Tom Holland

Rubicon The Last Years Of The Roman Republic:

Rubicon Tom Holland, 2003 In 49 B C the seven hundred fifth year since the founding of Rome Julius Caesar crossed a small border river called the Rubicon and plunged Rome into cataclysmic civil war Tom Holland's enthralling account tells the story of Caesar's generation witness to the twilight of the Republic and its bloody transformation into an empire From Cicero Spartacus and Brutus to Cleopatra Virgil and Augustus here are some of the most legendary figures in history brought thrillingly to life Combining verve and freshness with scrupulous scholarship Rubicon is not only an engrossing history of this pivotal era but a uniquely resonant portrait of a great civilization in all its extremes of self sacrifice and rivalry decadence and catastrophe intrigue war and world shaking ambition

Rubicon Tom Holland, 2013-04-01 The Roman Republic was the most remarkable state in history What began as a small community of peasants camped among marshes and hills ended up ruling the known world Rubicon paints a vivid portrait of the Republic at the climax of its greatness the same greatness which would herald the catastrophe of its fall It is a story of incomparable drama This was the century of Julius Caesar the gambler whose addiction to glory led him to the banks of the Rubicon and beyond of Cicero whose defence of freedom would make him a byword for eloquence of Spartacus the slave who dared to challenge a superpower of Cleopatra the queen who did the same Tom Holland brings to life this strange and unsettling civilization with its extremes of ambition and self sacrifice bloodshed and desire Yet alien as it was the Republic still holds up a mirror to us Its citizens were obsessed by celebrity chefs all night dancing and exotic pets they fought elections in law courts and were addicted to spin they toppled foreign tyrants in the name of self defence Two thousand years may have passed but we remain the Romans heirs Rubicon Tom

Holland, 2005-03-08 A vivid historical account of the social world of Rome as it moved from republic to empire In 49 B C the seven hundred fifth year since the founding of Rome Julius Caesar crossed a small border river called the Rubicon and plunged Rome into cataclysmic civil war Tom Holland's enthralling account tells the story of Caesar's generation witness to the twilight of the Republic and its bloody transformation into an empire From Cicero Spartacus and Brutus to Cleopatra Virgil and Augustus here are some of the most legendary figures in history brought thrillingly to life Combining verve and freshness with scrupulous scholarship Rubicon is not only an engrossing history of this pivotal era but a uniquely resonant portrait of a great civilization in all its extremes of self sacrifice and rivalry decadence and catastrophe intrigue war and world shaking ambition

Dynasty Tom Holland, 2016-09-06 In this dazzling portrait of Rome's first imperial dynasty Tom Holland traces the astonishing century long story of the rise and fall of the Julio Claudians Augustus Tiberius Caligula Claudius and Nero Capturing both the brilliant allure of their rule and the blood steeped shadows cast by their crimes *Dynasty* travels from the great capital rebuilt in marble to the dank and barbarian forests of Germany Populated by a spectacular cast murderers and metrosexuals adulterers and Druids scheming grandmothers and reluctant gladiators it vividly recreates the world of Rome after Julius Caesar A tale of rule and ruination *Dynasty* is the story of a family that

transformed and stupefied the western world and that continues to cast a mesmerizing spell across the millennia **Beyond the Rubicon** J. H. C. Williams, 2001-07-12 Throughout the middle and late Republican periods fourth to first centuries BC the Romans lived in fear and loathing of the Gauls of northern Italy caused primarily by their collective historical memory of the destruction of the city of Rome by Gauls in 387 BC By examining the literary evidence relating to the historical ethnographic and geographic writings of Greeks and Romans of the period focusing on invasion and conflict this book attempts to answer the questions how and why the Gauls became the deadly enemy of the Romans Dr Williams also examines the problematic notion of the Gauls as Celts which has been so influential in historical and archaeological accounts of northern Italy in the late pre Roman Iron Age by modern scholars The book concludes that ancient literary evidence and modern ethnic presumptions about Celts are not a sound basis for reconstructing either the history of the Romans interaction with the peoples of northern Italy or for interpreting the material evidence *Crossing the Rubicon* Luca Fezzi, 2020-01-07 A dramatic account of the fateful year leading to the ultimate crisis of the Roman Republic and the rise of Caesar's autocracy When the Senate ordered Julius Caesar conqueror of Gaul to disband his troops he instead marched his soldiers across the Rubicon River in violation of Roman law The Senate turned to its proconsul Pompey the Great for help But Pompey's response was unexpected he commanded magistrates and senators to abandon Rome a city that until then had always been defended The consequences were the ultimate crisis of the Roman Republic and the rise of Caesar's autocracy In this new history Luca Fezzi argues that Pompey's actions sealed the Republic's fate Drawing on a wide range of primary sources including Cicero's extensive letters Fezzi shows how Pompey's decision shocked the Roman people severely weakened the city and set in motion a chain of events that allowed Caesar to take power Seamlessly translated by Richard Dixon this book casts fresh light on the dramatic events of this crucial moment in ancient Roman history **The Rise of Rome** Anthony Everitt, 2012-08-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE KANSAS CITY STAR From Anthony Everitt the bestselling author of acclaimed biographies of Cicero Augustus and Hadrian comes a riveting magisterial account of Rome and its remarkable ascent from an obscure agrarian backwater to the greatest empire the world has ever known Emerging as a market town from a cluster of hill villages in the eighth and seventh centuries B C Rome grew to become the ancient world's preeminent power Everitt fashions the story of Rome's rise to glory into an erudite page turner filled with lasting lessons for our time He chronicles the clash between patricians and plebeians that defined the politics of the Republic He shows how Rome's shrewd strategy of offering citizenship to her defeated subjects was instrumental in expanding the reach of her burgeoning empire And he outlines the corrosion of constitutional norms that accompanied Rome's imperial expansion as old habits of political compromise gave way leading to violence and civil war In the end unimaginable wealth and power corrupted the traditional virtues of the Republic and Rome was left triumphant everywhere except within its own borders Everitt paints indelible portraits of the great Romans and non Romans who left their mark on the world out of which

the mighty empire grew Cincinnatus Rome's George Washington the very model of the patrician warrior aristocrat the brilliant general Scipio Africanus who turned back a challenge from the Carthaginian legend Hannibal and Alexander the Great the invincible Macedonian conqueror who became a role model for generations of would be Roman rulers Here also are the intellectual and philosophical leaders whose observations on the art of government and the good life have inspired every Western power from antiquity to the present Cato the Elder the famously incorruptible statesman who spoke out against the decadence of his times and Cicero the consummate orator whose championing of republican institutions put him on a collision course with Julius Caesar and whose writings on justice and liberty continue to inform our political discourse today Rome's decline and fall have long fascinated historians but the story of how the empire was won is every bit as compelling With *The Rise of Rome* one of our most revered chroniclers of the ancient world tells that tale in a way that will galvanize inform and enlighten modern readers Praise for *The Rise of Rome* Fascinating history and a great read Chicago Sun Times An engrossing history of a relentlessly pugnacious city's 500 year rise to empire Kirkus Reviews Rome's history abounds with remarkable figures Everitt writes for the informed and the uninformed general reader alike in a brisk conversational style with a modern attitude of skepticism and realism The Dallas Morning News A lively and readable account Roman history has an uncanny ability to resonate with contemporary events Maclean's Elegant swift and faultless as an introduction to his subject The Spectator An engaging work that will captivate and inform from beginning to end Booklist

Rubicon Steven Saylor, 2000-09-15 Gordianus the Finder is in a tough spot when Pompey takes his son in law hostage and to save both their lives Gordianus must prove that his son did not kill Pompey's beloved cousin *Supping With Panthers* Tom Holland, 2011-09-01 In 1888 Dr John Eliot returns to London haunted by the memory of a terrible expedition to a remote Himalayan kingdom where he had uncovered horrors far beyond the frontiers of science Yet Eliot's faith in reason is to be tested even further when the body of a friend drained white of blood is dragged up from the Thames and another associate goes missing Eliot's quest to uncover the mystery reveals a deadly conspiracy but then in the lair of an enigmatic Eastern adventuress he glimpses hints of a truth yet more extraordinary of dark and terrible pleasures of a whole new world Vampires and immortals walk the gas lit streets of Victorian London mingling with Oscar Wilde Bram Stoker and Lord Byron and Tom Holland meshes fact with fiction in this brilliantly imaginative novel of passion and suspense Rome Greg Woolf, 2012-07-10 Woolf expertly recounts how the mammoth Roman empire was created how it was sustained in crisis and how it shaped the world of its rulers and subjects a story spanning a millennium and a half of history **Confronting the Classics** Mary Beard, 2013-03-07 Mary Beard is one of the world's best known classicists a brilliant academic with a rare gift for communicating with a wide audience both through her TV presenting and her books In a series of sparkling essays she explores our rich classical heritage from Greek drama to Roman jokes introducing some larger than life characters of classical history such as Alexander the Great Nero and Boudicca She invites you into the places where Greeks and Romans

lived and died from the palace at Knossos to Cleopatra's Alexandria and reveals the often hidden world of slaves She takes a fresh look at both scholarly controversies and popular interpretations of the ancient world from The Golden Bough to Asterix The fruit of over thirty years in the world of classical scholarship Confronting the Classics captures the world of antiquity and its modern significance with wit verve and scholarly expertise **Dominion** Tom Holland, 2019-10-29 A marvelous

Economist account of how the Christian Revolution forged the Western imagination Crucifixion the Romans believed was the worst fate imaginable a punishment reserved for slaves How astonishing it was then that people should have come to believe that one particular victim of crucifixion an obscure provincial by the name of Jesus was to be worshipped as a god Dominion explores the implications of this shocking conviction as they have reverberated throughout history Today the West remains utterly saturated by Christian assumptions As Tom Holland demonstrates our morals and ethics are not universal but are instead the fruits of a very distinctive civilization Concepts such as secularism liberalism science and homosexuality are deeply rooted in a Christian seedbed From Babylon to the Beatles Saint Michael to MeToo Dominion tells the story of how Christianity transformed the modern world **The Roman Republic: A Very Short Introduction** David M.

Gwynn, 2012-08-30 Here David Gwynn reflects on the remarkable legacy of the Roman Republic The rise and fall of the Republic holds a special place in the history of Western civilization it has been presented as a model a source of inspiration but also a warning Placing the events in their wider context he provides a fascinating history of culture and society

Persian Fire Tom Holland, 2007-06-12 From Tom Holland co host of the hit podcast THE REST IS HISTORY comes a fresh thrilling The Guardian account of the Graeco Persian Wars In the fifth century B C a global superpower was determined to bring truth and order to what it regarded as two terrorist states The superpower was Persia incomparably rich in ambition gold and men The terrorist states were Athens and Sparta eccentric cities in a poor and mountainous backwater Greece The story of how their citizens took on the Great King of Persia and thereby saved not only themselves but Western civilization as well is as heart stopping and fateful as any episode in history Tom Holland's brilliant study of these critical Persian Wars skillfully examines a conflict of critical importance to both ancient and modern history I, Claudius Robert

Graves, 2014-03-06 One of the really remarkable books of our day the story of the Roman emperor on which the award winning BBC TV series was based The New York Times Once a rather bookish young man with a limp and a stammer a man who spent most of his time trying to stay away from the danger and risk of the line of ascension Claudius seemed an unlikely candidate for emperor Yet on the death of Caligula Claudius finds himself next in line for the throne and must stay alive as well as keep control Drawing on the histories of Plutarch Suetonius and Tacitus noted historian and classicist Robert Graves tells the story of the much maligned Emperor Claudius with both skill and compassion Weaving important themes throughout about the nature of freedom and safety possible in a monarchy Graves's Claudius is both more effective and more tragic than history typically remembers him A bestselling novel and one of Graves most successful I Claudius has been adapted to

television film theatre and audio A legendary tale of Claudius A gem of modern literature Publishers Weekly starred review

Caesar Adrian Goldsworthy,2006-09-22 This captivating biography of the great Roman general puts Caesar s war exploits on full display along with his literary genius and more The New York Times Tracing the extraordinary trajectory of the Julius Caesar s life Adrian Goldsworthy not only chronicles his accomplishments as charismatic orator conquering general and powerful dictator but also lesser known chapters during which he was high priest of an exotic cult and captive of pirates and rebel condemned by his own country Goldsworthy also reveals much about Caesar s intimate life as husband and father and as seducer not only of Cleopatra but also of the wives of his two main political rivals This landmark biography examines Caesar in all of these roles and places its subject firmly within the context of Roman society in the first century B C Goldsworthy realizes the full complexity of Caesar s character and shows why his political and military leadership continues to resonate thousands of years later

Ancient Rome Simon Baker,2007 This is the story of the greatest empire the world has ever known Simon Baker charts the rise and fall of the world s first superpower focusing on six momentous turning points that shaped Roman history Welcome to Rome as you ve never seen it before awesome and splendid gritty and squalid From the conquest of the Mediterranean beginning in the third century BC to the destruction of the Roman Empire at the hands of barbarian invaders some seven centuries later we discover the most critical episodes in Roman history the spectacular collapse of the free republic the birth of the age of the Caesars the violent suppression of the strongest rebellion against Roman power and the bloody civil war that launched Christianity as a world religion At the heart of this account are the dynamic complex but flawed characters of some of the most powerful rulers in history men such as Pompey the Great Julius Caesar Augustus Nero and Constantine Putting flesh on the bones of these distant legendary figures Simon Baker looks beyond the dusty toga clad caricatures and explores their real motivations and ambitions intrigues and rivalries The superb narrative full of energy and imagination is a brilliant distillation of the latest scholarship and a wonderfully evocative account of Ancient Rome

The Roman Revolution Ronald Syme,2002-08-08 The Roman Revolution is a profound and unconventional treatment of a great theme the fall of the Republic and the decline of freedom in Rome between 60 BC and AD 14 and the rise to power of the greatest of the Roman Emperors Augustus The transformation of state and society the violent transference of power and property and the establishment of Augustus rule are presented in an unconventional narrative which quotes from ancient evidence refers seldomly to modern authorities and states controversial opinions quite openly The result is a book which is both fresh and compelling

The Year of Julius and Caesar Stefan G. Chrissanthos,2019-05-21 How Caesar s attack on Bibulus marked the beginning of the end of the Roman free state and the descent of the Republic into violence and civil war The year 59 BC when Gaius Julius Caesar and Marcus Calpurnius Bibulus served as joint consuls marked a major turning point in the history of the Roman Republic It was a dramatic and momentous time of political intrigue bloodshed and murder one that boasted some of the most famous personalities ever to grace the

Roman historical stage Arguing that this pivotal year demands extended study Stefan G Chrissanthos's *The Year of Julius and Caesar* is the first focused investigation of the period Chrissanthos uses a single event as his centerpiece the violent attack orchestrated by Caesar and the First Triumvirate on Bibulus and his followers in the Forum on April 4 Before that day he reveals 59 had been a typical year one that provides valuable insight into Roman government and political gamesmanship But the assault on Bibulus changed everything the consul retired to his house for the rest of the year allowing Caesar and his allies to pass legislation that eventually enabled Caesar to take complete control of the Roman state This detailed reconstruction draws on archeological and literary evidence to describe a watershed year in the history of the late Roman Republic establish an accurate chronology and answer many of the important historical questions surrounding the year 59 Written in an engaging and accessible style *The Year of Julius and Caesar* will appeal to undergraduates and scholars alike and to anyone interested in contemporary politics owing to the parallels between the Roman and American Republics

The Crowd in Rome in the Late Republic Fergus Millar, 1998 A major work on the power of the crowd

Rubicon The Last Years Of The Roman Republic Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rubicon The Last Years Of The Roman Republic has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rubicon The Last Years Of The Roman Republic has opened up a world of possibilities. Downloading Rubicon The Last Years Of The Roman Republic provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rubicon The Last Years Of The Roman Republic has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rubicon The Last Years Of The Roman Republic. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rubicon The Last Years Of The Roman Republic. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rubicon The Last Years Of The Roman Republic, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rubicon The Last Years Of The Roman

Republic has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rubicon The Last Years Of The Roman Republic Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rubicon The Last Years Of The Roman Republic is one of the best book in our library for free trial. We provide copy of Rubicon The Last Years Of The Roman Republic in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rubicon The Last Years Of The Roman Republic. Where to download Rubicon The Last Years Of The Roman Republic online for free? Are you looking for Rubicon The Last Years Of The Roman Republic PDF? This is definitely going to save you time and cash in something you should think about.
