Rude Awakening Sheree Ann Martines, 2019-12-26 The reporters said it was a sexy story church money greed adultery blood a defenseless child with profound disabilities and a good man who never saw it coming all the elements that garnered column inches and high ratings The main players on the stage included a talented journalist who played the organ at church a cunning narcissist who hid behind a pretty face and a sweet demeanor and a respected businessman and father The plan her plan unfolded in the early morning hours of June 8 1994 when a flyspeck of a man dressed in black covetous and possessed by passion clutched a large knife in his gloved hands and stood above his sleeping prey He could not know as the blade arced toward its target how many lives would be forever changed by their crimes *Rude Awakening* P. theatres restaurants dance halls illegal gambling dens clubs and brothels offered plenty of choice to roistering sailors soldiers and airmen on leave in Australia's most glamorous city The war seemed far away Newspapers devoted more pages to horse racing than to Hitler That Sunday night the party came to a shattering halt when three Japanese midget submarines crept into the harbour past eight electronic indicator loops past six patrolling Royal Australian Navy ships and past an anti submarine net stretched across the inner harbour entrance Their arrival triggered a night of mayhem courage chaos and high farce which left 27 sailors dead and a city bewildered The war it seemed was no longer confined to distant desert and jungle It was right here at Australia's front door Written at the pace of a thriller and based on new first person accounts and previously unpublished official documents *A Very Rude Awakening* is a ground breaking and myth busting look at one of the most extraordinary stories ever told of Australia at war

A Korean Scholar's Rude Awakening in Qing China Pak Chega, 2019-07-31 Two years after Adam Smith's *Wealth of Nations* was published in 1776 Pak Chega's 1750 1805 *Discourse on Northern Learning* appeared on the opposite corner of the globe Both books presented notions of wealth and the economy for critical review the former caused a stir across Europe the latter influenced only a modest group of Chosŏn 1392 1897 Korea scholars and other intellectuals Nevertheless the ideas of both thinkers closely reflected the spirit of their times and helped define certain schools of thought in the case of Pak Northern Learning Pukhak which disparaged the Chosŏn Neo Confucian state ideology as inert and ineffective Years of humiliation and resentment against the conquering Manchus blinded many Korean elites to the scientific and technological advances made in Qing China 1644 1911 They despised its rulers as barbarians and begrudged Qing China's status as their suzerain state But Pak saw Korea's northern neighbor as a model of economic and social reform He and like minded progressives discussed and corroborated views about the superiority of China's civilization After traveling to Beijing in 1776 Pak wrote *Discourse on Northern Learning* in which he favorably introduced many aspects of China's economy and culture By comparison he argued Korea's economy was depressed the result of inadequate government policies and the selfishness of a privileged upper class He called for drastic reforms in agriculture and industry and for opening the country to international trade In a series of short essays Pak gives us rare insights into life on the ground in late eighteenth century Korea and in the many details he supplies on Chinese farming trade and other commercial activities his work provides a window onto everyday life in Qing China Students and specialists of Korean history particularly social reform movements and Chosŏn Qing relations will welcome this new translation

Mistlberger, 2012-05-25 We live in the Golden Age of publishing for spiritual, esoteric, and new age books of all conceivable stripes, and then there is the Internet. Amongst this wild proliferation of available information, there has occurred a cheapening effect in which many teachings have been watered down to make them palatable for a public with diminishing attention spans and suffering from information overload. For the sincere spiritual seeker, there needs to be an awareness of the various ways we can go astray on the path or fall off the path altogether. The whole idea of spirituality is to be awake, yet it is all too easy to simply end up in yet another dream world, thinking that we have found some higher truth. *Rude Awakening: Perils, Pitfalls, and Hard Truths of the Spiritual Path* is dedicated to examining, under a sharp light, the many ways our spiritual development goes wrong or disappears altogether in the sheer crush of books and the routine grind of daily life. *Surviving the Divine* Raphael Cushnir, 2021-07-15

When Raphael Cushnir's marriage fell apart, he decided to stop running away from the pain and embrace it. This led to an unintended explosion of Kundalini energy, as well as a spiritual awakening. Yet his awakening was anything but typical. At first, it was chaotic, terrifying, and even sometimes demonic. Over the ensuing five years, mostly on his own, Cushnir had to navigate this confounding terrain along with the ordinary challenges of daily life. Through vivid journal entries from that time, as well as commentary afforded by three decades of subsequent reflection, he offers a searingly intimate portrait of experiences usually relegated to secrecy. He's sharing this story now in his role as spiritual teacher and emotional intelligence facilitator to support the growing numbers of those who struggle with unconventional openings and also to shed new light on the more perilous parts of the perennial mystic path. *Range of Motion* Elizabeth Berg, 2012-03-27

In this exquisite, emotionally rich novel, New York Times bestselling author Elizabeth Berg offers a deeply satisfying story about the bonds of love and the balm of friendship. A young man named Jay lies in a coma after suffering a freak accident, and his wife, Lainey, is the only one who believes he will recover. She sits at his bedside, bringing him reminders of the ordinary life they shared: fragrant flowers, his children's drawings, his own softly textured shirt. When Lainey's faith in his recovery falters, she is sustained by two women, Alice and Evie, who teach her about the endurance of friendship and the genuine power of hope. Filled with beautiful writing and truths about life, *Range of Motion* is hard to put down and impossible to forget. *Rude Awakening* Elizabeth Power, 1987

resource professionals how to build a culture of civility within a company and the reasons why rudeness and even violence in the workplace has evolved over time

Rude Awakening Mauro F. Guillén, 2018-02-23 In the wake of World War II a number of institutions designed to promote a liberal global economic and geopolitical order were established the International Monetary Fund the General Agreement on Tariffs and Trade forerunner of the World Trade Organization and the World Bank in the economic sphere and the United Nations in the geopolitical realm Although these organizations were far from perfect their actions promoted rising living standards and political freedoms for all Liberalism thus reengineered represented a fundamental bet on the supremacy of democracy and the market economy and spurred the transformation of North America Western Europe and Japan into prosperous societies each with a large and vibrant middle class and a social safety net Now however this liberal geopolitical and economic order is under attack The free movement of goods services money people and information that once formed the recipe for progress under liberalism is blamed by many for rising inequality mass migrations and the declining legitimacy of political parties as well as the fragmentation of global superpower relations Nationalism xenophobia and populism continue to advance at the right and left ends of the political spectrum eroding the moderate middle ground In *Rude Awakening* Mauro F. Guillén argues for an improved international arrangement to provide for stability and prosperity He offers key considerations that a reinvented global liberal order must address from finding a balance between markets and governments to confronting present realities such as rapid technological change and social inequality to recognizing that Europe and the United States can no longer attempt by themselves to steer the global economy *Rude Awakening* affirms the potential of liberalism still to provide a flexible framework for governments businesses workers and citizens to explore and make necessary compromises and coalitions for a better future

Pure Rose Bretécher, 2016-04-07 Now a major Channel 4 series *Rose Cartwright* has OCD but not as you know it *Pure* is the true story of her ten year struggle with *Pure O* a little known form of the condition which causes her to experience intrusive sexual thoughts of shocking intensity It is a brave and frequently hilarious account of a woman who refused to give up despite being undermined at every turn by her obsessions and enduring years of misdiagnosis and failed therapies Eventually the love of family and friends and Rose's own courage and sense of humour prevailed inspiring this deeply felt and beautifully written memoir At its core is a lesson for all of us when it comes to being happy with who we are there are no neat conclusions
