

PUTIN'S EMPIRE

Russia And The World Since 1917

Aleksandr Solzhenitsyn

Russia And The World Since 1917:

Russia Antony Beevor, 2022-09-20 Riveting There is a wealth of new information here that adds considerable texture and nuance to his story and helps to set Russia apart from previous works The Wall Street Journal An epic new account of the conflict that reshaped Eastern Europe and set the stage for the rest of the twentieth century Between 1917 and 1921 a devastating struggle took place in Russia following the collapse of the Tsarist empire The doomed White alliance of moderate socialists and reactionary monarchists stood little chance against Trotsky's Red Army and the single minded Communist dictatorship under Lenin In the savage civil war that followed terror begat terror which in turn led to ever greater cruelty with man's inhumanity to man woman and child The struggle became a world war by proxy as Churchill deployed weaponry and troops from the British empire while contingents from the United States France Italy Japan Poland and Czechoslovakia played rival parts Using the most up to date scholarship and archival research Antony Beevor assembles the complete picture in a gripping narrative that conveys the conflict through the eyes of everyone from the worker on the streets of Petrograd to the cavalry officer on the battlefield and the doctor in an improvised hospital Caught in the Revolution Helen Rappaport, 2017-02-07 From the New York Times bestselling author of The Romanov Sisters Caught in the Revolution is Helen Rappaport's masterful telling of the outbreak of the Russian Revolution through eye witness accounts left by foreign nationals who saw the drama unfold Between the first revolution in February 1917 and Lenin's Bolshevik coup in October Petrograd the former St Petersburg was in turmoil felt nowhere more keenly than on the fashionable Nevsky Prospekt There the foreign visitors who filled hotels clubs offices and embassies were acutely aware of the chaos breaking out on their doorsteps and beneath their windows Among this disparate group were journalists diplomats businessmen bankers governesses volunteer nurses and expatriate socialites Many kept diaries and wrote letters home from an English nurse who had already survived the sinking of the Titanic to the black valet of the US Ambassador far from his native Deep South to suffragette leader Emmeline Pankhurst who had come to Petrograd to inspect the indomitable Women's Death Battalion led by Maria Bochkareva Helen Rappaport draws upon this rich trove of material much of it previously unpublished to carry us right up to the action to see feel and hear the Revolution as it happened to an assortment of individuals who suddenly felt themselves trapped in a red madhouse **About Russia, Its Revolutions, Its Development and Its Present** Michal Reiman, 2016 The author analyzes the history of the USSR from a new perspective Detailed examination of ideological heritage of the XIXth and XXth centuries shows new aspects of the Russian Revolution *March 1917* Aleksandr Solzhenitsyn, 2019-11-15 Aleksandr Solzhenitsyn's March 1917 Book 2 covers three days of the February Revolution when the nation unraveled leading to the Bolshevik takeover eight months later The Red Wheel is Nobel Prize winner Aleksandr Solzhenitsyn's multivolume epic work about the Russian Revolution He spent decades writing about just four of the most important periods or nodes This is the first time that the monumental March 1917 the third node has been translated into

English It tells the story of the Russian Revolution itself during which the Imperial government melts in the face of the mob and the giants of the opposition also prove incapable of controlling the course of events The action of Book 2 of four of March 1917 is set during March 13 15 1917 the Russian Revolution s turbulent second week The revolution has already won inside the capital Petrograd News of the revolution flashes across all Russia through the telegraph system of the Ministry of Roads and Railways But this is wartime and the real power is with the army At Emperor Nikolai II s order the Supreme Command sends troops to suppress the revolution in Petrograd Meanwhile victory speeches ring out at Petrograd s Tauride Palace Inside two parallel power structures emerge the Provisional Government and the Executive Committee of the Petrograd Soviet of Workers and Soldiers Deputies which sends out its famous Order No 1 presaging the destruction of the army The troops sent to suppress the Petrograd revolution are halted by the army s own top commanders The Emperor is detained and abdicates and his ministers are jailed and sent to the Peter and Paul Fortress This sweeping historical novel is a must read for Solzhenitsyn s many fans as well as those interested in twentieth century history Russian history and literature and military history March 1917 Aleksandr Solzhenitsyn, 2021-10-15 In March 1917 Book 3 the forces of revolutionary disintegration spread out from Petrograd all the way to the front lines of World War I presaging Russia s collapse One of the masterpieces of world literature The Red Wheel is Nobel prize winner Aleksandr Solzhenitsyn s multivolume epic work about the Russian Revolution told in the form of a historical novel March 1917 the third node tells the story day by day of the Russian Revolution itself Until recently the final two nodes have been unavailable in English The publication of Book 1 of March 1917 in 2017 and Book 2 in 2019 has begun to rectify this situation The action of Book 3 out of four is set during March 16 22 1917 In Book 3 the Romanov dynasty ends and the revolution starts to roll out from Petrograd toward Moscow and the Russian provinces The dethroned Emperor Nikolai II makes his farewell to the Army and is kept under guard with his family In Petrograd the Provisional Government and the Soviet of Workers and Soldiers Deputies continue to exercise power in parallel The war hero Lavr Kornilov is appointed military chief of Petrograd But the Soviet s Order No 1 reaches every soldier undermining the officer corps and shaking the Army to its foundations Many officers including the head of the Baltic Fleet the progressive Admiral Nepenin are murdered Black Sea Fleet Admiral Kolchak holds the revolution at bay meanwhile Grand Duke Nikolai Nikolaevich the emperor s uncle makes his way to military headquarters na vely thinking he will be allowed to take the Supreme Command *In the Shadow of Revolution* Sheila Fitzpatrick, Yuri Slezkine, 2018-06-26 Asked shortly after the revolution about how she viewed the new government Tatiana Varsher replied With the wide open eyes of a historian Her countrywoman Zinaida Zhemchuzhnaia expressed a similar need to take note I want to write about the way those events were perceived and reflected in the humble and distant corner of Russia that was the Cossack town of Korenovskaia What these women witnessed and experienced and what they were moved to describe is part of the extraordinary portrait of life in revolutionary Russia presented in this book A collection of life stories of Russian women in the

first half of the twentieth century In the Shadow of Revolution brings together the testimony of Soviet citizens and migrants intellectuals of aristocratic birth and Soviet milkmaids housewives and engineers Bolshevik activists and dedicated opponents of the Soviet regime In literary memoirs oral interviews personal dossiers public speeches and letters to the editor these women document their diverse experience of the upheavals that reshaped Russia in the first half of this century As is characteristic of twentieth century Russian women s autobiographies these life stories take their structure not so much from private events like childbirth or marriage as from great public events Accordingly the collection is structured around the events these women see as touchstones the Revolution of 1917 and the Civil War of 1918 20 the switch to the New Economic Policy in the 1920s and collectivization and the Stalinist society of the 1930s including the Great Terror Edited by two preeminent historians of Russia and the Soviet Union the volume includes introductions that investigate the social historical context of these women s lives as well as the structure of their autobiographical narratives

Russia's Cold War Jonathan Haslam,2011-01-01 moved decisively beyond his control and instead of managed détente he faced imminent collapse Book Jacket

October China Miéville,2017-05-09 Multi award winning author China Miéville captures the drama of the Russian Revolution in this engaging retelling of the events that rocked the foundations of the twentieth century Village Voice In February of 1917 Russia was a backwards autocratic monarchy mired in an unpopular war by October after not one but two revolutions it had become the world s first workers state straining to be at the vanguard of global revolution How did this unimaginable transformation take place In a panoramic sweep stretching from St Petersburg and Moscow to the remotest villages of a sprawling empire Miéville uncovers the catastrophes intrigues and inspirations of 1917 in all their passion drama and strangeness Intervening in long standing historical debates but told with the reader new to the topic especially in mind here is a breathtaking story of humanity at its greatest and most desperate of a turning point for civilization that still resonates loudly today

Russia, 1917 Jonathan Sanders,1989

Russia Leaves the War George Frost Kennan,2023-01-24 Winner of the Pulitzer Prize the National Book Award the Bancroft Prize and the Parkman Prize From acclaimed diplomat and historian George Kennan a landmark history of the crucial months in 1917 1918 that forged the pattern of Soviet American relations When the Bolsheviks seized power in November 1917 American diplomats in St Petersburg and Moscow were thrown into a bewildering situation Should the new regime be recognized What was its true nature And was there any way to keep Russia fighting against Germany in the Great War In vivid detail George Kennan s classic history tells the gripping story of the Americans furious and ultimately failed efforts to strike a deal to keep the Soviets in the war and how these events set the pattern of future relations between the two emerging superpowers In a new foreword Kennan biographer Frank Costigliola puts the book in the context of its Cold War publication and Kennan s life

Understanding Ukrainian Politics: Power, Politics, and Institutional Design Paul D'Anieri,2015-01-28 Ukraine made headlines around the world during the winter of 2004 05 as the colorful banners of the Orange Revolution unfurled against the snowy backdrop of

Kyiv signaling the bright promise of democratic rebirth But is that what is really happening in Ukraine In the early post Soviet period Ukraine appeared to be firmly on the path to democracy The peaceful transfer of power from Leonid Kravchuk to Leonid Kuchma in the election of 1994 followed by the adoption of a western style democratic constitution in 1996 seemed to complete the picture But the Kuchma presidency was soon clouded by dark rumors of corruption and even political murder and by 2004 the country was in full blown political crisis A three stage presidential contest was ultimately won by Viktor Yushchenko who took office in 2005 and appointed Yulia Tymoshenko as premier but the turmoil was far from over The new government quickly faltered and splintered This introduction to Ukrainian politics looks beyond these dramatic events and compelling personalities to identify the actual play of power in Ukraine and the operation of its political system The author seeks to explain how it is that after each new beginning power politics has trumped democratic institution building in Ukraine as in so many other post Soviet states What is really at work here and how can Ukraine break the cycle of hope and disillusionment

The Development of Capitalism in Russia Vladimir I. Lenin, 2004 CONTENTS The Development of Capitalism in Russia The Theoretical Mistakes of the Narodnik Economists The Differentiation of the Peasantry The Landowners Transition from Corv e to Capitalist Economy The Growth of Commercial Agriculture The First Stages of Capitalism in Industry Capitalist Manufacture and Capitalist Domestic Industry The Development of Large Scale Machine Industry The Formation of the Home Market

Russia in Revolution S. A. Smith, 2017-01-19 The Russian Revolution of 1917 transformed the face of the Russian empire politically economically socially and culturally and also profoundly affected the course of world history for the rest of the twentieth century Historian S A Smith presents a panoramic account of the history of the Russian empire from the last years of the nineteenth century through the First World War and the revolutions of 1917 and the establishment of the Bolshevik regime to the end of the 1920s when Stalin simultaneously unleashed violent collectivization of agriculture and crash industrialization upon Russian society Drawing on recent archivally based scholarship *Russia in Revolution* pays particular attention to the varying impact of the Revolution on the various groups that made up society peasants workers non Russian nationalities the army women and the family young people and the Church In doing so it provides a fresh way into the big perennial questions about the Revolution and its consequences why did the attempt by the tsarist government to implement political reform after the 1905 Revolution fail why did the First World War bring about the collapse of the tsarist system why did the attempt to create a democratic system after the February Revolution of 1917 not get off the ground why did the Bolsheviks succeed in seizing and holding on to power why did they come out victorious from a punishing civil war why did the New Economic Policy they introduced in 1921 fail and why did Stalin come out on top in the power struggle inside the Bolshevik party after Lenin s death in 1924 A final chapter then reflects on the larger significance of 1917 for the history of the twentieth century and for all its terrible flaws what the promise of the Revolution might mean for us today

In the Wake of Empire Anatol Shmelev, 2021-01-01 Even as a

country ceases to be a great power the concept of it as a great power can continue to influence decision making and policy formulation This book explores how such a process took place in Russia from 1917 through 1920 when the Bolshevik coup of November 1917 led to the creation of two regimes the Bolshevik Reds and the anti Bolshevik Whites As Reds consolidated their one party dictatorship and nursed global ambitions Whites struggled to achieve a different vision for the future of Russia Anatol Shmelev illuminates the White campaign with fresh purpose and through information from the Hoover Institution Archives exploring how diverse White factions overcame internal tensions to lobby for recognition on the world stage only to fail in part because of the West s desire to leave the Russian question to Russians alone In the Wake of Empire examines the personalities institutions political culture and geostrategic concerns that shaped the foreign policy of the anti Bolshevik governments and attempts to define the White movement through them Additionally Shmelev provides a fascinating psychological study of the factors that ultimately doomed the White effort an irrational and ill placed faith in the desire of the Allies to help them and wishful thinking with regard to their own prospects that obscured the reality around them

Russia Michael Haynes,2002 The spectre of Stalinism continues to haunt radicals across the world If revolutions inevitably lead to tyranny how can the anti capitalist movement develop a vision for a better world This timely book re examines the rise and fall of the Russian revolution as well as the destructive consequences of market capitalism since the collapse of the Soviet Union in the context of a buoyant anti capitalist movement *The End of Imperial Russia, 1855-1917*

Peter Waldron,1997-05-15 Waldron explores the long term reasons for the demise of Imperial Russia and examines the failure of the autocratic state to strengthen its own political position while economic change transformed Russian society

Red Star Over Russia David King,2009 Red Star Over Russia is a visual history of the Soviet Union from 1917 to the death of Stalin Its urgent cinema verite style plunges the reader into the centre of the shattering events that brought hope chaos heroism and horror to the citizens of the world s first workers state Revolutionary upheaval turns into Civil War and famine Stalin s Great Terror of the 1930s is followed by the brutal onslaught of Nazi invasion The story ends with the intrigue surrounding the dictator s gruesome death in 1953 More than 550 posters photographs and graphics are reproduced to the highest quality accompanied by insightful and informative texts Many of these images are being reproduced here for the first time Zooming in from the epic to the particular the author rescues many lost heroes and villains from obscurity through the work of the most brilliant Soviet designers artists and photographers of the twentieth century Book Jacket

The World Since 1914 Walter Consuelo Langsam,1933 [Jewish Identities in Postcommunist Russia and Ukraine](#) Zvi Y. Gitelman,2012-10-15 The most comprehensive surveys ever undertaken of Jews in Russia and Ukraine show that their sense of Jewishness is powerful but detached from religion Their understandings of Jewishness differ from those of Jews elsewhere and create tensions in their interactions with other Jews especially in Israel This book examines in depth post Soviet Jews attitudes toward religion intermarriage emigration anti Semitism and rebuilding Jewish life

Russia in Transition Elisha

M. Friedman, 2017-07-06 The result of visits to Russia from 1930-1932, this book published in 1933 at a time when the social structure of the world was in great upheaval covers a wide range of the activities of Soviet Russia. Much of the book covers the Five Year Plan in relation to industry, agriculture, labour, banking, and the budget, but legal, political, and sociological aspects of the country are also covered. The final section, which discusses the direction US foreign policy should take in relation to Russia, has an enduring relevance today, some 70 years after this book was first published.
