# Russia And Her Neighbors

**Mikhail S. Blinnikov**

## **Russia And Her Neighbors:**

A Geography of Russia and Its Neighbors Mikhail S. Blinnikov, 2021-01-22 Authoritative yet accessible the definitive undergraduate text on Russian geography and culture has now been thoroughly revised with current data and timely topics such as the annexation of Crimea and Sevastopol and other background for understanding Russia's 2022 invasion of Ukraine Thematic chapters provide up to date coverage of Russia's physical political cultural and economic geography Regional chapters focus on the country's major regions and the other 14 former Soviet republics Written in a lucid conversational style by a Russian born international expert the concise chapters interweave vivid descriptions of urban and rural landscapes examinations of Soviet and post Soviet life deep knowledge of environmental and conservation issues geopolitical insights engaging anecdotes and rigorous empirical data Over 200 original maps photographs and other figures are also available as PowerPoint slides at the companion website many in color New to This Edition Separate chapter on Ukraine and Crimea covering events through 2019 Timely topics the political crisis in Ukraine and annexation of Crimea and Sevastopol the return of Putin as president climate change and environmental degradation economic slowdown political shifts in the republics the role of Russian backed forces in Syria Libya and Central African Republic changes in Russia United States relations and more Thoroughly updated population economic and political data 80 new or updated figures tables and maps Pedagogical Features End of chapter review questions suggested assignments and in class exercises Within chapter vignettes about Russian places culture and history End of chapter internet resources and suggestions for further reading Companion website with all figures and maps from the book many in full color *Russia and its Near Neighbours* M. Freire, R. Kanet, 2012-05-15 Russia has recently re emerged as the dominant political economic and military actor in former Soviet nations Kanet and Freire bring together a stellar cast of contributors to consider Russia's recent return as a major regional and international actor and its likely future policy toward its neighbours **Soviet Russia and Her Neighbors** Robert Page Arnot, 1927 Russia and Her Neighbors, 1994 *Judge Thy Neighbor* Patrick Bergemann, 2019-03-26 From the Spanish Inquisition to Nazi Germany to the United States today ordinary people have often chosen to turn in their neighbors to the authorities What motivates citizens to inform on the people next door In *Judge Thy Neighbor* Patrick Bergemann provides a theoretical framework for understanding the motives for denunciations in terms of institutional structures and incentives In case studies of societies in which denunciations were widespread Bergemann merges historical and quantitative analysis to explore individual reasons for participation He sheds light on Jewish converts shifting motives during the Spanish Inquisition when and why seventeenth century Romanov subjects fulfilled their obligation to report insults to the tsar's honor and the widespread petty and false complaints filed by German citizens under the Third Reich as well as present day plea bargains whistleblowing and crime reporting Bergemann finds that when authorities use coercion or positive incentives to elicit information individuals denounce out of self preservation or to gain rewards However in the absence of these incentives

denunciations are often motivated by personal resentments and grudges In both cases denunciations facilitate social control not because of citizen loyalty or moral outrage but through the local interests of ordinary participants Offering an empirically and theoretically rich account of the dynamics of denunciation as well as vivid descriptions of the denounced Judge Thy Neighbor is a timely and compelling analysis of the reasons people turn in their acquaintances with relevance beyond conventionally repressive regimes

*Putin and His Neighbors* Dina R. Spechler, Martin C. Spechler, 2021-10-21 Russian President Vladimir Putin has implemented a set of policies toward his neighbors intended to help him re establish his country's status as a major world power These have included dominating as far as possible the independent states that once were part of the USSR and preventing further NATO encroachment on Russia's borders He has also sought a pragmatic partnership with China to help bolster the Russian economy in the face of Western sanctions and declining revenues from oil and gas This book argues that Putin's efforts have been largely although not entirely successful In the future however the weakness of the Russian economy as compared to China's may pose a threat to Moscow's ability to maintain a Russian sphere of influence in its own neighborhood

**Contemporary Russia and Her Relations with Her Neighbors** Lancelot Lawton, 1936

**Russia and Her Neighbors** John Tomikel, Bonnie Henderson, 1994 Russia's shift to an incipient democracy a market economy has not come without cost RUSSIA HER NEIGHBORS analyzes the geographical social conditions that exist in the former Soviet Union Russia's energy situation her industrial agricultural potential her vast but largely untapped natural resources her serious environmental problems the outlook for her future are all examined Problems in the fourteen break away republics the civil war in Georgia the warring factions in Azerbaijan Armenia as well as the ethnic conflicts throughout the former Soviet Empire are documented The book also draws parallels between the United States its former Cold War enemy The text is accompanied by 20 large maps 33 photos three graphs CIA documents private Russian sources are utilized in addition to more conventional references RUSSIA HER NEIGHBORS will be a valuable contribution to understanding Russia for years to come Size 8 1/2 X 11 160 pages Library binding 24 95 trade paperback 19 95 ALLEGHENY PRESS P O Box 220 Elgin PA 16413

Inside Out Glenn Williamson, 2014-02 In Inside Out author Glenn Williamson explains the award winning development of St Petersburg's first modern Class A office retail center by a multinational team of Americans Russians Brits Turks and Finns Inside Out provides a fascinating memoir of his experiences working as a developer in Russia in the 1990s while balancing a home life with a new baby son With unique and astute anecdotes it offers insights into Russia its people and its culture Inside Out funny and serious sincere and sarcastic narrates the anatomy of a real estate deal Now at a time when America and Russia consider ways to reset their relations Williamson's story shows how actual players on all sides of a complex business and personal adventure looked for and ultimately found a common language

How to Spy on Your Neighbor Vicky Kuperman, Isabella Patrick, 2017-05-09 Political comedy satire

**A Geography of Russia and Its Neighbors** Mikhail S. Blinnikov, 2021-02-17 Authoritative yet accessible the definitive undergraduate text on

Russian geography and culture has now been thoroughly revised with current data and timely topics such as the annexation of Crimea and Sevastopol and other background for understanding Russia's 2022 invasion of Ukraine. Thematic chapters provide up-to-date coverage of Russia's physical, political, cultural, and economic geography. Regional chapters focus on the country's major regions and the other 14 former Soviet republics. Written in a lucid conversational style by a Russian-born international expert, the concise chapters interweave vivid descriptions of urban and rural landscapes, examinations of Soviet and post-Soviet life, deep knowledge of environmental and conservation issues, geopolitical insights, engaging anecdotes, and rigorous empirical data. Over 200 original maps, photographs, and other figures are also available as PowerPoint slides at the companion website, many in color. New to This Edition: Separate chapter on Ukraine and Crimea covering events through 2019; Timely topics: the political crisis in Ukraine and annexation of Crimea and Sevastopol; the return of Putin as president; climate change and environmental degradation; economic slowdown; political shifts in the republics; the role of Russian-backed forces in Syria, Libya, and Central African Republic; changes in Russia-United States relations and more. Thoroughly updated population, economic, and political data; 80 new or updated figures, tables, and maps. Pedagogical Features: End-of-chapter review questions, suggested assignments, and in-class exercises. Within-chapter vignettes about Russian places, culture, and history. End-of-chapter internet resources and suggestions for further reading. Companion website with all figures and maps from the book, many in full color.

**Nomads and their Neighbours in the Russian Steppe** Peter B. Golden, 2024-12-11

The western steppelands of Central Eurasia stretching from the Danube through the modern Ukraine and southern Russia to the Caspian have historically been the meeting ground of Inner Asian pastoral nomads and the agrarian societies of Eastern Europe and the Caucasus. This volume deals firstly with the interaction of the nomads with their sedentary neighbours: the Kievan Rus state and the medieval polities of Transcaucasia, Georgia in particular in the period from the 6th century to the advent of the Mongols. Second, it looks at questions of nomadic ethnogenesis: Oghuz, Hungarian, Qipchaq, at the evolution of nomadic political traditions and the heritage of the Turk empire, and at aspects of indigenous nomadic religious traditions together with the impact of foreign religions on the nomads, notably the conversion of the Khazars to Judaism. A number of articles focus on the Qipchaqs, a powerful confederation of complex Inner Asian origins that played a crucial role in the history of Christian Eastern Europe and Transcaucasia and the Muslim world between the 11th and 13th centuries.

**Russia and Its Northeast Asian Neighbors** Kimitaka Matsuzato, 2017

As a result of the Aigun 1858 and Beijing Treaties 1860, Russia had become a participant in international relations of Northeast Asia, but historiography has underestimated the presence of Russia and the USSR in this region. This collection elucidates how Russia's expansion affected early Meiji Japan's policy towards Korea and the late Qing Empire's Manchurian reform. Russia participated in the mega-imperial system of transportation and customs control in Northern China and created a transnational community around the Chinese Eastern Railway and Harbin City. The collection vividly describes daily life of the emigre Russians.

community in Harbin after 1917 The collection investigates mutual images between the Russians and Japanese through the prism of the descriptions of the Japanese Imperial House in Russian newspapers and memoirs written by Russian POWs in and after the Russo Japanese War and war journalism during this war The first Soviet ambassador in Japan V Kopp proposed to restore the division of spheres of interest between Russia and Japan during the tsarist era and thus conflicted People s Commissar of Foreign Affairs G Chicherin the Soviet ambassador in Beijing L Karakhan and Stalin since the latter group was more loyal to the cause of China s national liberation As a whole the collection argues that it is difficult to understand the modern history of Northeast Asia without taking the Russian factor seriously      Everyday Law in Russia Kathryn

Hendley,2017-02-07 Everyday Law in Russia challenges the prevailing common wisdom that Russians cannot rely on their law and that Russian courts are hopelessly politicized and corrupt While acknowledging the persistence of verdicts dictated by the Kremlin in politically charged cases Kathryn Hendley explores how ordinary Russian citizens experience law Relying on her own extensive observational research in Russia s new justice of the peace courts as well as her analysis of a series of focus groups she documents Russians complicated attitudes regarding law The same Russian citizen who might shy away from taking a dispute with a state agency or powerful individual to court might be willing to sue her insurance company if it refuses to compensate her for damages following an auto accident Hendley finds that Russian judges pay close attention to the law in mundane disputes which account for the vast majority of the cases brought to the Russian courts Any reluctance on the part of ordinary Russian citizens to use the courts is driven primarily by their fear of the time and cost measured in both financial and emotional terms of the judicial process Like their American counterparts Russians grow more willing to pursue disputes as the social distance between them and their opponents increases Russians are loath to sue friends and neighbors but are less reluctant when it comes to strangers or acquaintances Hendley concludes that the rule of law rubric is ill suited to Russia and other authoritarian polities where law matters most but not all of the time      **Lost Kingdom** Serhii

Plokhyy,2017-10-10 From a preeminent scholar of Eastern Europe and the prizewinning author of Chernobyl the essential history of Russian imperialism In 2014 Russia annexed the Crimea and attempted to seize a portion of Ukraine only the latest iteration of a centuries long effort to expand Russian boundaries and create a pan Russian nation In Lost Kingdom award winning historian Serhii Plokhyy argues that we can only understand the confluence of Russian imperialism and nationalism today by delving into the nation s history Spanning over 500 years from the end of the Mongol rule to the present day Plokhyy shows how leaders from Ivan the Terrible to Joseph Stalin to Vladimir Putin exploited existing forms of identity warfare and territorial expansion to achieve imperial supremacy An authoritative and masterful account of Russian nationalism Lost Kingdom chronicles the story behind Russia s belligerent empire building quest      *Russia Abroad* Anna Ohanyan,2018-10-01

While we know a great deal about the benefits of regional integration there is a knowledge gap when it comes to areas with weak dysfunctional or nonexistent regional fabric in political and economic life Further deliberate un regioning applied by

actors external as well as internal to a region has also gone unnoticed despite its increasingly sophisticated modern application by Russia in its peripheries This volume helps us understand what Anna Ohanyan calls fractured regions and their consequences for contemporary global security Ohanyan introduces a theory of regional fracture to explain how and why regions come apart consolidate dysfunctional ties within the region and foster weak states Russia Abroad specifically examines how Russia employs regional fracture as a strategy to keep states on its periphery in Eurasia and the Middle East weak and in Russia's orbit It argues that the level of regional maturity in Russia's vast vicinities is an important determinant of Russian foreign policy in the emergent multipolar world order Many of these fractured regions become global security threats because weak states are more likely to be hubs of transnational crime havens for militants or sites of protracted conflict The regional fracture theory is offered as a fresh perspective about the post American world and a way to broaden international relations scholarship on comparative regionalism

**Russia's Cold War** Jonathan Haslam, 2011-01-01 moved decisively beyond his control and instead of managed détente he faced imminent collapse Book Jacket

**Arctic Mirrors** Yuri Slezkine, 2016-11-01 For over five hundred years the Russians wondered what kind of people their Arctic and sub Arctic subjects were They have mouths between their shoulders and eyes in their chests reported a fifteenth century tale They rove around live of their own free will and beat the Russian people complained a seventeenth century Cossack Their actions are exceedingly rude They do not take off their hats and do not bow to each other huffed an eighteenth century scholar They are children of nature and guardians of ecological balance rhapsodized early nineteenth century and late twentieth century romantics Even the Bolsheviks who categorized the circumpolar foragers as authentic proletarians were repeatedly puzzled by the peoples from the late Neolithic period who by virtue of their extreme backwardness cannot keep up either economically or culturally with the furious speed of the emerging socialist society Whether described as brutes aliens or endangered indigenous populations the so called small peoples of the north have consistently remained a point of contrast for speculations on Russian identity and a convenient testing ground for policies and images that grew out of these speculations In Arctic Mirrors a vividly rendered history of circumpolar peoples in the Russian empire and the Russian mind Yuri Slezkine offers the first in depth interpretation of this relationship No other book in any language links the history of a colonized non Russian people to the full sweep of Russian intellectual and cultural history Enhancing his account with vintage prints and photographs Slezkine reenacts the procession of Russian fur traders missionaries tsarist bureaucrats radical intellectuals professional ethnographers and commissars who struggled to reform and conceptualize this most alien of their subject populations Slezkine reconstructs from a vast range of sources the successive official policies and prevailing attitudes toward the northern peoples interweaving the resonant narratives of Russian and indigenous contemporaries with the extravagant images of popular Russian fiction As he examines the many ironies and ambivalences involved in successive Russian attempts to overcome northern and hence their own otherness Slezkine explores the wider issues of ethnic identity cultural change

nationalist rhetoric and not so European colonialism      The Border - A Journey Around Russia Erika Fatland, 2020-10-15 A journey along the seemingly endless Russian border from North Korea in the Far East through Russia's bordering states in Asia and the Caucasus crossing the Caspian Ocean and the Black Sea along the way Erika Fatland is shaping up to be one of the Nordics most exciting new travel writers National Geographic SHORTLISTED FOR THE STANFORDS DOLMAN TRAVEL BOOK OF THE YEAR 2020 A hauntingly lyrical meditation to the contingencies of history Wall Street Journal An impressive mix of history reportage and travel memoir Washington Post The Border is a book about Russia and Russian history without its author ever entering Russia itself a book about being the neighbour of that mighty expanding empire throughout history It is a chronicle of the colourful exciting tragic and often unbelievable histories of these bordering nations their cultures their people their landscapes Through her last three documentary books one about terrorism in Beslan one about the 2011 terror attacks in Norway and one about post Soviet Central Asia social anthropologist Erika Fatland has established herself as a sharp observer and an outstanding interviewer at the forefront of Nordic non fiction Translated from the Norwegian by Kari Dickson      **Good Neighbors** Joanne Serling, 2018-02-06 A searing portrait of suburbia friendship and family strained by a devotion to false appearances In an idyllic suburb four young families quickly form a neighborhood clique their friendships based on little more than the ages of their children and a shared sense of camaraderie When one of the couples Paige and Gene Edwards adopt a four year old girl from Russia the group's loyalty and morality is soon called into question Are the Edwards unkind to their new daughter Or is she a difficult child with hidden destructive tendencies As the seams of the group friendship slowly unravel neighbor Nicole Westerhof finds herself drawn further into the life of the adopted girl forcing Nicole to re-examine the deceptive nature of her own family ties and her complicity in the events unfolding around her

## Russia And Her Neighbors Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russia And Her Neighbors free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russia And Her Neighbors free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search

feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russia And Her Neighbors free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russia And Her Neighbors. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russia And Her Neighbors any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Russia And Her Neighbors Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia And Her Neighbors is one of the best book in our library for free trial. We provide copy of Russia And Her Neighbors in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia And Her Neighbors. Where to download Russia And Her Neighbors online for free? Are you looking for Russia And Her Neighbors PDF? This is definitely going to save you time and cash in something you should think about.
