China in the Global Economy Rural Finance and Credit Infrastructure in China OECD,2004-04-23 This publication presents the proceedings of a conference that took stock of achievements China has made in agricultural finance and credit infrastructure and discussed how China could best address future challenges in this area **Rural Finance and Credit Infrastructure in China** Organisation for Economic Co-operation and Development,2004 Although Chinas rural economy has made significant progress over the last twenty five years rural finance and institutional reforms are still lagging behind This publication reviews the findings of an OECD meeting held in October 2003 and organised with the Chinese Government with participants including Chinese policy makers and industry experts as well as representatives from the World Bank the FAO the European Bank for Reconstruction and Development and the Asian Development Bank The meeting discussed options for improving the countrys rural finance and institutional framework as well as considering the role that the Chinese government could play within the reform process **China's Rural Financial System** Yuepeng Zhao,2010-10-04 This book examines the credit needs and the borrowing behaviour of rural households in China in recent years Based on a micro study of three villages with dissimilar economic characteristics in Jiangxi province this book investigates the sources of finance formal and informal in rural areas and the different types of credit that farmers demand It demonstrates the importance of innovative institutional arrangements in rural China and new instruments that give farmers access to formal rural financial markets and enable them to utilize credit effectively concluding that further reforms are necessary for this to be achieved

**Rural Livelihoods in China** Heather Xiaoquan Zhang,2015-03-27 In recent decades China has undergone rapid economic growth industrialisation and urbanisation concomitant with deep and extensive structural and social change profoundly reshaping the country s development landscape and urban rural relationships This book applies livelihoods approaches to deepen our understanding of the changes and continuities related to rural livelihoods within the wider context of political economy of development in post socialist China bridging the urban and rural scenarios and probing the local national and global dynamics that have impacted on livelihood in particular its mobility security and sustainability Presenting theoretically informed and empirically grounded research by leading scholars from across the world this book offers multidisciplinary perspectives on issues central to rural livelihoods development welfare and well being It documents and analyses the processes and consequences of change focusing on social protection of mobile livelihoods particularly rural migrants citizenship rights in the city and the environmental social and political aspects of sustainability in the countryside This book contributes to the current scholarly and policy debates and is among the first attempts to critically reflect on China s market transition and the associated pathways to change It will be of interest to students in international development studies China studies social policy public health political science and environmental studies at undergraduate and postgraduate levels as well as academics policy makers and practitioners who are concerned with China s human and social

development in general and agriculture and rural livelihoods in particular      Rural Finance and Credit Infrastructure in China Organisation for Economic Co-operation and Development,2004 Although Chinas rural economy has made significant progress over the last twenty five years rural finance and institutional reforms are still lagging behind This publication reviews the findings of an OECD meeting held in October 2003 and organised with the Chinese Government with participants including Chinese policy makers and industry experts as well as representatives from the World Bank the FAO the European Bank for Reconstruction and Development and the Asian Development Bank The meeting discussed options for improving the countrys rural finance and institutional framework as well as considering the role that the Chinese government could play within the reform process      *OECD Economic Surveys: China 2005* OECD,2005-09-16 OECD s first Economic Survey of China documents the encouraging extent to which structural reforms in China have triggered a durable process of economic development and points out where additional reform is needed      **Microfinance In Asia** Christopher E C Gan,Gilbert V Nartea,2017-03-27 Lack of credit access is severe in low income and poor families that are normally considered to have fewer opportunities to borrow from banks due to insufficient valuable assets for collateral These low income households face limited opportunity to acquire new technology and working capital for agricultural production and thus tend to fall behind As a result providing access to finance to low income rural households has been considered an important component of any rural development strategy Microfinance programmes in particular have been gradually embedded in national strategies of many developing countries as they are poverty focused They aim to facilitate the access to financial services such as credit for the poor who are usually disadvantaged in terms of access to conventional financial services from formal financial institutions The objective of this book is to provide an overview of microfinance programmes in Asia focusing in particular on the determinants of the accessibility of rural households to microcredit The book studies seven Asian countries such as China Malaysia Vietnam Thailand the Philippines Indonesia and Bangladesh with two specific case studies      *Agricultural Finance and Credit Infrastructure in Transition Economies Proceedings of OECD Expert Meeting, Moscow, February 1999* OECD,1999-10-06 This proceedings of an OECD Experts Meeting examines agricultural finance and credit infrastructure in transition economies      **Varieties of Governance in China** Jie Lu,2015 Varieties of Governance in China examines the origins of the varying institutional foundations of rural China s decentralized governance explains the performance and change of the formal and informal institutions that uphold rural China s governance and documents the effects of rural urban migration on institutional change and local governance in Chinese villages      Banking in China V. Cousin,2011-05-25 Chinese banks have been making headlines recently but what lies beneath Banking in China appears different What explains the current arrangement What can we expect from such a banking industry in the future This book answers these two questions in a fully revised second edition and contributes to a new understanding of Chinese banks      **Corporate Governance and Banking in China** Michael Tan,2013-09-02 As China began its economic reforms in the late 1970s and

made a transition from planned to a market economy corporate governance of the banking sector became an increasingly pressing issue Further in the aftermath of the Asian Financial Crises in the late 1990s Chinese authorities became acutely aware of the importance of corporate governance to ensure that their banking system would not suffer similar fates to those of other Asian countries This book examines corporate governance in city commercial banks which are the main source of loans to the dynamic small and medium enterprises that are crucial to the development of China s economy By the end of 2008 there were 136 city commercial banks in China 13 of which had foreign partners and this book clearly demonstrates the positive effect of these foreign partnerships on corporate governance practices in addition to financial performance With evidence from extensive interviews with 10 city commercial banks in China Michael Tan explores the different models of corporate governance and in turn asks which model is most suitable to China how are Chinese authorities overcoming problems with corporate governance and how do these problems compare with those in other transition economies Whilst the primary focus of this study is on China s city commercial banks there are lessons that apply much more broadly to the industry and it therefore will be invaluable to foreign banking institutions wishing to invest in China This book will also be of great appeal to students and scholars of Chinese business and economics corporate governance and banking

**Eliminating Poverty Through Development in China** China Development Research Foundation,2019-09-10 In recent years China has achieved impressive economic growth and also made remarkable progress in human development However contemporary China is still faced with the great challenge of widespread poverty This not only constitutes a barrier against China s pursuit of sustainable economic growth but also poses a potential threat to China s attempts to construct a harmonious society in the future This book written by three renowned poverty reduction experts under the aegis of the China Development Research Foundation one of China s leading think tanks and drawing on the research of over twenty of China s top scholars in this field examines China s efforts to eliminate poverty through development It analyses all of the key issues providing a review of China s past record in poverty alleviation comparing this with the experiences of other countries identifying the new characteristics and trends in poverty in recent years and discussing the factors responsible It assesses the objectives and success of the poverty alleviation policies adopted by the Chinese government in a comprehensive way and puts forward suggestions for policy makers Overall this book is a valuable account of China s own thinking on its problems of poverty and the best ways to tackle it and achieve sustainable economic development OECD Review of Agricultural Policies: China 2005 OECD,2005-11-14 This book presents a comprehensive overview and assessment of China s agricultural policies combined with OECD estimates of the level of support provided to the Chinese farm sector **Internationalising China's Financial Markets** Svenja Schlichting,2008-10-01 Assesses the stability of the Chinese economy and the nature of its economic governance Svenja Schlichting examines how internationalization has impacted on financial market development in China and how far this has contributed to the development of new institutions within China *China in the*

*Global Economy Governance in China* OECD,2005-09-07 While China's economy has shown impressive dynamism following the increased reliance on market based policies the governance structures themselves will have to be reformed deeply for this growth to be sustainable This report examines the many challenges of governance which China is facing **When There Was No Money** Heather A. Clark,2006-03-14 The challenges in development often seem insurmountable They overwhelm nations and the builders of their most basic institutions I am often asked how development finance agencies can work together to meet this challenge In reply I invite you to read a story about cooperation in rebuilding one of the most basic institutions of any society the banking system KfW Bankengruppe places great emphasis on financial sector development Our experience in our own country and beyond our borders shows that one of the first steps is building a banking system that fuels growth through investment in enterprises Micro small and medium enterprises are the backbone of many economies they are also the wealth of the people and generate their hope in the future We believe that the depth of the financial sector is related to economic growth the growth and safety of deposits the facility of payments and the invitation to develop new products and services that strengthen markets and promote investment A strong banking system supports economic growth by attracting unproductive capital and injecting it into the economy increasing the productivity of the country's capital base and leveraging it by attracting outside capital The China Development Model Dominique de Rambures,2014-12-03 Over the last thirty years China has been reforming its economy at breakneck speed However a surge in nationalism is threatening China's relations with its neighbours and its rise to regional leadership This book addresses a wide range of factors influencing the development of China's model and its influence on the rest of the world **China's Cotton Industry** Björn Alpermann,2010-04-05 This book examines the political economy of the cotton processing industry analyzes the process of cotton policy making and looks at how local governments and the former monopolist cope with the changes brought about by marketization **OECD Economic Surveys: China 2010** OECD,2010-02-02 This 2010 edition of OECD's periodic review of China's economy finds that China's spectacular expansion has continued in recent years making for impressive improvements in living standards The slowdown associated with the global financial and *OECD Economic Surveys: China 2005* ,2005-09-21 OECD's first Economic Survey of China documents the encouraging extent to which structural reforms in China have triggered a durable process of economic development At the same time the report points out where additional reform is needed The major themes of the report include improving the framework for the private sector labour market reforms ageing and reform of the public sector and the financial system
