Ruggero Raimondi

**Richard Will**

## **Ruggero Raimondi:**

**Ruggero Raimondi** Ruggero Raimondi, **The Metropolitan Opera Guide to Recorded Opera** Paul Gruber, 1993 A guide to recordings of operas

**The New Operational Culture** Beatriz Munoz-Seca, J. Riverola, 2008-11-12 Imparting experiences from the theatre world to show how to manage operations in the 21st century this book provides the key ideas necessary to implement a new operational culture that will lead to excellence in service This is a must read for executives who wish their operations to be effective and to find satisfaction in shared success

*American Opera Singers and Their Recordings* Clyde T. McCants, 2004-08-06 This book focuses on American opera singers and what their recordings say about their artistry It is not a book about all American opera singers since many who had important careers on stage made few if any recordings And many of those who did make recordings did so prior to the introduction of electrical recording in 1925 and the resulting advances in the reproduction of the human voice Opera enthusiasts can only imagine the sound of Farinelli's voice or read what his contemporaries have written about it but with almost any famous or near famous singer of recent years enthusiasts do not have to imagine Their voices are available through the technology of sound recording There are 53 entries one each for 52 singers and a composite entry for a group of Hollywood vocalists Each entry contains biographical information and is followed by a discography of operatic recordings to be used in conjunction with the critical commentaries The entries are in alphabetical order by the singer's last name and provide critical analyses of key recordings and of the artist's gifts and limitations

**Don Giovanni** Wolfgang Amadeus Mozart, 2018-01-01 These Opera Guides are ideal companions to the opera They provide stimulating introductory articles together with the complete text of each opera in English and the original This famous opera ends after the hero is dragged down to hell with a warning that evil shall not go unpunished Hardly as Michael F Robinson notes one's usual idea of a comic subject So this guide opens with a brief look at what is actually comic about it David Wyn Jones gives an overall view of the score he shows how the musical keys are arranged so that the dramatic momentum over two long acts is maintained and discusses orchestration and dramatic pacing in the most important scenes Christopher Raeburn contributes a lively portrait of the libertine librettist who after his Vienna triumphs was hounded out of London for his debts and eventually died in New York revered as the father of Italian studies in America The full original text is given with a pointed modern translation

**Gaetano Donizetti** James P. Cassaro, 2009-07-15 Gaetano Donizetti A Research and Information Guide offers an annotated reference guide to the life and works of this important Italian opera composer The book opens with a complete chronology of Donizetti's life 1797-1848 and career relating it to contemporary events The balance of the book details secondary resources and other works including general sources catalogs correspondence biographical sources critical works production review sources singers and theaters and the individual operas

**American Aria** Sherrill Milnes, 2007-01-01 What's it like to grow up on a small farm in Illinois only to find yourself some 20 years later performing on the stage of the Metropolitan Opera House And then to travel the

world singing in historic theaters from La Scala in Milan to Vienna Paris London and beyond Former Met star Sherrill Milnes tells all in this completely updated first time in paperback edition of his very successful biography *Italian Cinema and Modern European Literatures* Carlo Testa, 2002-03-30 The history of cinema and notably that of post war Italian cinema can only be understood adequately in the context of other contiguous cultural disciplines World literature including that of France Germany and Russia played a key role in the development of post war Italian film and the cinematic technique it has come to embody Moving away from the usual modes of defining this period a trajectory that begins with neorealism and ends with Bertolucci author Carlo Testa offers proof that coming to terms with literary texts is an essential step toward understanding the motion pictures they influenced The means of recreating literature for the screen has changed drastically over the last half century as has the impact of different national traditions on Italian cinema Testa's work is the first to explicitly and deliberately link postwar Italian cinema to general intellectual concerns such as the relationship between literary authors and cinematic auteurs Moreover his analysis of the impact of French German and Russian cultures on Italy brings forth a new reading of Italian cinema a new paradigm for exploring complex issues of authorship culture and art

**Lifting My Voice** Barbara Hendricks, 2014-06-01 Growing up African American in segregated Arkansas in the 1950s Barbara Hendricks witnessed firsthand the painful struggle for civil rights After graduation from the Juilliard School of Music Hendricks immediately won a number of important international prizes and began performing in recitals and operas throughout the world A Goodwill Ambassador for the United Nations High Commission for Refugees she is as devoted to humanitarian work as she is to her music Always the anti diva Hendricks is a down to earth and straightforward woman whether singing Mozart or black spirituals She challenges stereotypes and puts the music first and presents a warm engaging and honest self portrait of one of the great women of music Tosca Giacomo Puccini, 2018-01-01 Tosca one of Puccini's greatest and most popular operas is a supreme example of music's power to enthral the audience In his introductory essay to this guide Bernard Williams discusses the enduring quality of its appeal Bernard Keffe in his article analyses different aspects of the score noting Puccini's special genius for orchestration and the subtle effects that give the opera its irresistible vitality while Stuart Woolf's survey of the historical background reveals its political and nationalistic undertones Enriched by twenty five archive photographs a detailed thematic analysis the original libretto with the facing literal translation and a section containing up to date discographical and bibliographical information this guide will prove an invaluable companion for opera goers and anyone wanting to delve deeper into the genesis history and significance of Puccini's work Contains Manifest Artifice Bernard Williams The Music of Puccini's Tosca Bernard Keffe Historical Perspectives on Tosca Stuart Woolf Tosca Libretto by Giuseppe Giacosa and Luigi Illica after the play La Tosca by Victorien Sardou Tosca English translation by EMI Classics *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1978 Giacomo Puccini Roger Flury, 2012-06-21 In Giacomo Puccini A Discography librarian and music historian

Roger Flury brings together information on nearly 10 000 recordings of Giacomo Puccini's music. Flury looks at each of Puccini's operas chronologically from *Le Villi* to *Turandot* followed by sections on Puccini's instrumental, chamber, orchestral and solo vocal works. Details of each complete opera are listed by recording date followed by excerpts in the order in which they occur in the opera. Recordings of each aria are listed alphabetically by the name of the artist. For ease of use, Flury establishes as the main criteria for inclusion those recordings assigned a commercial issue number and available for purchase, ensuring that this audio recording history of Puccini is free of gaps.

**TLA Film and Video Guide** David Bleiler, 1999. Detailed indexes by star, director, genre, country of origin and theme. Lavishly illustrated with over 450 photos. Comprehensive selection of international cinema from over 50 countries. Over 9 000 films reviewed. Up to date information on video availability and pricing. Appendices with award listings, TLA Bests and recommended films.

**Don Giovanni Captured** Richard Will, 2022-06-14. *Don Giovanni Captured* considers the life of a single opera, engaging with the entire history of its recorded performance. Mozart's opera *Don Giovanni* has long inspired myths about eros and masculinity. Over time its performance history has revealed a growing trend toward critique, an increasing effort on the part of performers and directors to highlight the violence and predatoriness of the libertine central character alongside the suffering and resilience of his female victims. In *Don Giovanni Captured*, Richard Will sets out to analyze more than a century's worth of recorded performances of the opera, tracing the ways it has changed from one performance to another and from one generation to the next. Will consults audio recordings starting with wax cylinders and 78s as well as video recordings including DVDs, films and streaming videos. As Will argues, recordings and other media shape our experience of opera as much as live performance does. Seen as a historical record, opera recordings are also a potent reminder of the refusal of works such as *Don Giovanni* to sit still. By choosing a work with such a rich and complex tradition of interpretation, Will helps us see *Don Giovanni* as a standard bearer for evolving ideas about desire and power both on and off the stage.

**Doug Pratt's DVD** Douglas Pratt, 2005. Doug Pratt is the leading reviewer of DVDs, a contributor to *Rolling Stone* and editor and publisher of *The DVD Laserdisc Newsletter*. Choice says Pratt's writing is amusing, comprehensive and informative. *Rolling Stone* calls this two volume set the gold standard on all things DVD. The set is unique in giving space to non-feature film DVDs, the fastest growing area of the market. Not just a reference book, it's also good reading.

**Opera News**, 1971

**Start-up at the New Met** Paul Jackson, 2006. In this new work, Paul Jackson examines the decade that saw the move from the old house uptown to the technological marvel at Lincoln Center. There, Rudolf Bing's final six years give way to four seasons of management turmoil until 1976 when James Levine was named music director and took hold of the Met's artistic future.

**Carmen** Chris Perriam, Ann Davies, 2005. Since Prosper Mérimée and Georges Bizet, with his librettists Meilhac and Halévy, brought the figure of the Spanish *Carmen* to prominence in the nineteenth century, an astonishing eighty or so film versions of the story have been made. This collection of essays gathers together a unique body of scholarly critique focused on that *Carmen* narrative in

film It covers the phenomenon from a number of aspects cultural studies gender studies studies in race and representation musicology film history and the history of performance The essays take us from the days of silent film to twenty first century hip hop style showing through a variety of theoretical and historical perspectives that despite social and cultural transformations particularly in terms of gender sexuality and race remarkably little has changed in terms of basic human desires and anxieties at least as they are represented in this body of films The conception of Carmen s independent sexuality as a source of danger both to men and occasionally women and to respectable society has been a constant Nor has sexual and ethnic otherness lost its appeal On the other hand the corpus of Carmen films is more than a simple recycling of stereotypes and each engages newly with the social and cultural issues of their time **New York Magazine** ,1979-11-26

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **In My Own Time**

Humphrey Burton,2021 This long awaited autobiography is a must read for classical musical enthusiasts and those fascinated by some of the twentieth century s star performers It also offers unique insights into the history of music the BBC and arts broadcasting in twentieth century Britain Sir Humphrey Burton is one of Britain s most influential post war music and arts broadcasters Witty humorous and full of humanity Burton s account presents us with never before recorded perspectives on the world of British cultural broadcasting and classical music Burton worked with such outstanding directing talents as Ken Russell and John Schlesinger before becoming the BBC s Head of Music and the Arts Already in the 1960s in conversations with Glenn Gould for instance Burton helped to create innovative ways of presenting music to new audiences Following Sir David Frost s call to LWT ITV Burton rose to prominence with presenting the award winning arts series Aquarius 1970 1975 The early 1970s saw the beginning of Burton s long association with Leonard Bernstein Burton was at hand filming the maestro s educational programs as well as concerts with the Vienna Philharmonic Unforgettable are his chronicles of Bernstein s last years culminating in a worldwide broadcast of the conductor s Berlin Freedom Concert after the fall of the Berlin Wall Burton s gift for communicating music turned him into a celebrated Bernstein biographer With multi award winning television programmes to his name such as the BBC s Young Musician of the Year Burton left an indelible mark on Britain s music and arts broadcasting history Sir Humphrey Burton offers us many encounters with twentieth century classical music s superstars and former broadcasting colleagues What transpires is a creative mind at work that never lost sight of the demand that the appropriate presentation of music can only go hand in hand with a deep understanding of music itself This long awaited autobiography is a must read for classical musical enthusiasts and those fascinated by some of the twentieth century s star performers It also offers unique insights into the history of music the BBC
