Rural Sociology In Canada:

Rural Sociology in Canada David A. Hay, G. S. Basran, 1992 Discussion of contemporary issues often overlooks the rural component of Canadian society The sixteen chapters written specifically for Rural Sociology in Canada emphasize the diversity of rural Canada and its farming fishing and northern resource communities in conjunction with such issues as the impact of modern technologies on rural industries populations and communities the environmental crisis in relation to agriculture practices and technologies and the impact of the Free Trade Agreement on rural industries The book is oriented to undergraduate and graduate students studying rural sociology as well as appealing to a wider audience interested in rural life in Canada today *Rural Canada* Satadal Dasgupta, 1988 **Rural Sociology (in the United States and Canada).**

Department of Agriculture. Rural Sociology Unit, C. M. Jones, A. Trempe, Department of Agriculture, 1960 *The Sociology of Rural Life* Samantha Hillyard, 2007-07-15 Foot and mouth disease and BSE have both had a devastating impact on rural society Alongside these devastating developments the rise of the organic food movement has helped to revitalize an already politicized rural population From fox hunting to farming the vigour with which rural activities and living are defended overturns received notions of a sleepy and complacent countryside Over the years rural life has been defined redefined and eventually fallen out of fashion as a sociological concept in contrast to urban studies which has flourished This much needed reappraisal calls for its reinterpretation in light of the profound changes affecting the countryside First providing an overview of rural sociology Hillyard goes on to offer contemporary case studies that clearly demonstrate the need for a reinvigorated rural sociology Tackling a range of contentious issues from fox hunting to organic farming this book offers a new model for rural sociology and reassesses its role in contemporary society A Chronological Summary of Papers, Reports and Publications in the Field of Rural Sociology and Socio-economics of the Economics Division, Canada Dept. of Agriculture Canada. Pierce, Ann Dale, 2011-11-01 What is a sustainable community The pressing need to answer this simple question is what prompted John Pierce and Ann Dale to gather the essays in this volume Communities Development and Sustainability across Canada is a timely synthesis of work on how Canadian communities can achieve sustainable development It bridges the gap between theory and praxis and brings together academics policy makers and community activists all of whom have argued for increased local participation in sustainable community development Communities have become the weak link in efforts to refashion relations between the environment and the economy The goal of this book is not simply to describe problems but also to suggest answers not simply to offer theory but also to promote action so that Canadian communities can better achieve sustainable development The twelve essays are organized into four sections Vision Connections Action and Assessing

Progress The first and last sections discuss local sustainable development within the context of increasing globalization The second section approaches sustainable development from the perspective of social evolution and urban systems The third section the heart of the book is comprised of three community case studies an assessment of the Pacific salmon fishery and four general discussions of sustainable development The conclusion reiterates the need to make communities stronger links in sustainable development The message of Communities Development and Sustainability across Canada is clear it is time for communities themselves to act if they are to achieve sustainable development This provocative and persuasive book will prove to be a valuable guide to taking the first steps Rural Sociology Lowry Nelson,2012-06 **The Sociology of**
