Women in Nineteenth-Century Russia Wendy Rosslyn, Alessandra Tosi, 2012 This collection of essays examines the lives of women across Russia from wealthy noblewomen in St Petersburg to desperately poor peasants in Siberia discussing their interaction with the Church and the law and their rich contribution to music art literature and theatre It shows how women struggled for greater autonomy and both individually and collectively developed a dynamic presence in Russia s culture and society Publisher s description

Women's History in Russia Marianna Muravyeva, Natalia Novikova, 2014-11-19 This collection of essays all by Russian scholars is the first of its kind to address a broad English speaking audience It presents the theories and methodologies employed by Russian national historiography to make sense of Russian gender and women s history The essays in this volume discuss women s and gender history in Russia highlighting sensitive areas in the Russian academic community and in Russian society in general The book appears in the context of an intense backlash against t

Russia--women--culture Helena Goscilo, Beth Holmgren, 1996 This volume examines areas of cultural production that have offered Russian women new freedoms and have opened commercial and artistic possibilities to them since the 19th century Key aspects of Russian culture that have been systematically ignored are foregrounded here Russian women s development of popular culture and their ingenious reinventions of high literature The essays analyze women s creativity of every type their products performances and collaborative exchanges in sites that range from the bath house to the ballroom Contributors are Nadezhda Azhgikhina Lina Bernstein Nancy Condee Darra Goldstein Helena Goscilo Gitta Hammarberg Alison Hilton Beth Holmgren Mary B Kelly Louise McReynolds Nadya L Peterson Stephanie Sandler and Olga Vainshtein

Women in Contemporary Russia Vitalina Koval, 1995 The position of Russia has always been difficult

In spite of the Revolution in 1917 the legal economic social and political inequalities between men and women have remained severe For more than seventy years the official propaganda of the Soviet system deliberately concealed from the public in the West as well as the East the actual position of women presenting it in rose colored hues and proclaiming that under socialism the issue of the position of women in society had been resolved once and for all However the opposite was true women increasingly suffered from overt and covert discrimination In fact the discrepancy between the official and actual positioning of working women became so acute that it led to serious social problems The democratic reforms of the mid 1980s brought some positive changes at last for the first time the women s issue was recognized as an urgent socio political problem requiring serious investigation and practical measures The authors of this collection of original essays most of whom are social scientists at the Moscow Academy of Science examine those aspects of life of women in Russia today which are most pressing not least those arising from the multi ethnic composition of the Russian Federation that comprises more than one hundred different nationalities and in which women constitute fifty three per cent of the population Mother Russia Joanna Hubbs,1988 **Consuming Russia** Adele Marie Barker,1999 A timely study of the new Russia at the end of the twentieth century Culture and Entertainment in Wartime Russia Richard Stites,1995-05-22 This lively and often moving collection of essays is an important contribution to Western scholarship on Soviet society and culture during the Second World War a straightforward but lively description of cultural life unhampered by excessive interpretation or cultural theory For all those who love Russia s cultural heritage these essays cast a welcome spotlight on some of the people and pockets of life from that tragic but compelling time Canadian Slavonic Papers Enjoyable to read and accessible to the nonspecialist Culture and Entertainment is not only an indispensable addition to any Soviet studies library but will prove valuable to anyone interested in or teaching courses on World War II propaganda and popular culture homefront politics or the interaction between cultural creation and governmental power Journal of Modern History This comprehensive recollection of articles goes beyond cultural history and provides an original approach to the study of war War we learn is fought on many fronts and the cultural one should not be underestimated SAIS Review takes the reader to the heart of the patriotic struggle to the cultural and spiritual imperatives that roused Russian resistance Canadian Military History This collection furthers knowledge of Soviet high and popular culture and also demonstrates the extremely important role that cultural productions played in helping to maintain Soviet spirits in the midst of the Nazi onslaught Choice This anthology of scholarly articles provides surprising insights into Soviet cultural propaganda during the Great Patriotic War War Literature and the Arts the essays here provide much food for thought and constitute a valuable addition to a relatively neglected area of study The Slavonic Review World War II The Great Patriotic War had a pronounced cultural and emotional impact on the Russian people The subjects of these essays range from the Moscow press to frontline correspondents from entertainment brigades to amateur songs by fighting men and women from symphonic compositions to revivals of literary classics and from Moscow

stages to folk ensembles on the battlefield the cultural outpourings in the hearts and souls of ordinary Russians at war

Queer in Russia Laurie Essig,1999 After a decade of conducting interviews as well as observing and analyzing plays books pop music and graffiti Essig presents the first sustained study of how and why there was no Soviet gay community or even gay identity before perestroika 9 photos Resilient Russian Women in the 1920s & 1930s Marcelline Hutton,2015-07 The stories of Russian educated women peasants prisoners workers wives and mothers of the 1920s and 1930s show how work marriage family religion and even patriotism helped sustain them during harsh times The Russian Revolution launched an economic and social upheaval that released peasant women from the control of traditional extended families It promised urban women equality and created opportunities for employment and higher education Yet the revolution did little to eliminate Russian patriarchal culture which continued to undermine women's social sexual economic and political conditions Divorce and abortion became more widespread but birth control remained limited and sexual liberation meant greater freedom for men than for women The transformations that women needed to gain true equality were postponed by the poverty of the new state and the political agendas of leaders like Lenin Trotsky and Stalin Between God and Tsar Isolde Thyret,Isolde Thyr t,2001 Challenging traditional interpretations of the roles of royal women in patriarchal Muscovite society Between God and Tsar opens a new approach to understanding medieval Russia Drawing upon a wide range of sources in anthropology sociology art history and literature it sheds light on the lives of the tsaritsy about which little has been known and on the culture surrounding them This pioneering study demonstrates that the wives of the early tsars played complex roles in government especially during times of crisis and shows how religious culture perpetuated the expressions of their legitimacy as female rulers Muscovite Russia's values were sanctioned by religion and it is through religious images that the royal women's claims to rulership can be seen most clearly Thyret explores Orthodox iconography such as that of the Golden Palace of the Tsaritsy which proclaims Irina Godunova's right to act as an independent ruler and shows how the Muscovite court used gendered images to reveal the spiritual power of female rulers Myths and legends adapted from one generation to another also underscore royal wives' claim to authority based on their great spiritual power Illuminating medieval Russia's art literature and culture Between God and Tsar opens new ways to understand the tsaritsy Students of Russian history have often wondered how and why under the Romanovs female rulers governed so often Thyret's broadly researched study provides an answer Between God and Tsar offers stimulating insights into the power of Russia's royal women and how it was manifest in Muscovite culture **Russia in the Era of NEP** Sheila Fitzpatrick,Alexander Rabinowitch,Richard Stites,1991-09-22 a comprehensive look at an enigmatic era Choice This provocative collection of essays certainly takes some of the polish off Soviet socialism's golden age Journal of Interdisciplinary History The authors and editors of this splendid volume deserve great praise Their work moves the field of Soviet history several large steps forward Slavic Review Lenin's New Economic Policy of the 1920s although a relatively free and open potential alternative to Soviet communism was also a

time of extreme tension as Russian society and culture were rocked by the forces of resistance and change These essays examine the social and cultural dimensions of NEP in urban and rural Russia in the years before Stalin and rapid industrialization

Gender, Geography, and Punishment Judith Pallot, Laura Piacentini, Dominique Moran, 2012-10-04 This book is the first of its kind that brings together human geography and the sociology of punishment to explore the relationship between distance and the punishment in contemporary Russia Using established penological and geographical theories the book presents in depth empirical research to show how the experiences of women prisoners are shaped by the distances that the Russian penal service sends prisoners to serve their sentences Its most eye catching feature is its use of interviews conducted by the authors and their research team with adult and juvenile women prisoners ex prisoners and prison officers in penal facilities in different regions of the Russian Federation between 2006 and 2010 It includes discussion of the impact of Russia s distinctive penal geography on prisoners family relationships how women prisoners sense of place and gender identities are shaped and re shaped on their journey from pre trial facility to correction colony to release and the social hierarchies relationships and practices that characterise Russia s penal institutions for women The authors are both experienced researchers in Russia The book brings together their complementary disciplinary expertise in the development of the concept of coerced mobilization to explore Russia s punishment culture The book argues that Russia s inherited geography of penalty combined with traditional ideas about women s role that shape the penal service s management of women prisoners add to their pains of imprisonment Crucially the authors show how these factors are constraining the Russian penal service s ability to implement successive reforms aimed at humanizing Russia s notoriously tough prisons Russian imprisonment as it relates to women is they believe an area of significant concern for lawmakers in that country as well as to human rights campaigners geographers interested in space and power and scholars studying the post Soviet system

Reading Russian Fortunes Faith Wigzell, 1998-05-28 Reading Russian Fortunes examines the huge popularity and cultural impact of fortune telling among urban and literate Russians from the eighteenth century to the present Based partly on a study of the numerous editions of little fortune telling books especially those devoted to dream interpretation it documents and analyses the social history of fortune telling in terms of class and gender at the same time considering the function of both amateur and professional fortune telling in a literate modernizing society Chapters are devoted to professional fortune tellers and their clients and to the publishers of the books An analysis of the relationship between urban fortune telling and traditional oral culture where divination played a very significant role leads on to a discussion of the underlying reasons for the persistence of fortune telling in modern Russian society

The Palgrave Handbook of Women and Gender in Twentieth-Century Russia and the Soviet Union Melanie Ilic, 2017-11-30 This handbook brings together recent and emerging research in the broad areas of women and gender studies focusing on pre revolutionary Russia the Soviet Union and the post Soviet Russian Federation For the Soviet period in particular individual chapters extend the geographic

coverage of the book beyond Russia itself to examine women and gender relations in the Soviet East Tatarstan Central Asia Kazakhstan Tajikistan and Uzbekistan and the Baltic States Estonia Latvia and Lithuania Within the boundaries of the Russian Federation the scope moves beyond the typically studied urban centres of Moscow and St Petersburg to examine the regions Krasnodar Novosibirsk rural societies and village life Its chapters examine the construction of gender identities and shifts in gender roles during the twentieth century as well as the changing status and roles of women vis a vis men in Soviet political institutions the workplace and society more generally This volume draws on a broad range of disciplinary and methodological approaches currently being employed in the academic field of Russian studies The origins of the individual contributions can be identified in a range of conventional subject disciplines history literature sociology political science cultural studies but the chapters also adopt a cross and inter disciplinary approach to the topic of study This handbook therefore builds on and extends the foundations of Russian women s and gender studies as it has emerged and developed in recent decades and demonstrate the international indeed global reach of such research

American Girls in Red Russia
Julia L. Mickenberg, 2017-04-25 If you were an independent adventurous liberated American woman in the 1920s or 1930s where might you have sought escape from the constraints and compromises of bourgeois living Paris and the Left Bank quickly come to mind But would you have ever thought of Russia and the wilds of Siberia This choice was not as unusual as it seems now As Julia L Mickenberg uncovers in *American Girls in Red Russia* there is a forgotten counterpoint to the story of the Lost Generation beginning in the late nineteenth century Russian revolutionary ideology attracted many women including suffragists reformers educators journalists and artists as well as curious travelers Some were famous like Isadora Duncan or Lillian Hellman some were committed radicals though more were just intrigued by the Soviet experiment But all came to Russia in search of social arrangements that would be more equitable just and satisfying And most in the end were disillusioned some by the mundane realities others by horrifying truths Mickenberg reveals the complex motives that drew American women to Russia as they sought models for a revolutionary new era in which women would be not merely independent of men but also equal builders of a new society Soviet women after all earned the right to vote in 1917 and they also had abortion rights property rights the right to divorce maternity benefits and state supported childcare Even women from Soviet national minorities many recently unveiled became public figures as African American and Jewish women noted Yet as Mickenberg s collective biography shows Russia turned out to be as much a grim commune as a utopia of freedom replete with economic social and sexual inequities *American Girls in Red Russia* recounts the experiences of women who saved starving children from the Russian famine worked on rural communes in Siberia wrote for Moscow or New York newspapers or performed on Soviet stages Mickenberg finally tells these forgotten stories full of hope and grave disappointments

The Women's Revolution Judy Cox, 2019-06-25 The dominant view of the Russian Revolution of 1917 is of a movement led by prominent men like Vladimir Lenin and Leon Trotsky Despite the demonstrations of female workers for

bread and herrings which sparked the February Revolution in most historical accounts of this momentous period women are too often relegated to the footnotes Judy Cox argues that women were essential to the success of the revolution and to the development of the Bolshevik Party With biographical sketches of famous female revolutionaries like Alexandra Kollontai and less well known figures like Elena Stasova and Larissa Reisner *The Women's Revolution* tells the inspiring story of how Russian women threw off centuries of oppression to strike organize liberate themselves and ultimately try to build a new world based on equality and freedom for all

Women with a Thirst for Destruction Jenny Kaminer, 2015-05 In Russian culture the archetypal mother is noble and self sacrificing In *Women with a Thirst for Destruction* however Jenny Kaminer shows how this image is destabilized during periods of dramatic rupture in Russian society examining in detail the aftermath of three key moments in the country's history the emancipation of the serfs in 1861 the Russian Revolution of 1917 and the fall of the Communist regime in 1991

Gender, Generation and Identity in Contemporary Russia Hilary Pilkington, 2002-09-11 This book explores the lives and expectations of young women in the new Russia looking at the enormous changes that the new social and economic environment have brought The authors draw on the growing literature on gender and generation in the West which has arisen as a result of the recognition that the experience of youth is classed raced and gendered and that the experience of gender is mediated by class race ethnicity sexuality and age They consider the role of the media state and social institutions in shaping opportunities and experiences in the post Soviet environment focusing on the strategies employed by individual women to reforge social identities in a society in which they have been dislocated more acutely than in any other postmodern society

Russia Women Culture Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia Women Culture has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia Women Culture has opened up a world of possibilities. Downloading Russia Women Culture provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia Women Culture has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia Women Culture. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia Women Culture. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia Women Culture, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia Women Culture has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russia Women Culture Books

What is a Russia Women Culture PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russia Women Culture PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russia Women Culture PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russia Women Culture PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russia Women Culture PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
