Brothers, We Are Not Professionals John Piper, 2013-02-01 In this revised and expanded edition of Brothers We Are Not Professionals that includes a new introduction and select all new chapters best selling author John Piper pleads through a series of thoughtful essays with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry We pastors are being killed by the professionalizing of the pastoral ministry he writes The mentality of the professional is not the mentality of the prophet It is not the mentality of the slave of Christ Professionalism has nothing to do with the essence and heart of the Christian ministry The more professional we long to be the more spiritual death we will leave in our wake For there is no professional childlikeness there is no professional tenderheartedness there is no professional panting after God Brothers we are not professionals We are outcasts We are aliens and exiles in the world Our citizenship is in Heaven and we wait with eager expectation for the Lord Phil 3:20 You cannot professionalize the love for His appearing without killing it And it is being killed The world sets the agenda of the professional man God sets the agenda of the spiritual man The strong wine of Jesus Christ explodes the wine skins of professionalism

My Descent Into Death Howard Storm,2005-02-15 Not since Betty Eadie s *Embraced by the Light* has a personal account of a Near Death Experience NDE been so utterly different from most others or nearly as compelling This is a book you devour from cover to cover and pass on to others This is a book you will quote in your daily conversation Storm was meant to write it and we were meant to read it from the foreword by Anne Rice In the thirty years since Raymond Moody s *Life After Life* appeared a familiar pattern of NDEs has emerged suddenly floating over one s own body usually in a hospital setting then a sudden hurtling through a tunnel of light toward a presence of love Not so in Howard Storm s case Storm an avowed atheist was awaiting emergency surgery when he realized that he was at death s door Storm found himself out of his own body looking down on the hospital room scene below Next rather than going toward the light he found himself being torturously dragged to excruciating realms of darkness and death where he was physically assaulted by monstrous beings of evil His description of his pure terror and torture is unnerving in its utter originality and convincing detail Finally drawn away from death and transported to the realm of heaven Storm met angelic beings as well as the God of Creation In this fascinating account Storm tells of his life review his conversation with God even answers to age old questions such as why the Holocaust was allowed to take place Storm was sent back to his body with a new knowledge of the purpose of life here on earth This book is his message of hope
