The Strings are False Louis MacNeice,1965 An autobiography written in the 1940s but set aside and published for the first time after MacNeice's death in 1965 This incomplete account of himself is masterly and the best thing Louis MacNeice ever wrote in prose In this book he talks about himself freely most intelligently incisively and without self pity MacNeice's evaluation of himself at Marlborough Oxford and Birmingham and in the thirties exhibits more luminously than any document so far published the effect of that time and its diversely pulling forces within one sensual and acute and honest makar in the upper middle classes Geoffrey Grigson Guardian *The Burning Perch* Louis MacNeice,2001 Faber are pleased to announce the relaunch of the poetry list starting in Spring 2001 and continuing with publication dates each month for the rest of the year This will involve a new jacket design recalling the typographic virtues of the classic Faber poetry covers connecting the backlist and the new titles within a single embracing cover solution A major reissue program is scheduled to include classic individual collections from each decade some of which have long been unavailable Wallace Stevens's Harmonium and Ezra Pound's Personae from the 1920s W H Auden's Poems 1930 Robert Lowell's Life Studies from the 1950s John Berryman's 77 Dream Songs and Philip Larkin's The Whitsun Weddings from the 1960s Ted Hughes's Gaudete and Seamus Heaney's Field Work from the 1970s Michael Hofmann's Acrimony and Douglas Dunn's Elegies from the 1980s Timed to celebrate publication of Seamus Heaney's new collection Electric Light the relaunch is intended to re-emphasize the predominance of Faber Poetry and to celebrate a series which has played a shaping role in the history of modern poetry since its inception in the 1920s **The Life of Benedict de Spinoza** Johannes Colerus,1706 **The Collected Poems of Louis MacNeice** Louis MacNeice,1967 Early in his career MacNeice was identified with a group of politically committed poets whose work appeared in Michael Roberts's anthology New Signatures MacNeice drew many of the texts for Modern Poetry A Personal Essay from the New Signature poets Modern Poetry was MacNeice's plea for an impure poetry expressive of the poet's immediate interests and his sense of the natural and the social world Despite his association with young British poets Stephen Spender W H Auden writer Christopher Isherwood and other left wing poets MacNeice was as mistrustful of political programs as he was of philosophical systems In the decades since his death in 1963 Louis MacNeice's reputation as a poet and indeed amongst poets has grown steadily and there are now several generations of readers in Ireland Britain and beyond for whom he is one of the essential poets of the twentieth century His work has also received increasing attention from academic writers and students For both readers and critics the nature of MacNeice's poetic work as a whole is a matter of importance particularly so in the brilliant return to form and unique kinds of return on lyric form itself **Herbert Clayton and Jack Waller Present, No No Nanette** Vincent Youmans,1925 *American Avant-Garde Theatre* Arnold Aronson,2014-01-02 This stunning contribution to the field of theatre history is the first in depth look at avant garde theatre

in the United States from the early 1950s to the 1990s American Avant Garde Theatre offers a definition of the avant garde and looks at its origins and theoretical foundations by examining Gertrude Stein John Cage The Beat writers Avant garde cinema Abstract Expressionism Minimalism There are fascinating discussions and illustrations of the productions of the Living Theatre the Wooster Group Open Theatre Ontological Hysteric Theatre and Performance Group among many others Aronson also examines why avant garde theatre declined and virtually disappeared at the end of the twentieth century

Discovering the Royal Child Within Eugen Drewermann,1993 A tour de force of wisdom and insight by the depth psychologist and controversial priest who has authored more than 40 books In this essential work The Little Prince is held up as a model for today s readers and inspires them to trust again in the unconditional fidelity of love a love that is unconquerable even in death

Cosmos, Chaos, and the World to Come Norman Cohn,Professor Norman Cohn,2001-01-01 All over the world people look forward to a perfect future when the forces of good will be finally victorious over the forces of evil Once this was a radically new way of imagining the destiny of the world and of mankind How did it originate and what kind of world view preceded it In this engrossing book the author of the classic work The Pursuit of the Millennium takes us on a journey of exploration through the world views of ancient Egypt Mesopotamia and India through the innovations of Iranian and Jewish prophets and sages to the earliest Christian imaginings of heaven on earth Until around 1500 B C it was generally believed that once the world had been set in order by the gods it was in essence immutable However it was always a troubled world By means of flood and drought famine and plague defeat in war and death itself demonic forces threatened and impaired it Various combat myths told how a divine warrior kept the forces of chaos at bay and enabled the world to survive Sometime between 1500 and 1200 B C the Iranian prophet Zoroaster broke from that static yet anxious world view reinterpreting the Iranian version of the combat myth For Zoroaster the world was moving through incessant conflict toward a conflictless state cosmos without chaos The time would come when in a prodigious battle the supreme god would utterly defeat the forces of chaos and their human allies and eliminate them forever and so bring an absolutely good world into being Cohn reveals how this vision of the future was taken over by certain Jewish groups notably the Jesus sect with incalculable consequences Deeply informed yet highly readable this magisterial book illumines a major turning point in the history of human consciousness It will be mandatory reading for all who appreciated The Pursuit of the Millennium

The Playground of Europe Leslie Stephen,1909 *Close Listening* Charles Bernstein,1998-04-30 *Close Listening* brings together seventeen strikingly original essays especially written for this volume on the poetry reading the sound of poetry and the visual performance of poetry While the performance of poetry is as old as poetry itself critical attention to modern and postmodern poetry performance has been surprisingly slight This volume featuring work by critics and poets such as Marjorie Perloff Susan Stewart Johanna Drucker Dennis Tedlock and Susan Howe is the first comprehensive introduction to the ways in which twentieth century poetry has been practiced as a performance art From the

performance styles of individual poets and types of poetry to the relation of sound to meaning from historical and social approaches to poetry readings to new imaginations of prosody the entries gathered here investigate a compelling range of topics for anyone interested in poetry Taken together these essays encourage new forms of close listenings not only to the printed text of poems but also to tapes performances and other expressions of the sounded and visualized word The time is right for such a volume with readings spoken word events and the Web gaining an increasing audience for poetry Close Listening opens a number of new avenues for the critical discussion of the sound and performance of poetry **Aaron** Yves Theriault, 2007-08-09 W Donald Wilson and Paul G Socken s translation of Aaron by Qu b cois author Yves Th riault makes this fine novel available in English for the first time An exploration of otherness the story centres on Moishe an Orthodox Jew and refugee from Russia who is raising his grandson Aaron alone in Montreal following the deaths of Aaron s parents Poverty stricken Moshe works as a tailor maintains his strict adherence to Orthodoxy and educates Aaron to follow in his path Aaron becomes increasingly estranged from his grandfather s ways however and his meeting with the militantly secular Jewish girl Viedna confirms his decision to embrace modernity secularism and materialism and to reject his faith entirely The story portrays a tragically polarized situation in which neither side is able to communicate or to build an alternative world view that incorporates both tradition and modernity Possibly Th riault s finest novel Aaron is a parable of our modern world and a poignant cautionary tale Persons from Porlock Louis MacNeice, 1969 *Indelible Miró* Yvon Taillandier, Joan Miró, 1972 Internationally acclaimed as one of the giants in the history of modern art Joan Mir has long been fascinated by the processes and potentialities of printmaking He has experimented with a great variety of techniques including a new etching process that utilizes carborundum and synthetic resins as well as the popular lithographic method that calls for drawing the original composition on transfer paper His prints reveal his love of craft and awesome precision while communicating a new interpretation of reality through their color and line harmony and spontaneity Indelible Mir is a handsome survey of the artist s achievements as a printmaker and illustrator from the early 1930s to the present It is beautifully illustrated with 115 examples of his aquatints drawings drypoints etchings lithographs book illustrations posters ranging from the sombre Barcelona Series through his prodigious Equinox to two charming new lithographs created especially for this book and suitable for framing La Terre Paternelle Patrice Lacombe, 1972 **Donne, the Craftsman** Pierre Legouis, 1962 **Bach-Album** Johann Sebastian Bach, Ernst H.
