

Rudolf Bultmann

David W. Congdon

Rudolf Bultmann:

Existence and Faith Rudolf Bultmann, 1961 New Testament Mythology and Other Basic Writings Rudolf Bultmann, 1951
Aside from the fact that it is perhaps the single most discussed and controversial theological writing of the century no one knowledgeable of Bultmann's work could doubt its basic importance for his entire contribution. Although the position is for which it argues was hardly new having already taken shape in several of his theological essays written during the 1920s it is nevertheless the classic formulation of this position and as such incomparable in the Bultmann corpus. *Kerygma and Myth* Rudolf Bultmann, 1961 **Theology of the New Testament** Rudolf Bultmann, 2007

It is difficult to overestimate the singularity of Rudolf Bultmann's Theology of the New Testament. It changed the course of New Testament interpretation and has continued to influence the field until today. As ambitious in scope as it is consistent in method Bultmann's volume asks and provides answers to the big questions. Bultmann also found a way to wed a sober-minded commitment to historical reconstruction to his deep desire for the New Testament to speak to contemporary humans.

Rudolf Bultmann David W. Congdon, 2015-11-02
Rudolf Bultmann is one of the most widely known but least read theologians of the twentieth century. He is famous as the one who demythologized the New Testament but very few understand what he meant by this or how his hermeneutical program connects to the other areas of his theological project. Bultmann presents a unique challenge to readers not only because of his radical theological inquiry but also because of the way his ideas are worked out over time primarily through short occasional writings that present complex issues in a disarmingly straightforward manner. In this introduction to his theology the first of its kind in more than twenty years David W. Congdon guides readers through ten central themes in Bultmann's theology ranging from eschatology and dialectic to freedom and advent. By gaining an understanding of these themes students of Bultmann will have the necessary tools to understand and profit from his writings. The result is not only an accessible guide for those encountering Bultmann for the first time but also a cohesive systematic presentation of his thought for those wondering how his work might speak to our current context. *Rudolf Bultmann* Rudolf Karl Bultmann, 1951
Bultmann's pioneering study of the New Testament initiated a new era in biblical studies in the Twentieth Century. Together with Karl Barth Bultmann broke with liberal theology but his often misunderstood program of demythologization took him in a radically different direction from Barth. In many respects Bultmann set the agenda for biblical theology in the decades following World War II. This volume concentrates on the key texts and ideas in Bultmann's thought. It presents the essential Bultmann for students and the general reader. Roger Johnson's introductory essay and notes on the selected texts set Bultmann in his historical context, chart the development of his thought and indicate the significance of his theology in the development of Christian theology as a whole. Substantial selections from Bultmann's work illustrate key themes: God as Wholly Other, Jesus and the Eschatological Kingdom, Existentialist interpretation, Kerygma, Faith and Modernity in conflict, Demythologizing: controversial slogan and theological

focus **The Thought of Rudolf Bultmann** André Malet,1971 THE Canadian Tax Foundation was established in 1945 as an independent tax research organization Its Governors are nominated each year by the Canadian Bar Association and the Canadian Institute of Chartered Accountants and its work is supported by over four thousand Canadian individuals and corporations The purpose of the Foundation is to provide both the tax paying public and the governments of Canada with the benefit of expert impartial research into current problems of taxation and government finance This work is carried on by a well qualified permanent staff and by outside experts commissioned for special studies The Foundation publishes the Canadian Tax Journal and other books and pamphlets and its activities include holding conferences providing speakers and making submissions to government *Rudolf Bultmann* Konrad Hammann,2013 Rudolf Bultmann was the giant of twentieth century New Testament scholarship His pioneering studies in biblical criticism shaped research on the composition of the gospels and his call for demythologizing biblical language sparked debate among Christian theologians worldwide This definitive biography now in English for the first time traces his career in Germany through the tumult of two world wars Through richly drawn connections between events in his life and his theology Hammann illuminates Bultmann's contributions to biblical historical criticism and the changing role of religion in public life in Europe *Rudolf Bultmann* David W. Congdon,2015-11-02 Rudolf Bultmann is one of the most widely known but least read theologians of the twentieth century He is famous as the one who demythologized the New Testament but very few understand what he meant by this or how his hermeneutical program connects to the other areas of his theological project Bultmann presents a unique challenge to readers not only because of his radical theological inquiry but also because of the way his ideas are worked out over time primarily through short occasional writings that present complex issues in a disarmingly straightforward manner In this introduction to his theology the first of its kind in more than twenty years David W Congdon guides readers through ten central themes in Bultmann's theology ranging from eschatology and dialectic to freedom and advent By gaining an understanding of these themes students of Bultmann will have the necessary tools to understand and profit from his writings The result is not only an accessible guide for those encountering Bultmann for the first time but also a cohesive systematic presentation of his thought for those wondering how his work might speak to our current context **Theology of the New Testament** Rudolf Bultmann,1951 New Testament and Mythology and Other Basic Writings Rudolf Bultmann,1989 The History of the Synoptic Tradition Rudolf Bultmann,1963 **Karl Barth-Rudolf Bultmann Letters, 1922-1966** Karl Barth,Rudolf Bultmann,1981 Christus Praesens James F. Kay,1994 **Jesus Christ and Mythology** Rudolf Karl Bultmann,1966 Faith and Understanding Rudolf Bultmann,1987 Myth & Christianity Karl Jaspers,Rudolf Bultmann,2005 Two of the most brilliant German thinkers of the twentieth century were Karl Jaspers and Rudolf Bultmann Jaspers the philosopher and Bultmann the theologian were both influenced by the philosophy of Martin Heidegger and the rise of the existentialist movement Late in their careers they interacted on the subject of Bultmann's attempt to divest

Christianity of its mythical components and make sense of it in more modern terms This work is a compilation of articles by Jaspers and Bultmann that formed a running debate originally published in various scholarly journals The first half of the book is Jaspers lengthy and critical analysis of Bultmann s interpretation of Christianity in which Jaspers essentially rejects the premise that Christianity or any other religion can or should be understood without its mythical framework Jaspers charges that Bultmann has radically misunderstood the nature of myth and that myth is an irreplaceable form of symbolic communication In the second part Bultmann defends his approach suggesting that Jaspers has not really understood his intent or meaning Contemporary people today schooled in the scientific tradition are likely to reject the biblical texts because of their miraculous claims and supernatural content Bultmann insists that the scholarly scientific study of the Bible is a legitimate way to reveal its true message apart from all the supernatural trappings Finally in response Jaspers accepts some of Bultmann s clarifications but takes him to task on the subject of justification by faith which he feels Bultmann defines too narrowly and too exclusively This stimulating work by two penetrating minds will give anyone interested in perennial philosophical and theological questions much to ponder *Jesus and the Word* Rudolf Bultmann,1935 *The Mission of Demythologizing* David W. Congdon,2015 Rudolf Bultmann s controversial program of demythologizing has been the subject of constant debate since it was first announced in 1941 It is widely held that this program indicates Bultmann s departure from the dialectical theology he once shared with Karl Barth In the 1950s Barth thus referred to their relationship as that of a whale and an elephant incapable of meaningful communication This study proposes a contrary reading of demythologizing as the hermeneutical fulfillment of dialectical theology on the basis of a reinterpretation of Barth s theological project
