Reframing the "Desert Frontier" Rebecca Repper, M.C. Bishop, Dr Robert Bewley, 2025-03-01 The eastern frontier of the Roman Empire its network of roads trade routes towns and forts is often conceived of as an edge of both empire and civilisation but this borderland is also part of a rich cultural landscape Our awareness and appreciation of these cultures has increased dramatically over the course of the last century Scholarship has deepened methods have advanced and perspectives have shifted Across 20 chapters Reframing the Desert Frontier offers new insights into the rich cultural history of this region through the re examination of existing material such as archives historical accounts and previous surveys and through the use of novel archaeological approaches The bringing together of different methodological approaches to the archaeology of the region in a single volume highlights synergies and offers important comparisons for archaeologists to consider This volume highlights the work of Emeritus Professor David Kennedy whose contribution to the study of the Roman army the archaeology of Jordan and aerial archaeology has inspired and enhanced multiple projects that have reframed this so called desert frontier Reframing the Desert Frontier encapsulates the enriched view of this ancient region generated by new techniques of survey and analysis changed perspectives on older materials a more intense engagement with the rural landscapes surrounding ancient towns and the addition of new discoveries that alter previous consensus

Religion and Orientalism in Asian Studies Kiri Paramore, 2016-10-06 Religion and Orientalism in Asian Studies analyses the role of religion in past and present understandings of Asia Religion and the history of its study in the modern academy has exercised massive influence over Asian Studies fields in the past century Asian Studies has in turn affected and is increasingly shaping the study of religion Religion and Orientalism in Asian Studies looks into this symbiotic relationship both in current practice and in the modern histories of both Orientalism and Area Studies Each chapter of the book deals with one regional sub discipline in Asian Studies covering Chinese Studies Japanese Studies Korean Studies South Asian Studies Southeast Asian Studies and Central Eurasian Studies The chapters are integrated by shared themes that run through the past and present practice of Asian Studies covering the role of state actors

in originating Area Studies the role of local scholarship in defining and developing it the interaction between humanities and social science approaches debates over the dominance of Western and or modern categories and frameworks the interaction of past and present and the role of religious actors and religious sensibilities in shaping Asian Studies      **Group Identity and Religious Individuality in Late Antiquity** Eric Rebillard, Jorg Rupke, 2015 To understand the past we necessarily group people together and consequently frequently assume that all of its members share the same attributes In this ground breaking volume Eric Rebillard and J rg R pke bring renowned scholars together to challenge this norm by seeking to rediscover the individual and to explore the dynamics between individuals and the groups to which they belong

**Questioning the 'Muslim Woman'** Nida Kirmani, 2016-03-16 The marginalisation of Muslims in India has recently been the subject of heated public debate In these discussions however Muslim women are often either overlooked or treated as a homogenous group with a common set of interests Focusing on the narratives of women living in a predominantly Muslim colony in South Delhi this book attempts to demonstrate the complexity of their lives and the multiple levels of insecurity they face Unlike other studies on Indian Muslims that focus on Islam as a defining factor this book highlights the ways in which religious identity intersects with other identities including class status regional affiliation and gender The author also sheds light on the impact of such events as the Babri Masjid demolition in 1992 and the subsequent riots the Gujarat communal carnage in 2002 and the anti Sikh violence in New Delhi in 1984 along with the rise of Hindutva and growing Islamophobia experienced worldwide in the post 9 11 period on the articulation of identities at the local level and increasing religion based spatial segregation in Indian cities The study highlights how these incidents combine in different ways to increase the sense of marginalisation experienced by Muslims at the level of the locality Understanding the need to look beyond preconceived religious categories this book will serve as essential reading for those interested in sociology anthropology gender religious and urban studies as well as policymakers and organisations concerned with issues related to religious minorities in India      **An Anthropology of Disappearance** Laura Huttunen, Gerhild Perl, 2023-09-15 All over the world people disappear from their families communities and the state s bureaucratic gaze as victims of oppressive regimes or while migrating along clandestine routes This volume brings together scholars who engage ethnographically with such disappearances in various cultural social and political contexts It takes an anthropological perspective on questions about human life and death absence and presence rituals and mourning liminality and structures citizenship and personhood as well as agency and power The chapters explore the political dimension of disappearances and address methodological epistemological and ethical challenges of researching disappearances and the disappeared The combination of disappearance through political violence crime voluntary disappearance and migration make this book a unique combination      **Shaping Letters, Shaping Communities: Multilingualism and Linguistic Practice in the Late Antique Near East and Egypt**

, 2023-12-11 The volume explores linguistic practices and choices in the late antique Eastern Mediterranean It investigates

how linguistic diversity and change influenced the social dimension of human interaction affected group dynamics the expression and negotiation of various communal identities such as professional groups of mosaic makers stonecutters or their supervisors in North Syria bilingual monastic communities in Palestine elusive producers of Coptic ritual texts in Egypt or Jewish communities in Dura Europos and Palmyra The key question is what do we learn about social groups and human individuals by studying their multilingualism and language practices reflected in epigraphic and other written sources

**Studies in Religion and the Everyday**, 2024-03-28 *Studies in Religion and the Everyday* is a collection of essays addressing the contours of religious beliefs and practices in the context of everyday life in India Events and processes in contemporary India especially post the 1990s have contributed to distinct modes of articulating religious practices This volume is an attempt to historicize and problematize the categorization of religion as a universally held and analytically distinct feature of human life and seeks to understand the conditions historical political discursive and processes of authorization under which a particular set of practices values and dispositions constitutes the religious at a specific point in time By bringing together studies that draw from diverse methodological and epistemological approaches the book will serve as a useful introduction to religion in India for the general reader and as an indispensable resource for students and researchers The volume presents fresh perspectives on existing fields of study such as the city capital minorities secularization and the state no longer seen as distinct from religion but actively co produced with religion in the context of the theoretical rubric of the everyday thereby marking a departure from approaching the question of religion solely through the lens of identity and conflict

*The Byzantine Neighbourhood* Fotini Kondyli, Benjamin Anderson, 2021-10-28 *The Byzantine Neighbourhood* contributes to a new narrative regarding Byzantine cities through the adoption of a neighbourhood perspective It offers a multi disciplinary investigation of the spatial and social practices that produced Byzantine concepts of neighbourhood and afforded dynamic interactions between different actors elite and non elite Authors further consider neighbourhoods as political entities examining how varieties of collectivity formed in Byzantine neighbourhoods translated into political action By both acknowledging the unique position of Constantinople and giving serious attention to the varieties of provincial experience the contributors consider regional factors social economic and political that formed the ties of local communities to the state and illuminate the mechanisms of empire Beyond its Byzantine focus this volume contributes to broader discussions of premodern urbanism by drawing attention to the spatial dimension of social life and highlighting the involvement of multiple agents in city making

Citizenship Pedagogies in Asia and the Pacific Kerry J Kennedy, Wing On Lee, David L Grossman, 2012-02-28 How are students in Asia and the Pacific taught to be effective citizens Following two successful volumes previously published in this series *Citizenship Education in Asia and the Pacific Concepts and Issues* and *Citizenship Curriculum in Asia and the Pacific* this volume focuses on citizenship pedagogies that are promoted by governments in the region advocated by scholars and adapted in the schools and classrooms where citizenship education

takes place every day Thirteen case studies from diverse societies in Asia and the Pacific highlight the ways in which teachers and students think about experience or plan for citizenship teaching and learning Different methods vignettes student surveys case studies and literature reviews are used to portray these experiences from both macro and micro analytic perspectives The wide array of case studies provides rich information and insights into the realities and possibilities of pedagogies for citizenship across the region

*Sovereign Attachments* Shenila Khoja-Moolji, 2021-06-15 Sovereign Attachments rethinks sovereignty by moving it out of the exclusive domain of geopolitics and legality and into cultural religious and gender studies Through a close reading of a stunning array of cultural texts produced by the Pakistani state and the Pakistan based Taliban Shenila Khoja Moolji theorizes sovereignty as an ongoing attachment that is negotiated in public culture Both the state and the Taliban recruit publics into relationships of trust protection and fraternity by summoning models of Islamic masculinity mobilizing kinship metaphors and marshalling affect In particular masculinity and Muslimness emerge as salient performances through which sovereign attachments are harnessed The book shifts the discussion of sovereignty away from questions about absolute dominance to ones about shared repertoires entanglements and co constitution

**Bibliography of Art and Architecture in the Islamic World (2 vols.)**

Susan Sinclair,2012-04-03 Following the tradition and style of the acclaimed Index Islamicus the editors have created this new Bibliography of Art and Architecture in the Islamic World The editors have surveyed and annotated a wide range of books and articles from collected volumes and journals published in all European languages except Turkish between 1906 and 2011 This comprehensive bibliography is an indispensable tool for everyone involved in the study of material culture in Muslim societies

**Near Eastern Cities from Alexander to the Successors of Muhammad** Walter D. Ward,2019-07-10 Near Eastern Cities from Alexander to the Successors of Muhammad compares the evolution of several cities in the Near East from the time of Alexander the Great until the beginning of the Islamic Abbasid Dynasty This volume examines both archaeological remains and literary sources to explain the diversity of imperial cultural and religious influences on urban life It offers several case studies chosen from different regions of the Roman Near East demonstrating that Greco Roman and Islamic culture spread unevenly through these various cities and that it is impossible to make broad generalizations It argues instead that there were different patterns of urbanism that demonstrate a continued vitality of civic life up to the Abbasid revolution Near Eastern Cities from Alexander to the Successors of Muhammad will be of particular interest to students of this period in the Ancient Near East as well as those studying ancient cities and everyday life

*Public Commissions on Cultural and Religious Diversity* Solange Lefebvre,Patrice Brodeur,2017-05-08 Due to growing negative perceptions about relations between historically entrenched dominant populations and various minority groups issues relating to the need to better manage cultural and religious diversity have been intensifying in many countries These negative perceptions have recently led to a significant increase in popular support for right and extreme right nationalist discourses and have created so much public tension that national governments have had no choice but to respond In the last two decades in several Western contexts in particular the issues raised by such combined challenges have culminated in the creation of government initiated or private national commissions This book presents the results of a multidisciplinary analysis from a broader framework that includes the national public commissions which have addressed the challenges of managing cultural and religious diversity in Belgium Britain Canada Quebec France Morocco and Norway including also other cases of public management in Australia and Singapore It includes in depth studies of the issues and controversies examined by each of the commissions such as the ways they perceived the issues their results and impact the key political players involved the media debates and reception surrounding each commission the communication strategies and difficulties their leaders encountered as well as the legal aspects each commission has raised The reports represent a rich body of work charting the fundamental questions nations face about their nature history and future while the impact on peoples lives tells us much about different approaches to the issues of cultural identity between countries

## **Rubina Oriental Studies Introduction**

In today's digital age, the availability of Rubina Oriental Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rubina Oriental Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rubina Oriental Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rubina Oriental Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rubina Oriental Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rubina Oriental Studies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rubina Oriental Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rubina Oriental Studies books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rubina Oriental Studies books and manuals for download and embark on your journey of knowledge?
