Running with the Bulls Valerie Hemingway, 2005-11-08 A chance encounter in Spain in 1959 brought young Irish reporter Valerie Danby Smith face to face with Ernest Hemingway The interview was awkward and brief but before it ended something had clicked into place For the next two years Valerie devoted her life to Hemingway and his wife Mary traveling with them through beloved old haunts in Spain and France and living with them during the tumultuous final months in Cuba In name a personal secretary but in reality a confidante and sharer of the great man's secrets and sorrows Valerie literally came of age in the company of one of the greatest literary lions of the twentieth century Five years after his death Valerie became a Hemingway herself when she

married the writer's estranged son Gregory Now at last she tells the story of the incredible years she spent with this extravagantly talented and tragically doomed family In prose of brilliant clarity and stinging candor Valerie evokes the magic and the pathos of Papa Hemingway's last years Swept up in the wild revelry that always exploded around Hemingway Valerie found herself dancing in the streets of Pamplona cheering bullfighters at Valencia careening around hairpin turns in Provence and savoring the panorama of Paris from her attic room in the Ritz But it was only when Hemingway threatened to commit suicide if she left that she realized how troubled the aging writer was and how dependent he had become on her In Cuba Valerie spent idyllic days and nights typing the final draft of *A Moveable Feast* even as Castro's revolution closed in After Hemingway shot himself Valerie returned to Cuba with his widow Mary to sort through thousands of manuscript pages and smuggle out priceless works of art It was at Ernest's funeral that Valerie then a researcher for Newsweek met Hemingway's son Gregory and again a chance encounter drastically altered the course of her life Their twenty one year marriage finally unraveled as Valerie helplessly watched her husband succumb to the demons that had plagued him since childhood From lunches with Orson Welles to midnight serenades by mysterious troubadours from a rooftop encounter with Castro to numbing hospital vigils Valerie Hemingway played an intimate indispensable role in the lives of two generations of Hemingways This memoir by turns luminous enthralling and devastating is the account of what she enjoyed and what she endured during her astonishing years of living as a Hemingway

This single-volume work covers many traditions, customs, and activities Westerners may find unusual or shocking, covering everything from the Ashanti people's funeral celebrations to wife-carrying competitions in Finland. In Maharashtra, India, a tradition exists to throw newborn babies off the tops of buildings. At the Vegetarian Festival in Phuket, Thailand, some people ritualistically pierce their cheeks and faces with swords and knives. How did these surprising customs come to be? From camel wrestling to cheese-rolling competitions to a tomato-throwing festival, this fascinating single-volume encyclopedia examines more than 100 customs, traditions, and rituals that may be considered strange and exotic to U.S. readers. This work provides high school and undergraduate students with a compelling and fascinating exploration of world customs and traditions. Comprising entries by anthropologists, religious leaders, scholars, dancers, musicians, historians, and artists from almost every continent in the world, this encyclopedia provides readers a truly global and multidisciplinary perspective. The entries explore the origins of the custom, explain how it was established as a tradition, and describe how and where it is practiced.
