**Social Research** Matthew David, Carole D Sutton, 2004-04-10 This is a general and integrated introduction to qualitative and quantitative research design data collection and analysis in the social sciences field and includes comprehensive and practical instruction including screenshots on the use of analysis software Research in the Social Scientific Study of Religion Joanne Marie Greer, David O. Moberg, 2001-04 Various articles are presented covering psychological sociological and cross cultural topics or relevance to religious spiritual researchers and academics Rural social work Richard Pugh, Brian Cheers, 2010-02-10 In much of the West the concerns of rural people are marginalised and rural issues neglected This stimulating book draws upon a rich variety of material to show why rural social work is such a challenging field of practice It incorporates research from different disciplines and places to provide an accessible and comprehensive introduction to rural practice The first part of the book focuses upon the experience of rurality The second part of the book turns to the development of rural practice reviewing different ways of working from casework through to community development This book is relevant to planners managers and practitioners not only in social work but also in other welfare services such as health and youth work who are likely to face similar challenges **Entrepreneurship and Intrapreneurship in Social, Sustainable, and Economic Development** Sebastian Aparicio, Andreu Turro, Maria Noguera, 2021-01-25 Entrepreneurship and intrapreneurship have become a vehicle that offers solutions for social environmental and economic problems Even though the level of entrepreneurial activity and its diversity have been motivated through public policies social support has also played an important role in encouraging people to think of entrepreneurship as a desirable career choice This book brings together analyses of those elements required for entrepreneurial and intrapreneurial intention and action which ultimately become important leverages of development Chapters highlight the importance of rural urban university organizational and family environments for a bunch of intentions and behaviors such as green sport social corporate innovative traditional and gender entrepreneurship This entrepreneurial diversity is translated into higher development through the empowerment of women environmental consciousness and efficient production Policymakers scholars and practitioners can find different examples and cases useful for decision making learning and practice in this book **British Economic and Social History** R. C. Richardson, William Henry Chaloner, 1996 *Research in the Social Scientific Study of Religion, Volume 11* Joanne Marie Greer, David O. Moberg, 2021-11-22 The purpose of this book is to provide an outlet for original research articles examining the role and value of religious and spiritual constructs across the social sciences The aim of the series is to include an international and interfaith voice to this research dialogue An effort is made to be interdisciplinary and academically eclectic The articles in each volume represent a wide array of perspectives and research projects Most of the articles report the findings of quantitative or qualitative investigations but some deal with methodology theory or applications of social science studies in the field of religion and some are applied demonstrating the relevance of

the social sciences to religious organizations and their clergy The value of the volume is that it gives to researchers in this area a broad perspective on the issues and methods of religious research across a spectrum of academic disciplines The aim of the book is to stimulate a creative integrative dialogue that will enhance interdisciplinary research

**Sport and Social Exclusion** Michael Collins, Mike Collins, Tess Kay, 2014-06-20 Tackling social exclusion should be a central aim of any civilised social policy In this meticulously revised and updated new edition of his groundbreaking study *Sport and Social Exclusion* Mike Collins has assembled a vast array of new evidence from a range of global sources to demonstrate how the effects of social exclusion are as evident in sport as they are in any area of society The book uses sport as an important sphere for critical reflection on existing social policy and explores sport's role as a source of initiatives for tackling exclusion It examines key topics such as What is meant by social exclusion How social exclusion affects citizenship and the chance to play sport How exclusion from sport is linked to poverty class age gender ethnicity disability and involvement in youth delinquency and living in towns or countryside How exclusion is linked to concepts of personal and communal social capital It uses four revised and five new major case studies as detailed illustrations notably Be Active Birmingham the national PE and Youth School Sport strategy Positive Futures and Street Games *Sport and Social Exclusion* features a wealth of original research data including new and previously unpublished material as well as important new studies of social exclusion policy and practice in the UK and elsewhere This revised edition surveys all the most important changes in the policy landscape since first publication in 2002 and explores the likely impact of the London Olympic Games on sport policy in the UK The book concludes with some typically forthright commendations and critiques from the author regarding the success of existing policies and the best way to tackle exclusion from sport and society in the future By relating current policy to new research the book provides an essential guidebook for students academics and policy makers working in sport policy and development

**Rural Poverty** Paul Milbourne, 2004-08-19 This book brings to light important issues which are often ignored that the social effects of poverty are acute in rural areas Milbourne examines the effects of poverty on issues such as social exclusion in rural areas

*The Sociology of Rural Life* Samantha Hillyard, 2007-07-15 Foot and mouth disease and BSE have both had a devastating impact on rural society Alongside these devastating developments the rise of the organic food movement has helped to revitalize an already politicized rural population From fox hunting to farming the vigour with which rural activities and living are defended overturns received notions of a sleepy and complacent countryside Over the years rural life has been defined redefined and eventually fallen out of fashion as a sociological concept in contrast to urban studies which has flourished This much needed reappraisal calls for its reinterpretation in light of the profound changes affecting the countryside First providing an overview of rural sociology Hillyard goes on to offer contemporary case studies that clearly demonstrate the need for a reinvigorated rural sociology Tackling a range of contentious issues from fox hunting to organic farming this book offers a new model for rural sociology and reassesses its role in contemporary society

**Papers in Agricultural Economics** University of Oxford. Agricultural Economics Research Institute, 1923 Countryside Connections Catherine Hagan Hennessy, Robin Means, Vanessa Burholt, 2014-04-29 Older people in the countryside are vastly under researched compared to those in urban areas This innovative volume the first project based book in the New Dynamics of Ageing series offers a unique interdisciplinary perspective on this issue focusing on older people's role as assets in rural civic society It demonstrates how the use of diverse methods from across disciplines aims to increase public engagement with this research The authors examine the ways in which rural elders are connected to community and place the

contributions they make to family and neighbours and the organisations and groups to which they belong Highly topical issues around later life explored through these perspectives include older people s financial security leisure access to services transport and mobility civic engagement and digital inclusion all considered within the rural context in an era of fiscal austerity In doing so this book challenges problem based views of ageing rural populations through considering barriers and facilitators to older people s inclusion and opportunities for community participation in rural settings Countryside Connections is a valuable text for students researchers and practitioners with interests in rural ageing civic engagement and interdisciplinary methods theory and practice **Making Sense of Social Research** Malcolm
