moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It s so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you re sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don't know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated This Movie are motion pictures you ll want to distance yourself from but Roger Ebert s creative and comical musings on those films make for a book no movie fan should miss **David O. Russell** Holly Willis, 2018-07-23 David O Russell b 1958 boasts a diverse body of work as a writer and director spanning multiple genres and featuring radically differing aesthetic styles While his early work comically explored taboo subjects with unerring directness he has also investigated politics with explosive satire In his most recent films including American Hustle and Silver Linings Playbook Russell examines characters and situations that are at once everyday and also extraordinary Whatever the project Russell is driven to explore the idiosyncrasies that make each character human and he extends that curiosity to explore what makes each actor unique His attentiveness to his cast members has earned him the label of actor s director due in no small part to the many nominations and awards earned by a long list of Hollywood stars in his movies Russell has also become one of our era's most interesting formal stylists as he adopts a visual design appropriate to each of his film's thematic concerns. The result may be a color palette resembling the washed out pages of a newspaper achieved by manipulating the film stock for Three Kings or the tumultuous opening of The Fighter when an audacious roving camera plunges viewers straight into the story from the very first shots of the film Rather than building a signature style Russell has instead tested the varied possibilities of cinematic expression This career spanning volume features conversations with scholars and journalists as well as filmmakers Speaking to directors like Alexander Payne and Spike Jonze Russell contextualizes each of his films offers an intimate account of his evolving writing and directing process and opens his life to reveal how a remarkable body of work has come to be Robert Rodriguez Zachary Ingle, 2012-03-09 A collection of interviews with Robert Rodriguez that discuss his life and filmmaking Bad Murray Pomerance, 2012-02-01 Violence and corruption sell big especially since the birth of action cinema but career even from cinema's earliest days the public has been delighted to be stunned by screen representations of negativity in all its forms evil monstrosity corruption ugliness villainy and darkness Bad examines the long line of thieves rapists varmints codgers dodgers manipulators exploiters conmen killers vamps liars demons cold blooded megalomaniacs and warmhearted flakes that populate cinematic narrative From Nosferatu to The Talented Mr Ripley the contributors consider a wide range of genres and use a variety of critical approaches to examine evil villainy and immorality in twentieth century film William **Friedkin** Christopher Lane, 2020-03-18 Academy Award winning director William Friedkin b 1935 is best known for his critically and commercially successful films The French Connection and The Exorcist Unlike other film school educated
