Russia A Short History 2e:

Russia Abraham Ascher, 2017-09-07 Distinguished Professor Abraham Ascher offers an impressive blend of engaging narrative and fresh analysis in this perennially popular introduction to Russia Newly updated on the 100th anniversary of the Bolshevik Revolution **Russia A Short History** begins with the origins of the first Slavic state and continues to the present day tensions between Russia and its neighbours the rise of Vladimir Putin and the increasingly complex relationship with the United States

Russian History Geoffrey Hosking, 2012-03-29 Spanning the divide between Europe and Asia Russia is a multi ethnic empire with a huge territory strategically placed and abundantly provided with natural resources But Russia's territory has a harsh climate is cut off from most maritime contact with the outside world and has open and vulnerable land frontiers It has therefore had to devote much of its wealth to the armed forces and the sheer size of the empire has made it difficult to mobilise resources and to govern effectively especially given the diversity of its people In this Very Short Introduction Geoffrey Hosking discusses all aspects of Russian history from the struggle by the state to control society the transformation of the empire into a multi ethnic empire Russia's relationship with the West Europe the Soviet experience and the post Soviet era ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Catherine the Great Isabel de Madariaga, 1991-01-01 There is no shortage of biographies of Catherine the Great of varying quality and degrees of sensationalism But there exists no brief account of her reign that incorporates the extensive research findings of the last twenty years and presents them accessibly accurately and concisely to the student and the general reader Following her magisterial *Russia in the Age of Catherine the Great* Isabel de Madariaga has written the most informative balanced and up to date short study of this spectacular period in Russian history De Madariaga establishes an authoritative account of the events of Catherine's life disentangling the myth from the verifiable reality But her principal aim is to provide an account of the achievements of the thirty four year reign Well read and intelligent Catherine presided over a fundamental reorganization of central and local government of financial administration of law and of literary and cultural life De Madariaga tracks the changes and explains the reforms placing them in the context of eighteenth century Europe and the ideas of the Enlightenment and of the French Revolution Chapters on the wars against the Turkish empire the annexation of the Crimea in 1783 and the partition of Poland demonstrate Catherine's part in building Russia into a formidable European power The text is distinguished throughout by the attention paid to historical controversies over the interpretation of Catherine's policies and to the historiography on the period in general Praised by French writers of her day and attacked by later historians for her neglect of the welfare of the serfs Catherine's achievements are now measured against the difficulties she met The book points to the problems Catherine faced the human and material resources on which

she could draw and the intellectual climate in which she operated De Madariaga considers past and present assessments of Catherine and consolidates balanced judgments profound understanding and exhaustive research into a highly assimilable form Russia and Germany Walter Ze'ev Laqueur, Russia, the Soviet Union, and the United States: an interpretive history John Lewis Gaddis, 1978 Italy Harry Hearder, Jonathan Morris, 2001-12-13 Italy A Short History is a concise but comprehensive account of Italian history from the Ice Age to the present day It is intended for both students of Italian history and culture and the general reader whether tourist business person or traveller with an interest in Italian affairs Harry Hearder places the main political developments in Italian history in their economic and social context and shows how these related to the great moments of artistic and cultural endeavour Amongst key events he analyses the growth and decline of the Roman Empire the remarkable cultural achievements of the Renaissance Italian unification and the contradictions of the fascist dictatorship of Mussolini Jonathan Morris brings the work up to the present day with an authoritative but colourful history of the corruption scandals that brought down the post war Italian political system in the 1990s and the new political forces that have emerged in its place *The History of Russia* Charles E. Ziegler, 1999-11-30 Discusses the political and economic aspects of each period as well as the social and cultural milieu and includes a timeline brief biographical notes on key players and a bibliographic essay **A Short History of English Literature. 2nd Edition**, A Short History of Film, Third Edition Wheeler Winston Dixon, Gwendolyn Audrey Foster, 2018-03-30 With more than 250 images new information on international cinema especially Polish Chinese Russian Canadian and Iranian filmmakers an expanded section on African American filmmakers updated discussions of new works by major American directors and a new section on the rise of comic book movies and computer generated special effects this is the most up to date resource for film history courses in the twenty first century **World War II** Evan Mawdsley, 2020-04-30 The World in 1937 Japan and China 1937 1940 Hitler's Border Wars 1938 1939 Germany Re-fights World War I 1939 fights World War I 1939 1940 Wars of Ideology 1941 1942 The Red Army versus the Wehrmacht 1942 1944 Japan's Lunge for Empire 1941 1942 Defending the Perimeter Japan 1942 1944 The World Ocean and Allied Victory 1939 1945 The European Periphery 1940 1944 Wearing down Germany 1942 1944 Victory in Europe 1944 1945 End and Beginning in Asia 1945 Conclusion **A Brief History of Russia** Michael Kort, 2008 Serves as a guide to the history and culture of Russia This book details the social economic and political changes and crises that the people of Russia have had to endure It includes a chronology bibliography and suggested readings It also covers the conquest and rule of Russia by the Mongol Golden Horde as well as the reign of terror **A Short History of the Russian Revolution** Geoffrey Swain, 2022-02-24 The 1917 Revolution sent shockwaves throughout the globe setting a chain of events in motion that would change the entire course of the 20th century With the overthrow of the Romanov Dynasty Russia was plunged into the political unknown and from the crucible of social unrest ideological conflict and violent civil war the world's first communist state was forged In this revised edition Geoffrey Swain provides an incisive overview of one of the most

complex and turbulent periods in modern history tracing key moments from the abdication of Tsar Nicolas II to the Bolshevik seizure of power A leading authority on Russia and Eastern Europe Geoffrey Swain highlights the important legacies of 1905 demonstrating how early revolutionary ambitions among the masses culminated in the events of 1917 Challenging conventions in Soviet scholarship this revised edition shows that the Bolshevik concepts of discipline and ideology that had mobilised the revolution set an unnecessary course towards dictatorship and terror Covering new historiography in the field this revised edition places a renewed emphasis on the social and cultural upheaval experienced in Russia amid the nation's political turmoil

The Making of a Tropical Disease Randall M. Packard, 2021-07-13 A global history of malaria that traces the natural and social forces that have shaped its spread and made it deadly while limiting efforts to eliminate it Malaria sickens hundreds of millions of people and kills nearly a half a million each year Despite massive efforts to eradicate the disease it remains a major public health problem in poorer tropical regions But malaria has not always been concentrated in tropical areas How did malaria disappear from other regions and why does it persist in the tropics From Russia to Bengal to Palm Beach Randall M Packard's far ranging narrative shows how the history of malaria has been driven by the interplay of social biological economic and environmental forces The shifting alignment of these forces has largely determined the social and geographical distribution of the disease including its initial global expansion its subsequent retreat to the tropics and its current persistence Packard argues that efforts to control and eliminate malaria have often ignored this reality relying on the use of biotechnologies to fight the disease Failure to address the forces driving malaria transmission have undermined past control efforts Describing major changes in both the epidemiology of malaria and efforts to control the disease the revised edition of this acclaimed history which was chosen as the 2008 End Malaria Awards Book of the Year in its original printing examines recent efforts to eradicate malaria following massive increases in funding and political commitment discusses the development of new malaria fighting biotechnologies including long lasting insecticide treated nets rapid diagnostic tests combination artemisinin therapies and genetically modified mosquitoes explores the efficacy of newly developed vaccines and explains why eliminating malaria will also require addressing the social forces that drive the disease and building health infrastructures that can identify and treat the last cases of malaria Authoritative fascinating and eye opening this short history of malaria concludes with policy recommendations for improving control strategies and saving lives

In the digital age, access to information has become easier than ever before. The ability to download Russia A Short History 2e has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia A Short History 2e has opened up a world of possibilities. Downloading Russia A Short History 2e provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia A Short History 2e has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia A Short History 2e. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia A Short History 2e. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia A Short History 2e, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia A Short History 2e has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
