

Russia The Land

Stephen F. Williams

Russia The Land:

Colonizing Russia's Promised Land Aileen E. Friesen, 2020-01-29 The movement of millions of settlers to Siberia in the late nineteenth and early twentieth centuries marked one of the most ambitious undertakings pursued by the tsarist state. *Colonizing Russia's Promised Land* examines how Russian Orthodoxy acted as a basic building block for constructing Russian settler communities in current day southern Siberia and northern Kazakhstan. Russian state officials aspired to lay claim to land that was politically under their authority but remained culturally unfamiliar. By exploring the formation and evolution of Omsk diocese a settlement mission, *Colonizing Russia's Promised Land* reveals how the migration of settlers expanded the role of Orthodoxy as a cultural force in transforming Russia's imperial periphery by russifying the land and marginalizing the Indigenous Kazakh population. In the first study exploring the role of Orthodoxy in settler colonialism, Aileen Friesen shows how settlers, clergymen, and state officials viewed the recreation of Orthodox parish life as practised in European Russia as fundamental to the establishment of settler communities and to the success of colonization. Friesen uniquely gives peasant settlers a voice in this discussion as they expressed their religious aspirations and fears to priests and tsarist officials. Despite this agreement, tensions existed not only among settlers but also within the Orthodox Church as these groups struggled to define what constituted the Russian Orthodox faith and culture.

A Geography of Russia and Its Neighbors Mikhail S. Blinnikov, 2021-01-22 Authoritative yet accessible, the definitive undergraduate text on Russian geography and culture has now been thoroughly revised with current data and timely topics such as the annexation of Crimea and Sevastopol and other background for understanding Russia's 2022 invasion of Ukraine. Thematic chapters provide up-to-date coverage of Russia's physical, political, cultural, and economic geography. Regional chapters focus on the country's major regions and the other 14 former Soviet republics. Written in a lucid conversational style by a Russian-born international expert, the concise chapters interweave vivid descriptions of urban and rural landscapes, examinations of Soviet and post-Soviet life, deep knowledge of environmental and conservation issues, geopolitical insights, engaging anecdotes, and rigorous empirical data. Over 200 original maps, photographs, and other figures are also available as PowerPoint slides at the companion website, many in color. New to This Edition: Separate chapter on Ukraine and Crimea covering events through 2019; Timely topics: the political crisis in Ukraine and annexation of Crimea and Sevastopol; the return of Putin as president; climate change and environmental degradation; economic slowdown; political shifts in the republics; the role of Russian-backed forces in Syria, Libya, and Central Africa; Republic changes in Russia; United States relations and more. Thoroughly updated population, economic, and political data; 80 new or updated figures, tables, and maps. Pedagogical Features: End-of-chapter review questions, suggested assignments, and in-class exercises. Within-chapter vignettes about Russian places, culture, and history. End-of-chapter internet resources and suggestions for further reading. Companion website with all figures and maps from the book, many in full color.

Land Reform in Russia Stephen K. Wegren, 2009 This ambitious work is the definitive account of Russia's land reform.

initiatives from the late 1980s to today In Russia a country controlling more land than any other nation land ownership is central to structures of power class division and agricultural production The aim of Russian land reform for the past thirty years to undo the collectivization of the Soviet era and encourage public ownership has been largely unsuccessful To understand this failure Stephen Wegren examines contemporary land reform policies in terms of legislation institutional structure and human behavior Using extensive survey data he analyzes household behaviors in regard to land ownership and usage based on socioeconomic status family size demographic distribution and regional differences Wegren's study is important and timely as Russian land reform will have a profound effect on Russia's ability to compete in an era of globalization

Russia Dmitri Trenin, 2019-07-26 Over the past century alone Russia has lived through great achievements and deepest misery mass heroism and mass crime over blown ambition and near hopeless despair always emerging with its sovereignty and its fiercely independent spirit intact In this book leading Russia scholar Dmitri Trenin accompanies readers on Russia's rollercoaster journey from revolution to post war devastation perestroika to Putin's stabilization of post Communist Russia Explaining the causes and the meaning of the numerous twists and turns in contemporary Russian history he offers a vivid insider's view of a country through one of its most trying and often tragic periods Today he cautions Russia stands at a turning point politically economically and socially its situation strikingly reminiscent of the Russian Empire in its final years For the Russian Federation to avoid a similar demise it must learn the lessons of its own history

Cartographies of Tsardom Valerie Ann Kivelson, 2006 By studying 17th century maps Kivelson sheds light on Muscovite Russia the relationship of state and society the growth of an empire the rise of serfdom and the place of Orthodox Christianity in society OCLC

Liberal Reform in an Illiberal Regime Stephen F. Williams, 2013-09-01 An examination of property rights reforms in Russia before the revolution reveals the advantages and pitfalls of liberal democracy in action from a government that could be described as neither liberal nor democratic The author analyzes whether truly liberal reform can be effectively established from above versus from the bottom up or whether it is simply a product of exceptional historical circumstances

Russia Philip Longworth, 2006-11-28 Through the centuries Russia has swung sharply between successful expansionism catastrophic collapse and spectacular recovery This illuminating history traces these dramatic cycles of boom and bust from the late Neolithic age to Ivan the Terrible and from the height of Communism to the truncated Russia of today Philip Longworth explores the dynamics of Russia's past through time and space from the nameless adventurers who first penetrated this vast inhospitable terrain to a cast of dynamic characters that includes Ivan the Terrible Catherine the Great and Stalin His narrative takes in the magnificent historic cities of Kiev Moscow and St Petersburg it stretches to Alaska in the east to the Black Sea and the Ottoman Empire to the south to the Baltic in the west and to Archangel and the Arctic Ocean to the north Who are the Russians and what is the source of their imperialistic culture Why was Russia so driven to colonize and conquer From Kievan Rus the first ever Russian state which collapsed with the invasion

of the Mongols in the thirteenth century to ruthless Muscovy the Russian Empire of the eighteenth century and finally the Soviet period this groundbreaking study analyses the growth and dissolution of each vast empire as it gives way to the next Refreshing in its insight and drawing on a vast range of scholarship this book also explicitly addresses the question of what the future holds for Russia and her neighbors and asks whether her sphere of influence is growing **What Is Russia Up To in the Middle East?** Dmitri Trenin, 2017-11-10 The eyes of the world are on the Middle East Today more than ever this deeply troubled region is the focus of power games between major global players vying for international influence Absent from this scene for the past quarter century Russia is now back with gusto Yet its motivations decision making processes and strategic objectives remain hard to pin down So just what is Russia up to in the Middle East In this hard hitting essay leading analyst of Russian affairs Dmitri Trenin cuts through the hyperbole to offer a clear and nuanced analysis of Russia s involvement in the Middle East and its regional and global ramifications Russia he argues cannot and will not supplant the U S as the leading external power in the region but its actions are accelerating changes which will fundamentally remake the international system in the next two decades Land Reform in Russia, 1906-1917 Judith Pallot, 1999-05-20 Since the collapse of the USSR there has been a growing interest in the Stolypin Land Reform as a possible model for post Communist agrarian development Using recent theoretical and empirical advances in Anglo American research Dr Pallot examines how peasants throughout Russia received interpreted and acted upon the government s attempts to persuade them to quit the commune and set up independent farms She shows how a majority of peasants failed to interpret the Reform in the way its authors had expected with outcomes that varied both temporally and geographically The result challenges existing texts which either concentrate on the policy side of the Reform or if they engage with its results use aggregated official statistics which this text argues are unreliable indicators of the pre revolutionary peasants reception of the Reform Russia - The Land Greg Nickles, 2000 Introduces the land of Russia including the country s geography history industry agriculture and wildlife *Putin's Predicament* Bo Petersson, 2021-09-09 Using the Russian president s major public addresses as the main source Bo Petersson analyzes the legitimization strategies employed during Vladimir Putin s third and fourth terms in office The argument is that these strategies have rested on Putin s highly personalized blend of strongman image projection and presentation as the embodiment of Russia s great power myth Putin appears as the only credible guarantor against renewed weakness political chaos and interference from abroad in particular from the US After a first deep crisis of legitimacy manifested itself by the massive protests in 2011 2012 the annexation of Crimea led to a lengthy boost in Putin s popularity figures The book discusses how the Crimea effect is by 2021 trailing off and Putin s charismatic authority is increasingly questioned by opposition from Alexei Navalny the effects of unpopular reforms and poor handling of the COVID 19 pandemic Moreover Russia is bound to head for a succession crisis as the legitimacy of the political system continues to be built on Putin s projected personal characteristics and now apparently waning charisma and since no potential heir apparent has

been allowed on center stage The constitutional reform of summer 2020 made it possible in theory for Putin to continue as president until 2036 Yet this change did not address the Russian political system's fundamental future leadership dilemma

Land of the Firebird Suzanne Massie,1982 Details the history of Russia from the religious revolution of 987 to the political revolution of 1917 graphically describing Russia's political and cultural environments under Ivan the Terrible Peter the Great and Catherine the Great Russia as Empire Kees Boterbloem,2020-10-07 Covering more than one thousand years of tumultuous history Russia as Empire shows how the medieval empire of Kyivan Rus metamorphosed into today's Russian Federation Kees Boterbloem vividly and lucidly describes Russia's various incarnations and considers how the concept of empire evolved from tsarist Russia to the Soviet Union and how and why it survives today He discusses the ideological architects of these empires and the ideas of their political leaders the tsars Lenin Stalin Boris Yeltsin and Vladimir Putin Russia as Empire considers the role of the various empires inhabitants from nobility to clergy and communist party members revealing how and why they adhered to or believed in their country's imperial mission What emerges is a highly original overview that illuminates the continuities and discontinuities in Russian history *Russia in the Arctic* Alexander Sergunin,2015-12-15 In this timely book the authors provide a detailed analysis of Russia's national interests in the Arctic region They assess Russia's domestic discourse on the High North's role in the system of national priorities as well as of Moscow's bi and multilateral relations with major regional players energy environmental socio cultural and military policies in the Arctic In contrast to the internationally wide spread stereotype of Russia as a revisionist power in the High North this book argues that Moscow tries to pursue a double sided strategy in the region On the one hand Russia aims at defending her legitimate economic interests in the region On the other hand Moscow is open to co operation with foreign partners that are willing to partake in exploiting the Arctic natural resources The general conclusion is that in the foreseeable future Moscow's strategy in the region will be predictable and pragmatic rather than aggressive or spontaneous The authors argue that in order to consolidate the soft power pattern of Russia's behavior a proper international environment in the Arctic should be created by common efforts Other regional players should demonstrate their responsibility and willingness to solve existing and potential problems on the basis of international law **The Development of Property Taxation in Economies in Transition**

Jane H. Malme,Joan M. Youngman,2001-01-01 This book details the context within which policy decisions and objectives for the property tax system are made in the transitional economies of Central and Eastern Europe It shows how these policy decisions evolve as a part of the transitional reforms still in process This book offers the chance to review the experiences of transitional countries in initiating and implementing fiscal instruments during a decade of enormous transformations The research for the case studies included in this book was sponsored by the Lincoln Institute of Land Policy

Putin's Kleptocracy Karen Dawisha,2015-09-22 The raging question in the world today is who is the real Vladimir Putin and what are his intentions Karen Dawisha's brilliant Putin's Kleptocracy provides an answer describing how Putin got to

power the cabal he brought with him the billions they have looted and his plan to restore the Greater Russia Russian scholar Dawisha describes and exposes the origins of Putin's kleptocratic regime She presents extensive new evidence about the Putin circle's use of public positions for personal gain even before Putin became president in 2000 She documents the establishment of Bank Rossiya now sanctioned by the US the rise of the Ozero cooperative founded by Putin and others who are now subject to visa bans and asset freezes the links between Putin Petromed and Putin's Palace near Sochi and the role of security officials from Putin's KGB days in Leningrad and Dresden many of whom have maintained their contacts with Russian organized crime Putin's Kleptocracy is the result of years of research into the KGB and the various Russian crime syndicates Dawisha's sources include Stasi archives Russian insiders investigative journalists in the US Britain Germany Finland France and Italy and Western officials who served in Moscow Russian journalists wrote part of this story when the Russian media was still free Many of them died for this story and their work has largely been scrubbed from the Internet and even from Russian libraries Dawisha says But some of that work remains

Black Earth Andrew Meier,2003 With the power of Lenin's Tomb and Balkan Ghosts this is an illuminating portrait of contemporary Russia a country in limbo a land of vast potential struggling with an unfinished past Black Earth is a penetrating view of the new Russia from a bold new voice in political journalism 7 maps

Putin Country Anne Garrels,2016-03-15 Portrait of the mid size city of Chelyabinsk and how it is faring in the new Russia

Medieval Russia, 980-1584 Janet Martin,1995-12-07 This book is a concise and comprehensive narrative history of Russia from 980 to 1584 It covers the history of the realm of the Rurikid dynasty from the reign of Vladimir 1 the Saint through to the reign of Ivan the Terrible who sealed the end of his dynasty's rule Presenting developments in social and economic areas as well as in political history foreign relations religion and culture Medieval Russia 980 1584 breaks away from the traditional view of Old Russia as a static immutable culture and emphasises the dynamic and changing qualities of Russian society Janet Martin develops clear lines of argument that lead to conclusions concerning how and why the states and society of the lands of the Rus assumed the forms and characteristics that they did Broadly accessible with informative and provocative interpretations this book provides an up to date analysis of medieval Russia

The Geography of Russia and the Eurasian Republics Ryan Wolf,2020-12-15 Russian and the Eurasian Republics is a distinctive region that spans two continents eleven time zones and five biomes This massive landscape is home to mountains rivers deserts and even exciting cities like Moscow Readers will learn how people have adapted to survive in harsh climates and how they've affected the land around them This book includes amazing maps and photographs to bring the information into splendid focus as readers journey to the ends of the Earth to discover the geography of the incomparable region of Russia and the Eurasian Republics

Russia The Land Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia The Land has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia The Land has opened up a world of possibilities. Downloading Russia The Land provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia The Land has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia The Land. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia The Land. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia The Land, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia The Land has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russia The Land Books

What is a Russia The Land PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Russia The Land PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Russia The Land PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russia The Land PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russia The Land PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
