## **Rush To Judgment A Critique Of The Warren Commissions Inquiry By Lane Mark:**

*Rush to Judgment* Mark Lane, 2013-10-15 *Rush to Judgment* is Mark Lane's seminal work on the assassination of President John F Kennedy. This groundbreaking number one bestseller opening the eyes of the people of the United States to the possibility that their government was involved in a cover up of monumental proportions. In his mesmerizing book Lane explores the Warren Report's conclusion that Lee Harvey Oswald was the lone assassin despite overwhelming evidence to the contrary. Lane's exhaustive investigation provides a roadmap to the body of evidence about the assassination. By interviewing witnesses throughout the country comparing each of the Report's conclusions with its own corresponding evidence and searching through the 26 volumes of evidence the President's Commission collected and thousands of documents found only in the National Archive in Washington D C Lane truthfully investigates the assassination. Meticulously detailed with over 4 000 citations yet immensely compelling *Rush to Judgment* is an expose that set forth cataclysmic ripples through the fabric of our nation. This work still unparalleled after 50 years and scores of other explorations is where it all began. No serious study of that event is complete without it. Last Word Mark Lane, 2011-11-01 Mark Lane tried the only U S court case in which the jurors concluded that the CIA plotted the murder of President Kennedy but there was always a missing piece. How did the CIA control cops and secret service agents on the ground in Dealey Plaza? How did federal authorities prevent the House Select Committee on Assassinations from discovering the truth about the complicity of the CIA? Now New York Times best selling author Mark Lane tells all in this explosive new book with exclusive new interviews, sworn testimony and meticulous new research including interviews with Oliver Stone, Dallas Police deputy sheriffs Robert K Tanenbaum and Abraham Bolden. Lane finds out first hand exactly what went on the day JFK was assassinated. Lane includes sworn statements given to the Warren Commission by a police officer who confronted a man who he thought was the assassin. The officer testified that he drew his gun and pointed it at the suspect who showed Secret Service ID. Yet the Secret Service later reported that there were no Secret Service agents on foot in Dealey Plaza. *The Last Word* proves that the CIA operating through a secret small group prepared all credentials for Secret Service agents in Dallas for the two days that Kennedy was going to be there. Conclusive evidence of the CIA's involvement in the assassination. **The Warren Commission Report** Dan Mishkin, 2014-09-16 Within days of the murder of President John F Kennedy Lyndon B Johnson appointed a seven member commission to investigate the assassination. In its report the Warren Commission determined that there was no credible evidence conflicting with its conclusion of a lone gunman. Artist Ernie Col'n bestselling illustrator of *The 9 11 Report*. A Graphic Adaptation teams up with author Dan Mishkin to provide a unique means of testing the commission's findings, unraveling conflicting narratives side by side through graphic novel techniques. *The Warren Commission Report A Graphic Investigation* into the Kennedy Assassination breaks down how decisions in the days that followed the assassination not only shaped how the commission reconstructed events but also helped foster the conspiracy theories that play a part in American

politics to this day      **Immigration Policy and Procedure** United States Commission on Civil Rights,1979      *Plausible Denial* Mark Lane,2011-11-01 The assassination of President Kennedy in 1963 continues to be shrouded in mystery and controversy In *Plausible Denial* Mark Lane the author of *Rush to Judgment* the provocative and bestselling critique of the Warren Commission reveals startling evidence about the CIA s involvement in a plot to murder the president In 1978 when a small magazine ran a story by CIA renegade Victor Marchetti linking ex CIA operative and convicted Watergate burglar E Howard Hunt to the assassination Hunt sued for defamation Lane signed on as defense counsel for the publication and set out to prove the truth of the allegations against Hunt and the CIA Lane s investigation uncovered a web of conspiracy that involved anti Castro Cubans Watergate conspirators and public officials at the highest levels of the intelligence community The forewoman of the jury Leslie Armstrong stated that Mr Lane was asking us to do something very difficult He was asking us to believe that John Kennedy had been killed by our own government Yet when we examined the evidence we were compelled to conclude that the CIA had indeed killed President Kennedy Meticulously documented and compellingly written this book makes public the contents of this curiously unpublicized trial the only jury verdict directly related to the theory that the CIA was involved in the assassination      Praise from a Future Generation John Kelin,2007 Finely written and meticulously documented this book describes how very early on a small group of ordinary citizens began extraordinary efforts to demonstrate that the JFK assassination could not have happened the way the government said it did In time their efforts had an enormous impact on public opinion but this account concentrates on the months before the controversy caught fire when people with skeptical viewpoints still saw themselves as lone voices Material seldom seen by the public includes a suppressed photograph of the grassy knoll an unpublished 1964 interview with an eyewitness the earliest mention of the magic bullet and an analysis of the commotion surrounding New Orleans district attorney Jim Garrison s charge that anti Castro CIA operatives were involved      A Citizen's Dissent Mark Lane,1968 Citations p 267 281      Undeniable Truths Ed Souza,2014-08-01 Since we forget the implications of the assassination of President John F Kennedy at our peril I welcome and support the recent work of Ed Souza s *Undeniable Truths* Welcome aboard Mr Souza Mark Lane Author of *Rush to Judgment* To many the murder of President John F Kennedy was the defining tragedy of the twentieth century To many the intricate and pervasive veil of lies generated by the Warren Commission and some of our own government agencies is an egregious and continuing insult to our collective intelligence integrity and dignity To many there are more questions than plausible answers But for one former LA cop private investigator and professor of criminal justice the time has come to put forth the clear and plausible answers too many have craved for too long In *Undeniable Truths* Professor Ed Souza applies modern investigative techniques and theories to present the clear and simple facts surrounding this infamous murder His approach exposes the lies cover ups and misinformation involved in this case He explores some of the murder s most enduring mysteries Why was President Kennedy really murdered Who really didand did notwant Kennedy eliminated Whyand

how was Oswald chosen as the scapegoat Through the use of time tested police strategies the author puts decades of professional research to the task of solving one of history's most enduring unsolved crimes

**Best Evidence**  
David S. Lifton, 1992 Arguing that the evidence relied upon by the Warren Commission and the House Assassinations Committee was faked Lifton describes how the cover up plot worked and explains the numerous conflicts in the record

**Whitewash**  
Harold Weisberg, 2013-10-22 Harold Weisberg's Whitewash was originally self published in 1965 at a time when few publishing houses would consider a book challenging the Warren Report Written in Harold's fiercely passionate yet scrupulously honest style and relying on the government's own evidence and documentation Whitewash destroys the Warren Commission's claims about Oswald and shows that the Commission knowingly engaged in a cover up Weisberg diligently researched the government's unpublished evidence and played a major role in forcing disclosures via the Freedom of Information Act A watershed publication and one that established the author as one of the premier JFK assassination researchers Whitewash as well as the subsequent books in the Whitewash series has become one of the essential assassination publications and nearly five decades later his work has lost none of its bite

**Accessories After the Fact**  
Sylvia Meagher, 2013-09-01 Originally published in 1967 Meagher's masterful dissection of the Warren Report based on the Warren Commission's own evidence has stood the test of time In some cases declassifications of government records have corroborated the author's suspicions and analyses such as her amazing assertion that Oswald had never actually been charged with Kennedy's murder despite sworn testimony to the contrary Meagher's book raises serious questions not only about Oswald's guilt in the JFK assassination and related crimes such as the Tippit murder and the Walker shooting but also about the methods and honesty of the Warren Commission the FBI and various Dallas police and other officials When the Church Committee first began to re-examine the Warren Commission and its relationship with intelligence agencies in 1975 investigators were shocked by what they discovered In Accessories After the Fact Sylvia Meagher delivers a blistering blow to the credibility of the Warren Report and decades after its original publication researchers and readers are still discovering
