Rural Social Work Practice:

Rural Social Work Practice Nancy Lohmann, Roger A. Lohmann, 2005-10-26 Featuring contributions from practitioners researchers and academics this volume synthesizes and analyzes current trends in rural social work practice and considers the most effective ways to serve rural communities Contributors consider the history and development of rural social work from its beginnings to the present day addressing the value of the Internet and other new information technologies in helping clients They also examine the effects of nonprofit organizations and welfare reform on poor rural areas Coverage of specific client populations and fields of practice includes services for rural mental healthcare the chronically mentally ill healthcare for minorities and the challenges faced by the elderly in rural areas The contributors also consider issues affecting gays and lesbians living in rural communities and the role of religiosity and social support in the well being of HIV AIDS clients The book concludes with a consideration of the unique issues associated with educating social workers for rural practice

Rural Social Work in the 21st Century Michael Daley, 2019-08-01 Despite current population movement towards urban areas rural people remain a significant yet under served population These communities share a rich and distinctive culture but also face specific problems including higher rates of poverty increased rates of obesity and decreased access to health coverage and social services Rural Social Work in the 21st Century Second Edition provides a comprehensive overview of the knowledge skills values ethics and issues central to the practice of social work in small towns and rural communities The updated second edition features a new chapter on social economic and environmental justice An expanded history chapter presents new information on the use of poor farms to serve dependent rural people in the 19th and early 20th centuries Later chapters discuss rural social services a model for rural social work practice and ethical practice The final chapters focus on the practice of rural social work and challenges for the future

Practicing Rural Social Work Paul Force-Emery Mackie, Kimberly Zammit, Michelle Alvarez, 2016-11-01 Within the conversation surrounding rural social work there is a consistent focus on theoretical arguments definitions and political concerns and a limited discussion of direct practice This book speaks directly to practice concerns as they apply to rural environments at the micro mezzo and macro levels The authors use a generalist model of practice and apply systems and person in environment theories to help readers develop a more sophisticated understanding of general problems and concerns found in rural communities To truly respond to the well being of rural residents rural social workers need to learn to identify and implement opportunities for growth development health and welfare This book encourages critical thinking careful reflection and self directed learning so as to foster real positive sustainable social change in rural environments

Rural Social Work Pugh, Richard, Cheers, Brian, 2010-02-10 In much of the West the concerns of rural people are marginalised and rural issues neglected This stimulating book draws upon a rich variety of material to show why rural social work is such a challenging field of practice It incorporates research from different disciplines and places to provide an accessible and comprehensive introduction to rural practice The first part of the

book focuses upon the experience of rurality The second part of the book turns to the development of rural practice reviewing different ways of working from casework through to community development This book is relevant to planners managers and practitioners not only in social work but also in other welfare services such as health and youth work who are likely to face similar challenges *Rural, Regional and Remote Social Work* Amanda Howard, Meaghan Katrak, Tamara Blakemore, Phillip Pallas, 2016-05-26 This book gives voice to the direct practice experience of social workers working in rural and remote contexts using Australia as the primary case study The authors undertake a qualitative research project conducting in depth interviews to examine social work theory and practice against the reality of rural and remote contexts Practice examples provide the reader with an insight into the diverse and complex nature of social work in rural and remote Australia and the role of contemporary social work Through placing rural and remote social work in its historical theoretical and geographical contexts this work explores a range of considerations These include isolation ethical dilemmas when working with small and closely linked communities climate disaster relief and the environment community identity and culture working with indigenous communities in remote contexts and social work education Based on direct practice research this book challenges existing theories of practice and reframes those to reflect the reality of practice in rural and remote communities As social work must continue to critically reflect on its role within an ever changing and individualistic society lessons from rural and remote settings around engagement sense of place and skillful innovative practice have never been more relevant **Social Work in Rural Australia** Jane Maidment, 2020-07-22 Social work practice in a country town or small remote community several hours drive from the nearest centre is very different from practice in the city Social Work in Rural Australia offers an introduction to the challenges and rewards of professional practice in rural and remote areas The authors explore the practical implications for social workers in non urban regions including teamwork with professionals from other fields working with various sub groups in communities and across distance with other social work colleagues the diversity of rural livelihoods and lifestyles and increasingly pressing environmental issues Social work theories and case studies demonstrate how enabling practice can promote clients and communities ability to deal with some of the challenges of housing youth unemployment child protection ageing mental health disability and the obstacles faced by Indigenous migrant and refugee populations in specific geographical settings Social Work in Rural Australia encourages students and practitioners towards a holistic and contextual engagement with rural communities in current and newly developing fields of social work practice This accessible text integrates the theory and practice of social work in often overlooked rural and remote regions The case studies offer students and practitioners practical insights and celebrate rural practice as both unique and enriching Alana Johnson 2010 Victorian Winner RIRDC Rural Women s Award Family Therapist and Social Worker Rural Social Work T. Laine Scales, Calvin L. Streeter, H. Stephen Cooper, 2013-07-03 A thoughtful text integrating strengths assets and capacity building themes with contemporary issues in rural social work practice Now in its second

edition Rural Social Work is a collection of contributed readings from social work scholars students and practitioners presenting a framework for resource building based on the strengths assets and capacities of people a tool essential for working with rural communities This guide considers methods for social workers to participate in the work of sustaining rural communities Each chapter features a reading integrating the themes of capacity building and rural social work discussion questions that facilitate critical thinking around the chapter and suggested activities and assignments Rural Social Work Second Edition explores Important practice issues in rural communities including the challenges of working with stigmatized populations such as gay lesbian bisexual and transgendered people the homeless and people living with HIV AIDS Practice models that hold special promise for rural social workers including evidence based practice and community partnership models Newer research tools such as asset mapping social network analysis concept mapping and Geographic Information Systems GIS Exploring how social workers can integrate the tremendous resources that exist in rural communities into their practice Rural Social Work Second Edition provides a solid introduction to the complex challenging and rewarding work of building and sustaining rural communities Social Work in Rural Communities Leon H. Ginsberg, 2011 This book is the fifth in a series of compendia edited by Leon Ginsberg on modern approaches to social work in rural areas Rural social workers face special problems related to their work locations such as professional isolation lack of supervision the almost inevitable existence of dual relationships and the different scale and emphases of life in small communities This highly readable text offers guidance on these and many other issues The volume contains 20 all new chapters by and for rural social work scholars educators and practitioners on the cutting edge subjects of the discipline Building on the previous editions the book includes new discussions of specific populations and social problems in rural areas the difficulties of educating recruiting and retaining rural social workers and also addresses current issues such as technology and diversity in rural areas Council on Social Work Education We are a nonprofit national association representing individual members and graduate and undergraduate programs of professional social work education Founded in 1952 this partnership of educational and professional institutions social welfare agencies and private citizens is recognized by the Council for Higher Education Accreditation as the sole accrediting agency for social work education in this country CSWE Press is a niche publisher that addresses the needs of social work educators Some of our areas of publishing specialty are The philosophy theory and practice of teaching The process and evaluation of learning The organization and structure of social work education Diversity in all forms in social work practice and education Social work in multiple contexts **Social Work Practice with Children and Families** Francis K. O. Yuen, 2014-06-11 Social Work Practice with Children and Families presents the framework for family health social work and its applications in various practice environments This vital textbook provides a unique blend of academic deliberations and practical service guidelines with topics ranging from forensic social work and community practice to disability child welfare and HIV AIDS The book is organized into two major sections

entitled Practice Interventions and Policy Programs and Emerging Families Case examples or discussion questions are included at the end of each chapter to facilitate more in depth understanding and discussion among graduate and undergraduate students professors and educators in health and human service areas To view an excerpt online find the book on our QuickSearch catalog at www.HaworthPress.com Rural Social Work Practice Nancy Lohmann, Roger A. Lohmann, 2008 Featuring contributions from practitioners researchers and academics this volume synthesizes and analyzes current trends in rural social work practice and considers the most effective ways to serve rural communities Contributors consider the history and development of rural social work from its beginnings to the present day addressing the value of the Internet and other new information technologies in helping clients They also examine the effects of nonprofit organizations and welfare reform on poor rural areas Coverage of specific client populations and fields of practice includes services for rural mental healthcare the chronically mentally ill healthcare for minorities and the challenges faced by the elderly in rural areas The contributors also consider issues affecting gays and lesbians living in rural communities and the role of religiosity and social support in the well being of HIV AIDS clients The book concludes with a consideration of the unique issues associated with educating social workers for rural practice

Foundations of Social Work Practice with Lesbian and Gay Persons Gerald P Mallon, 2013-09-13 Focusing on the pragmatic aspects of social work with gay and lesbian persons this book offers a knowledge base of practice that will better prepare students and practitioners for working more competently and effectively with lesbians and gay men Written by scholars and practitioners in the social work profession Foundations of Social Work Practice with Lesbian and Gay Persons teaches you how to develop practice approaches that are sensitive to issues of sexual orientation as well as how to work with this population in the contexts of practice with individuals couples families groups communities and organizations The book's sensible strategies and case studies provide you with critical information that will help you deal with homophobia and heterocentrism and enact a professional commitment to pursuing economic and social equality for diverse and at risk client populations A foundation level text on social work practice with gays and lesbians this book is designed to provide social work students academics and practitioners with an understanding of the values and ethics fundamental to practice with this group of clients Foundations of Social Work Practice with Lesbian and Gay Persons summarizes the variety of issues dynamics and techniques required to work effectively with gay and lesbian clients who are at different points in their development and life cycles To further help you in your practice it also discusses providing skilled professional assistance to gay victims of hate crimes how homophobia can prevent lesbians and gay men from receiving adequate services the obstacles social workers sometimes face when trying to integrate the core set of professional values and ethical principles into their practice practitioner self disclosure regarding sexual identity developmental milestones for lesbian and gay persons alcohol and substance abuse among lesbians family therapy concepts of fusion and enmeshment same gender socialization assessing issues of sexual expression Counselors

social workers and students and academics in gay and lesbian studies will find that *Foundations of Social Work Practice with Lesbian and Gay Persons* greatly expands the social work knowledge base to disrupt the impact of institutional individualized and internal homophobia on social workers their clients and the institutions in which social workers practice Its flexible and creative treatment approaches to therapy with sexual minorities are sure to help you sensitize your therapeutic techniques and improve the quality of care you deliver Decision Cases for Generalist Social Work Practice T.
