*Happier at Home* Gretchen Rubin, 2012-09-04. Tolstoy wrote: Happy families are all alike; every unhappy family is unhappy in its own way. This is the statement that inspired bestselling author Gretchen Rubin to wonder whether she could foster an even greater happiness in her home. During The Happiness Project, the same questions kept tugging at her: How can I raise happy children? How can I maintain a tender romantic relationship with my spouse after fifteen years of marriage? How do I keep my BlackBerry from taking over my private life? How can I foster a well-ordered, light-hearted atmosphere in my house when no one else will lift a finger to cooperate? This book is Gretchen's account of her second journey in pursuit of happiness. Prescriptive, easy to follow, and anecdotal, *Happier at Home* offers readers a way of thinking and being that is positive and life-affirming. With specific examples following the calendar year, an intimate voice, and drawing from science and pop culture, this book will resonate with anyone looking to strengthen the bonds of family.
