Rudyard Kipling A Biographical Sketch:

The Jungle Book Rudyard Kipling, 1894 Rudyard Kipling Charles Eliot Norton, 1899 **If** Christopher Benfey, 2019-07-09 A New York Times Notable Book of 2019 A unique exploration of the life and work of Rudyard Kipling in Gilded Age America from a celebrated scholar of American literature At the turn of the twentieth century Rudyard Kipling towered over not just English literature but the entire literary world At the height of his fame in 1907 he was awarded the Nobel Prize for Literature becoming its youngest winner His influence on major figures including Freud and William James was pervasive and profound But in recent decades Kipling s reputation has suffered a strange eclipse Though his body of work still looms large and his monumental poem If is quoted and referenced by politicians athletes and ordinary readers alike his unabashed imperialist views have come under increased scrutiny In If scholar Christopher Benfey brings this fascinating and complex writer to life and for the first time gives full attention to Kipling s intense engagement with the United States a rarely discussed but critical piece of evidence in our understanding of this man and his enduring legacy Benfey traces the writer s deep involvement with America over one crucial decade from 1889 to 1899 when he lived for four years in Brattleboro Vermont and sought deliberately to turn himself into a specifically American writer It was his most prodigious and creative period as well as his happiest during which he wrote The Jungle Book and Captains Courageous Had a family dispute not forced his departure Kipling almost certainly would have stayed Leaving was the hardest thing he ever had to do Kipling said There are only two places in the world where I want to live he lamented Bombay and Brattleboro And I can t live in either In this fresh examination of Kipling Benfey hangs a provocative what if over Kipling s American years and maps the imprint Kipling left on his adopted country as well as the imprint the country left on him If proves there is relevance and magnificence to be found in Kipling s work *A Ken of Kipling* William Montgomery Clemens, 1899 *KEN OF KIPLING BEING A BIOGRAPH* William Montgomery 1860-1931 Clemens, 2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Long Recessional** David Gilmour, 2019-08-01 Superb beautifully written touching and occasionally very funny Andrew Roberts David Gilmour s superb biography of Rudyard Kipling is the first to show how

the life and work of the great writer mirrored the trajectory of the British Empire from its zenith to its final decades His famous poem *Recessional* celebrated Queen Victoria's Diamond Jubilee in 1897 but his last poems warned of the dangers of Nazism and in those intervening years Kipling himself an icon of the Empire was transformed from an apostle of success to a prophet of national decline As Gilmour makes clear Kipling's mysterious stories and poetry deeply influenced the way his readers saw both themselves and the British Empire and they continue to challenge us today A fine fair and generous work Gilmour's celebrated life of Curzon demonstrated his mastery of imperial nuance and esoteric character and he brings to this book just the right combination of empathy distaste and fastidious detachment there is never a flaccid line and never a hasty judgement Jan Morris *New Statesman* Every now and again a book comes along that sheds new light on a life we thought we knew David Gilmour's beautifully written biography of Rudyard Kipling is just such a work This is literary biography at its very finest George Rosie *Sunday Herald* An enthralling biography of a mind essential reading for anyone who cares about how a writer finds and passionately lives his subject Ruth Padel *Daily Telegraph* The best Kipling biography yet written Gilmour's account of this driven man shines with intelligence J B Pick *Scotsman* Rudyard Kipling Charles Eliot Norton, 1899 **Puck of Pook's Hill** Rudyard Kipling, 2012-09-06 Puck a mischievous imp delights two precocious youngsters with 10 magical fables about the hidden histories of Old England Each enchanting myth is followed by a selection of spirited poetry *A Ken of Kipling; Being a Biographical Sketch of Rudyard Kipling, with an Appreciation and Some Anecdotes* William Montgomery Clemens, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **A Ken of Kipling** William Montgomery Clemens, 2015-07-08 Excerpt from *A Ken of Kipling Being a Biographical Sketch of Rudyard Kipling With an Appreciation and Some Anecdotes* In Bombay Between the palms and the sea Where the world end steamers wait Rudyard Kipling was born in 1865 on the thirtieth day of December His father John Lock wood Kipling an English artist holding an official position in India was a native of Burslem in Staffordshire He was the eldest son of the Rev Joseph Kipling The early years of his life he spent in the Burslem potteries as a modeler and designer of terra cotta About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Something of Myself Rudyard Kipling, 1998
