marathon infuriating one of the event's directors who attempted to violently eject her In one of the most iconic sports moments Switzer escaped and finished the race She made history and is poised to do it again on the fiftieth anniversary of that initial race when she will run the 2017 Boston Marathon at age 70 Now a spokesperson for Reebok Switzer is also the founder of 261

Fearless a foundation dedicated to creating opportunities for women on all fronts as this groundbreaking sports hero has done throughout her life Kathrine Switzer is the Susan B Anthony of women's marathoning Joan Benoit Samuelson first Olympic gold medalist in the women's marathon

Running Mates The Making Of A First Lady Introduction

In the digital age, access to information has become easier than ever before. The ability to download Running Mates The Making Of A First Lady has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Running Mates The Making Of A First Lady has opened up a world of possibilities. Downloading Running Mates The Making Of A First Lady provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Running Mates The Making Of A First Lady has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Running Mates The Making Of A First Lady. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Running Mates The Making Of A First Lady. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Running Mates The Making Of A First Lady, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Running Mates The Making Of A First Lady has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Running Mates The Making Of A First Lady Books

1. Where can I buy Running Mates The Making Of A First Lady books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
