

# Crossing the Rubicon

The phrase "crossing the Rubicon" is an idiom that means "passing a point of no return". Its meaning comes from allusion to the crossing of the river Rubicon by Julius Caesar in early January 49 BC.

# Rubian Phrase

**Melissa E. Sanchez**

## Rubian Phrase:

*An American Pioneer of Chinese Studies in Cross-Cultural Perspective* Man Shun Yeung, 2021-10-05 Benjamin Bowen Carter 1771 1831 one of the first Americans to speak and read Chinese studied Chinese in Canton and advocated its use in diplomacy decades before America established a formal relationship with China Drawing on rediscovered manuscripts this book reconstructs Carter's multilingual learning experience reveals how he helped translate a diplomatic document into Chinese describes his interactions with European sinologists and traces his attempts to convince the US government and American academics of the practical and cultural value of Chinese studies The cross cultural perspective employed in this book emphasizes the reciprocal dynamics of Carter's relationships with Chinese and European others while Carter's story itself forces a rewriting of the earliest years of US China relations **Flesh and Word** Sarah Künzler, 2016-08-22 Bodies and their role in cultural discourse have been a constant focus in the humanities and social sciences in recent years but comparatively few studies exist about Old Norse Icelandic or early Irish literature This study aims to redress this imbalance and presents carefully contextualised close readings of medieval texts The chapters focus on the role of bodies in mediality discourse in various contexts that of identity in relation to ideas about self and other of inscribed and marked skin and of natural bodily matters such as defecation urination and menstruation By carefully discussing the sources in their cultural contexts it becomes apparent that medieval Scandinavian and early Irish texts present their very own ideas about bodies and their role in structuring the narrated worlds of the texts The study presents one of the first systematic examinations of bodies in these two literary traditions in terms of body criticism and emphasises the ingenuity and complexity of medieval texts

**Writing the South** Richard Gray, Richard J. Gray, 1997 In this major reconsideration of a regional consciousness Richard Gray explores how generations of southerners have been engaged in writing the South in reinventing their place even as they describe it Humane and learned informative and analytical WRITING THE SOUTH is a most impressive addition to cultural inquiry THE LISTENER 12 photos **The Law Reports of the Incorporated Council of Law Reporting** Great Britain. Parliament. House of Lords, 1927 *Queer Faith* Melissa E. Sanchez, 2019-08-20 Honorable Mention 2020 Aldo and Jeanne Scaglione Prize given by the Modern Language Association Uncovers the queer logics of premodern religious and secular texts Putting premodern theology and poetry in dialogue with contemporary theory and politics Queer Faith reassess the commonplace view that a modern veneration of sexual monogamy and fidelity finds its roots in Protestant thought What if this narrative of history and tradition suppresses the queerness of its own foundational texts Queer Faith examines key works of the prehistory of monogamy from Paul to Luther Petrarch to Shakespeare to show that writing assumed to promote fidelity in fact articulates the affordances of promiscuity both in its sexual sense and in its larger designation of all that is impure and disorderly At the same time Melissa E Sanchez resists casting promiscuity as the ethical queer alternative to monogamy tracing instead how ideals of sexual liberation are themselves attached to nascent racial and economic hierarchies Because

discourses of fidelity and freedom are also discourses on racial and sexual positionality excavating the complex historical entanglement of faith race and eroticism is urgent to contemporary queer debates about normativity agency and relationality Deliberately unfaithful to disciplinary norms and national boundaries this book assembles new conceptual frameworks at the juncture of secular and religious thought political and aesthetic form It thereby enlarges the contexts objects and authorized genealogies of queer scholarship Retracing a history that did not have to be Sanchez recovers writing that inscribes radical queer insights at the premodern foundations of conservative and heteronormative culture *Feminism And Philosophy* Nancy Tuana,2018-02-06 The past twenty years have seen an explosion of work by feminist philosophers and several surveys of this work have documented the richness of the many different ways of doing feminist philosophy But this major new anthology is the first broad and inclusive selection of the most important work in this field There are many unanswered questions about the future of feminist philosophy Which of the many varieties of feminist philosophy will last and which will fade away What kinds of accommodations will be possible with mainstream non feminist philosophy Which will separate themselves and flourish on their own To what extent will feminists change the topics philosophers address To what extent will they change the very way in which philosophy is done However these questions are answered it is clear that feminist philosophy is having and will continue to have a major impact on the discipline of philosophy This volume is the first to allow the scholar the student and other interested readers to sample this diverse literature and to ponder these questions for themselves Organized around nine traditional types of feminist philosophy *Feminism and Philosophy* is an imaginatively edited volume that will stimulate readers to explore many new pathways of understanding It marks a defining moment in feminist philosophy and it will be an essential text for philosophers and for feminist theorists in many other fields

**Rereading William Styron** Gavin Cologne-Brookes,2014-01-13 The first critical study of William Styron since his death in 2006 Rereading William Styron offers an eloquent reflection on the writer s works world and character Bringing an innovative approach to literary criticism Gavin Cologne Brookes combines personal anecdote scholarly research travel writing and primary material to provide fresh perspectives on Styron s achievements For Cologne Brookes rereading unfolds in two ways through close analysis of texts and through remembrance He begins with reminiscences about the man behind the books and then giving due consideration to Styron s stories incidental writings and posthumous publications interprets anew all his significant work from the nonfiction including his acclaimed memoir of depression *Darkness Visible* to the novels *Lie Down in Darkness* *Set This House on Fire* *The Confessions of Nat Turner* and *Sophie s Choice* Defining the relevance of Styron s writing in terms of everyday life Cologne Brookes explores the intricate relationships between an author his work and his readership and between history and fiction and writing and place The book s emphasis on subjectivity and dynamic interaction makes it unique in Styron criticism and a striking contribution to the debate about what it means to study literature *Mary Magdalene and the Drama of Saints* Theresa Coletti,2013-11-15 A sinner saint who embraced then

renounced sexual and worldly pleasures a woman who through her attachment to Jesus embodied both erotic and sacred power a symbol of penance and an exemplar of contemplative and passionate devotion perhaps no figure stood closer to the center of late medieval debates about the sources of spiritual authority and women's contribution to salvation history than did Mary Magdalene and perhaps nowhere in later medieval England was cultural preoccupation with the Magdalene stronger than in fifteenth century East Anglia Looking to East Anglian texts including the N Town Plays The Book of Margery Kempe The Revelations of Julian of Norwich and Bokenham's Legend of Holy Women Theresa Coletti explores how the gendered symbol of Mary Magdalene mediates tensions between masculine and feminine spiritual power institutional and individual modes of religious expression and authorized and unauthorized forms of revelation and sacred speech Using the Digby play Mary Magdalene as her touchstone Coletti engages a wide variety of textual and visual resources to make evident the discursive and material ties of East Anglian dramatic texts and feminine religion to broader traditions of cultural commentary and representation In bringing the disciplinary perspectives of literary history and criticism gender studies and social and religious history to bear on specific local instances of dramatic practice Mary Magdalene and the Drama of Saints highlights the relevance of Middle English dramatic discourse to the dynamic religious climate of late medieval England In doing so the book decisively challenges the marginalization of drama within medieval English studies elucidates vernacular theater's kinship with influential late medieval religious texts and institutions and articulates the changing possibilities for sacred representation in the decades before the Reformation

*Feminism Seduced* Hester Eisenstein, 2015-12-03 In a pioneering reinterpretation of the role of mainstream feminism Eisenstein shows how the ruling elites of developed countries utilize women's labor and the ideas of women's liberation and empowerment to maintain their economic and political power both at home and abroad Her explorations range from the abolition of welfare as we know it and the ending of the family wage in the United States to the creation of export processing zones in the global South that depend on women's nimble fingers and from the championing of microcredit as a path to women's empowerment in the global South to the claim of women's presumed liberation in the West as an ideological weapon in the war on terrorism Eisenstein challenges activists and intellectuals to recognize that international feminism is at a fateful crossroads and argues that it is crucial for feminists to throw in their lot with the progressive forces that are seeking alternatives to globalized corporate capitalism

*Imagining a Medieval English Nation* Kathy Lavezzo, 2004 The first comprehensive analysis of English national identity in the late Middle Ages During the late Middle Ages the increasing expansion of administrative legal and military systems by a central government together with the greater involvement of the commons in national life brought England closer than ever to political nationhood Examining a diverse array of texts ranging from Latin and vernacular historiography to Lollard tracts Ricardian poetry and chivalric treatises this volume reveals the variety of forms England assumed when it was imagined in the medieval West These essays disrupt conventional thinking about the relationship between premodernity and modernity

challenge traditional preconceptions regarding the origins of the nation and complicate theories about the workings of nationalism **Imagining a Medieval English Nation** is not only a collection of new readings of major canonical works by leading medievalists it is among the first book length analyses on the subject and of critical interest **Sovereignty, State Failure and Human Rights** Neil Englehart, 2017-05-08 This book argues that the effectiveness of the state apparatus is one of the crucial variables determining human rights conditions and that state weakness and failure is responsible for much of the human rights abuses we see today Weak states are unable to control their own agents or to police abuses by private actors resulting in less accountability and more abuse By contrast stronger states have greater capacities to protect human rights even strong authoritarian states tend to have better human rights conditions than weak ones The first two chapters of the book develop the theoretical connections between international law sovereignty states and rights and the consequences of state failure for these relationships The empirical chapters Chapters 3 6 test the validity of these theoretical claims employing a multi method approach that combines quantitative and qualitative methods Englehart uses case studies of Afghanistan Burma Myanmar and the Indian state of Bihar to analyze types and patterns of state failure based on analysis of NGO reports archival research primary and secondary texts and interviews and field research Examining what happens to human rights when states fail the book concludes with implications for scholars and activists concerned with human rights This book will be of great use to scholars of international relations comparative politics human rights law and state sovereignty **The Student Phrase Book** Jeanne Godfrey, 2019-12-18 The second edition of this concise phrase book is an essential tool for all students who want to communicate their ideas arguments and evaluations clearly and precisely Featuring over 2 000 words common to most academic disciplines it will help students to expand their vocabulary understand how these words are used and spot mistakes in their own academic writing Units present the words in full sentences enabling users to see exactly how they are used and also include additional information on context connotation and collocations This is an ideal reference guide for students of all disciplines and levels who are required to complete written assignments as part of their course It is also a valuable resource for students looking to fine tune their vocabulary for job searches interviews and writing for professional purposes New to this Edition Now contains practice exercises so readers can test their understanding as they go Refreshed more reader friendly text design **"Unicode". The Universal Telegraphic Phrase-book**, 1889 **Discourses of Sexuality** Domna C. Stanton, 1992 An important and timely book on a subject of enduring interest **A Web of Words** Richard J. Gray, 2007 Helps readers understand how any literary tradition involves an open conversation between its texts a web of words that stretches from the local to the transnational This book charts 3 different intertextual practices involving writings both within and outside the South **Routledge Handbook of Marxian Economics** David M. Brennan, David Kristjanson-Gural, Catherine P. Mulder, Erik K. Olsen, 2017-03-16 Most developed economies are characterized by high levels of inequality and an inability to provide stability or opportunity for many of their

citizens Mainstream economics has proven to be of little assistance in addressing these systemic failures and this has led both scholars and students to seek alternatives One such alternative is provided by Marxian economics In recent decades the field has seen tremendous theoretical development and Marxian perspectives have begun to appear in public discourse in unprecedented ways This handbook contains thirty seven original essays from a wide range of leading international scholars recognized for their expertise in different areas of Marxian economics Its scope is broad ranging from contributions on familiar Marxist concepts such as value theory the labor process accumulation crisis and socialism to others not always associated with the Marxian canon like feminism ecology international migration and epistemology This breadth of coverage reflects the development of Marxian economic and social theory and encompasses both the history and the frontiers of current scholarship This handbook provides an extensive statement of the current shape and future direction of Marxian economics The Routledge Handbook of Marxian Economics is an invaluable resource for students researchers and policy makers seeking guidance in this field It is designed to serve both as a reference work and as a supplementary text for classroom use with applications for courses in economics sociology political science management anthropology development studies philosophy and history Español Contemporáneo George De Mello,1990 This text is designed for use in college 3rd 4th year Spanish language classes Each of the fifteen chapters begins with a brief selection in Spanish from a recent Spanish language publication Following the reading selection a questionnaire based on the content of the reading material channels the student into using vocabulary employed in the reading Three topics are then given suggested by the content of the reading and designed to provoke conversation in class or to serve as themes for compositions The second part of each chapter is a study of language difficulties often encountered by American students at the junior or senior level of Spanish language study Each of these sections is based on a word or phrase appearing in the reading The third section of each chapter is a grammar lesson which presents one of the principal topics of Spanish syntax stressing those points of the topic which continue to be problematical to advanced students Each grammar section consists of a clearly worded explanation of the basic theory underlying the topic under discussion which is further clarified by a large number of example sentences

Gene Technology and Social Acceptance Walter P. von Wartburg, Julian Liew,1999 Communications specialists from large drug companies take genetic engineering as an example of a new technology to explain the issues that rise in society when a new technology emerges They survey the economic legislative environmental social ethical and philosophical responses Primarily they are concerned with how to facilitate social acceptance a process they say all sectors of society must take part in and that must address the fears of all sectors Annotation copyrighted by Book News Inc Portland OR **Statecraft and Stagecraft** Robert Schmuhl,1992-04-30 In this second edition of Statecraft and Stagecraft Robert Schmuhl brings up to date his provocative exploration of the involvement of the media in our public life by including a new chapter on the Persian Gulf War **The Law Times Reports** ,1914
