# Russia A History Of The Soviet Period

**Geoffrey Hosking**

## **Russia A History Of The Soviet Period:**

*A History of Russia and the Soviet Union* David MacKenzie, Michael W. Curran, 1987 [russia, the soviet union, and the united states: an interpretive history](#) John Lewis Gaddis, 1978 *Russia* Woodford McClellan, 1986 **A Modern History of Russian Childhood** Elizabeth White, 2020-02-20 A Modern History of Russian Childhood examines the changes and continuities in ideas about Russian childhood from the 18th to the 21st century It looks at how children were thought about and treated in Russian and Soviet culture as well as how the radical social political and economic changes across the period affected children It explains how and why childhood became a key concept both in Late Imperial Russia and in the Soviet Union and looks at similarities and differences to models of childhood elsewhere Focusing mainly on children in families telling us much about Russian and Soviet family life in the process Elizabeth White combines theoretical ideas about childhood with examples of real lived experiences of children to provide a comprehensive overview of the subject The book also offers a comprehensive synthesis of a wide range of secondary sources in English and Russian whilst utilizing various textual primary sources as part of the discussion This book is key reading for anyone wanting to understand the social and cultural history of Russia as well as the history of childhood in the modern world **The Shortest History of the Soviet Union** Sheila Fitzpatrick, 2022-09-06 In 1917 Bolshevik revolutionaries came to power in the war torn Russian Empire in a way that defied all predictions including their own Scarcely a lifespan later in 1991 the Soviet Union collapsed as accidentally as it arose The decades between witnessed drama on an epic scale the chaos and hope of revolution famines and purges hard won victory in history s most destructive war and worldwide geopolitical conflict all entwined around the dream of building a better society This book is a lively and authoritative distillation of this complex history told with vivid details a grand sweep and wry wit The acclaimed historian Sheila Fitzpatrick chronicles the Soviet Age its rise reign and unexpected fall as well as its afterlife in today s Russia She underscores the many ironies of the Soviet experience An ideology that claimed to offer humanity the reins of history wrangled with contingency An avowedly internationalist and anti imperialist state birthed an array of nationalisms And a vision of transcending economic and social inequality and injustice gave rise to a country that was in its way surprisingly normal Moving seamlessly from Lenin to Stalin to Gorbachev to Putin The Shortest History of the Soviet Union provides an indispensable guide to one of the twentieth century s great powers and the enduring fascination it still exerts **Science in Russia and the Soviet Union** Loren R. Graham, 1993 By the 1980s the Soviet scientific establishment had become the largest in the world but very little of its history was known in the West What has been needed for many years in order to fill that gap in our knowledge is a history of Russian and Soviet science written for the educated person who would like to read one book on the subject This book has been written for that reader The history of Russian and Soviet science is a story of remarkable achievements and frustrating failures That history is presented here in a comprehensive form and explained in terms of its social and political context Major sections include the tsarist period the

impact of the Russian Revolution the relationship between science and Soviet society and the strengths and weaknesses of individual scientific disciplines The book also discusses the changes brought to science in Russia and other republics by the collapse of communism in the late 1980s and early 1990s

**A History of the Soviet Union from the Beginning to Its Legacy** Peter Kenez, 2016-10-24 This concise yet comprehensive textbook examines political social and cultural developments in the Soviet Union and the post Soviet period It begins by identifying the social tensions and political inconsistencies that spurred radical change in Russia's government from the turn of the century to the revolution of 1917 Peter Kenez presents this revolution as a crisis of authority that the creation of the Soviet Union resolved The text traces the progress of the Soviet Union through the 1920s the years of the New Economic Policies and into the Stalinist order It illustrates how post Stalin Soviet leaders struggled to find ways to rule the country without using Stalin's methods but also without openly repudiating the past and to negotiate a peaceful but antipathetic coexistence with the capitalist West This updated third edition includes substantial new material discussing the challenges Russia currently faces in the era of Putin

**The Rise and Fall of the Soviet Union** Martin McCauley, 2014-01-14 An expert in probing mafia type relationships in present day Russia Martin McCauley here offers a vigorously written scrutiny of Soviet politics and society since the days of Lenin and Stalin John Keep Professor Emeritus University of Toronto The birth of the Soviet Union surprised many its demise amazed the whole world How did imperial Russia give way to the Soviet Union in 1917 and why did the USSR collapse so quickly in 1991 Marxism promised paradise on earth but the Communist Party never had true power instead allowing Lenin and Stalin to become dictators who ruled in its name The failure of the planned economy to live up to expectations led to a boom in the unplanned economy in particular the black market In turn this led to the growth of organised crime and corruption within the government The Rise and Fall of the Soviet Union examines the strengths weaknesses and contradictions of the first Marxist state and reassesses the role of power authority and legitimacy in Soviet politics Including first person accounts anecdotes illustrations and diagrams to illustrate key concepts McCauley provides a seminal history of twentieth century Russia

**Brezhnev and the Decline of the Soviet Union** Thomas Crump, 2013-11-07 Leonid Brezhnev was leader of the Soviet Union from 1964 1982 a longer period than any other Soviet leader apart from Stalin During Brezhnev's time Soviet power seemed at its height and increasing Living standards were rising the Soviet Union was a nuclear power and successful in its space missions and the Soviet Union's influence reached into all part of the world Yet as this book which provides a comprehensive overview and reassessment of Brezhnev's life early political career and career as leader shows the seeds of decline were sown in Brezhnev's time There was a huge over commitment of resources to the Soviet industrial military complex and to massively expensive foreign policy overstretch At the same time there was a failure to deliver on citizens rising expectations and an overconfident ignoring of dissidents and their demands The book will be of great interest to Russian specialists and also to scholars of international relations and world history

**Russian History**

Geoffrey Hosking, 2012-03-29 Spanning the divide between Europe and Asia Russia is a multi ethnic empire with a huge territory strategically placed and abundantly provided with natural resources But Russia's territory has a harsh climate is cut off from most maritime contact with the outside world and has open and vulnerable land frontiers It has therefore had to devote much of its wealth to the armed forces and the sheer size of the empire has made it difficult to mobilise resources and to govern effectively especially given the diversity of its people In this Very Short Introduction Geoffrey Hosking discusses all aspects of Russian history from the struggle by the state to control society the transformation of the empire into a multi ethnic empire Russia's relationship with the West Europe the Soviet experience and the post Soviet era **ABOUT THE SERIES** The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable [Russia's Bitter Path to Modernity](#) Alexander Chubarov, 2001-01-01 Will it follow the model of the Western capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on tsarist Russia The Fragile Empire One of the key factors to Russia's distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia's Soviet development within Russia's own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist and Soviet Russia with the latter often repeating the former's mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states [Russia, Ukraine, and the Breakup of the Soviet Union](#) Roman Szporluk, 2020-02-24 This book chronicles the final two decades in the history of the Soviet Union and presents a story that is often lost in the standard interpretations of the collapse of communism in Eastern Europe and the USSR Although there were numerous reasons for the collapse of communism it did not happen as it may have seemed to some overnight Indeed says Roman Szporluk the root causes go back even earlier than 1917 To understand why the USSR broke up the way it did it is necessary to understand the relationship between the two most important nations of the USSR Russia and Ukraine during the Soviet period and before as well as the parallel but interrelated processes of nation formation in both states Szporluk details a number of often overlooked factors leading to the USSR's fall how the processes of Russian identity formation were not completed by the time of the communist takeover in 1917 the unification of Ukraine in

1939 1945 and the Soviet period failing to find a resolution of the question of Russian Ukrainian relations The present day conflict in the Caucasus he asserts is a sign that the problems of Russian identity remain

**A History of Twentieth-century Russia** Robert Service, 1915 A professor of Russian history offers a fresh and lively survey of the Soviet experience from the rise of communism in 1917 to the aftermath of its collapse in 1991 5 maps 7 cartoons [A History of the Soviet Union from the Beginning to the End](#) Peter Kenez, 2006-05-01 An examination of political social and cultural developments in the Soviet Union The book identifies the social tensions and political inconsistencies that spurred radical change in the government of Russia from the turn of the century to the revolution of 1917 Kenez envisions that revolution as a crisis of authority that posed the question Who shall govern Russia This question was resolved with the creation of the Soviet Union Kenez traces the development of the Soviet Union from the Revolution through the 1920s the years of the New Economic Policies and into the Stalinist order He shows how post Stalin Soviet leaders struggled to find ways to rule the country without using Stalin s methods but also without openly repudiating the past and to negotiate a peaceful but antipathetic coexistence with the capitalist West In this second edition he also examines the post Soviet period tracing Russia s development up to the time of publication

**The Russian Empire 1450-1801** Nancy Shields Kollmann, 2017 Modern Russian identity and historical experience has been largely shaped by Russia s imperial past an empire that was founded in the early modern era and endures in large part today The Russian Empire 1450 1801 surveys how the areas that made up the empire were conquered and how they were governed It considers the Russian empire a Eurasian empire characterized by a politics of difference the rulers and their elites at the center defined the state s needs minimally with control over defense criminal law taxation and mobilization of resources and otherwise tolerated local religions languages cultures elites and institutions The center related to communities and religions vertically according each a modicum of rights and autonomies but didn t allow horizontal connections across nobilities townsmen or other groups potentially with common interests to coalesce Thus the Russian empire was multi ethnic and multi religious Nancy Kollmann gives detailed attention to the major ethnic and religious groups and surveys the government s strategies of governance centralized bureaucracy military reform and a changed judicial system The volume pays particular attention to the dissemination of a supranational ideology of political legitimacy in a variety of media written sources and primarily public ritual painting and particularly architecture Beginning with foundational features such as geography climate demography and geopolitical situation The Russian Empire 1450 1801 explores the empire s primarily agrarian economy serfdom towns and trade as well as the many religious groups primarily Orthodoxy Islam and Buddhism It tracks the emergence of an Imperial nobility and a national self consciousness that was by the end of the eighteenth century distinctly imperial embracing the diversity of the empire s many peoples and cultures

**The Formation of the Soviet Union** Richard Pipes, 1964 Here is the history of the disintegration of the Russian Empire and the emergence of a multinational Communist state Pipes tells how the Communists exploited the new nationalism

of the peoples of the Ukraine Belorussia the Caucasus Central Asia and the Volga Ural area first to seize power and then to expand into the borderlands

The Future Is History (National Book Award Winner) Masha Gessen, 2017-10-03 WINNER OF THE 2017 NATIONAL BOOK AWARD IN NONFICTION FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARDS WINNER OF THE NEW YORK PUBLIC LIBRARY S HELEN BERNSTEIN BOOK AWARD NAMED A BEST BOOK OF 2017 BY THE NEW YORK TIMES BOOK REVIEW LOS ANGELES TIMES WASHINGTON POST BOSTON GLOBE SEATTLE TIMES CHRISTIAN SCIENCE MONITOR NEWSWEEK PASTE and POP SUGAR The essential journalist and bestselling biographer of Vladimir Putin reveals how in the space of a generation Russia surrendered to a more virulent and invincible new strain of autocracy Award winning journalist Masha Gessen's understanding of the events and forces that have wracked Russia in recent times is unparalleled In The Future Is History Gessen follows the lives of four people born at what promised to be the dawn of democracy Each of them came of age with unprecedented expectations some as the children and grandchildren of the very architects of the new Russia each with newfound aspirations of their own as entrepreneurs activists thinkers and writers sexual and social beings Gessen charts their paths against the machinations of the regime that would crush them all and against the war it waged on understanding itself which ensured the unobstructed reemergence of the old Soviet order in the form of today's terrifying and seemingly unstoppable mafia state Powerful and urgent The Future Is History is a cautionary tale for our time and for all time

The Development of Capitalism in Russia Vladimir I. Lenin, 2004 CONTENTS The Development of Capitalism in Russia The Theoretical Mistakes of the Narodnik Economists The Differentiation of the Peasantry The Landowners Transition from Corvée to Capitalist Economy The Growth of Commercial Agriculture The First Stages of Capitalism in Industry Capitalist Manufacture and Capitalist Domestic Industry The Development of Large Scale Machine Industry The Formation of the Home Market

Red Star Over Russia David King, 2009 Red Star Over Russia is a visual history of the Soviet Union from 1917 to the death of Stalin Its urgent cinema verité style plunges the reader into the centre of the shattering events that brought hope chaos heroism and horror to the citizens of the world's first workers state Revolutionary upheaval turns into Civil War and famine Stalin's Great Terror of the 1930s is followed by the brutal onslaught of Nazi invasion The story ends with the intrigue surrounding the dictator's gruesome death in 1953 More than 550 posters photographs and graphics are reproduced to the highest quality accompanied by insightful and informative texts Many of these images are being reproduced here for the first time Zooming in from the epic to the particular the author rescues many lost heroes and villains from obscurity through the work of the most brilliant Soviet designers artists and photographers of the twentieth century Book Jacket

**A History of Russia: Kievan Russia** George Vernadsky, Michael Karpovich, 1943 Half title each volume has special t p Includes bibliographies v 1 Ancient Russia by George Vernadsky v 2 Kievan Russia v 3 The Mongols and Russia by George Vernadsky v 4 Russia at the dawn of the modern age by George Vernadsky

## Russia A History Of The Soviet Period Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia A History Of The Soviet Period has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia A History Of The Soviet Period has opened up a world of possibilities. Downloading Russia A History Of The Soviet Period provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia A History Of The Soviet Period has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia A History Of The Soviet Period. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia A History Of The Soviet Period. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia A History Of The Soviet Period, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Russia A History Of The Soviet Period has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Russia A History Of The Soviet Period Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia A History Of The Soviet Period is one of the best book in our library for free trial. We provide copy of Russia A History Of The Soviet Period in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia A History Of The Soviet Period. Where to download Russia A History Of The Soviet Period online for free? Are you looking for Russia A History Of The Soviet Period PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russia A History Of The Soviet Period. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russia A History Of The Soviet Period are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites

catered to different product types or categories, brands or niches related with Russia A History Of The Soviet Period. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russia A History Of The Soviet Period To get started finding Russia A History Of The Soviet Period, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russia A History Of The Soviet Period So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russia A History Of The Soviet Period. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russia A History Of The Soviet Period, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russia A History Of The Soviet Period is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Russia A History Of The Soviet Period is universally compatible with any devices to read.
