Ruhlmann Genius Of Art Deco:

Ruhlmann: Genius of Art Deco Musée des années 30 (Boulogne-Billancourt), Metropolitan Museum of Art (New York, N.Y.), 2004 Ruhlmann Rosalind M. Pepall, Emmanuel Bréon, 2001 French Art Deco Jared Goss, 2014-09-30 Art Deco the term conjures up jewels by Van Cleef such as Cubism and Fauvism and a taste for the exotic all of which converged in exceptionally luxurious and innovative objects While the practice of Art Deco ended with the Second World War interest in it has not only endured to the present day but has grown steadily Based on the Metropolitan Museum's renowned collection French Art Deco presents more than eighty masterpieces by forty two designers Examples include S e et Mare's furniture from the 1925 Exposition Dufy's Cubist inspired textiles Dunand's lacquered bedroom suite Dupas's monumental glass wall panels from the SS Normandie and Fouquet's spectacular dress ornament in the shape of a Chinese mask Jared Goss's engaging text includes a discussion of each object together with a biography of the designer who created it and is enlivened by generous quotations from writings of the period The extensive introduction provides historical context and explores the origins and aesthetic of Art Deco With its rich text and sumptuous photographs this is not only one of the rare books on French Art Deco in English but an object d'art in its own right *The Routledge Companion to Art Deco* Bridget Elliott, Michael Windover, 2019-06-25 Scholarly interest in Art Deco has grown rapidly over the past fifty years spanning different academic disciplines This volume provides a guide to the current state of the field of Art Deco research by highlighting past accomplishments and promising new directions Chapters are presented in five sections based on key concepts migration public culture fashion politics and Art Deco's afterlife in heritage restoration and new media The book provides a range of perspectives on and approaches to these issues as well as to the concept of Art Deco itself It highlights the slipperiness of Art Deco yet points to its potential to shed new light on the complexities of modernity **Hearts of the City** Herbert Muschamp, 2013-12-11 From the late Herbert Muschamp the former architecture critic of The New York Times and one of the most outspoken and influential voices in architectural criticism a collection of his best work The pieces here from The New Republic Artforum and The New York Times reveal how Muschamp's views were both ahead of their time and timeless He often wrote about how the right architecture could be inspiring and uplifting and he uniquely drew on film literature and popular culture to write pieces that were passionate and often personal changing the landscape of architectural criticism in the process These columns made architecture a subject accessible to everyone at a moment when because of the heated debate between modernists and postmodernists architecture had become part of a larger public dialogue One of the most courageous and engaged voices in his field he devoted many columns at the Times to the lack of serious new architecture in this country and particularly in New York and spoke out against the agenda of developers He departed from the usual dry didactic style of much architectural writing to playfully for example compare Frank Gehry's Guggenheim Bilbao to the body of Marilyn Monroe or to wax poetic about a new design for Manhattan's manhole covers One

sees in this collection that Muschamp championed early on the work of Frank Gehry Rem Koolhaas Zaha Hadid Thom Payne Frank Israel Jean Nouvel and Santiago Calatrava among others and was drawn to the theoretical writings of such architects as Peter Eisenman Published here for the first time is the uncut version of his brilliant and poignant essay about gay culture and Edward Durrell Stone's museum at 2 Columbus Circle Fragments from the book he left unfinished whose title we took for this collection A Dozen Years Metroscope and Atomic Secrets are also included Hearts of the City is dazzling writing from a humanistic thinker whose work changed forever the way we think about our cities and the buildings in them *Risk and Uncertainty in the Art World* Anna M. Dempster, 2014-04-10 This edited book offers the first complete overview of risk in the art market by bringing together contributions from a wide range of international thought leaders on the topic both practitioners and leading scholars who investigate the specific types of uncertainty that exist in the art market as well as the dominant models used to manage the risks An essential read for both art world practitioners as well as scholars and students *Risk and Uncertainty in the Art Market* elucidates the dynamics and unique qualities of the art market as well as developing insights relevant to other sectors including sociology business and management economics and finance Heritage Important 20th Century Design Auction #5021 , **A History of Interior Design** John Pile, Judith Gura, Drew Plunkett, 2024-01-17 A History of Interior Design tells the story of 6 000 years of domestic and public space It's an essential resource for students professionals and anyone interested in interior design the decorative arts architecture and art history It explores a broad range of styles and movements weaving together a fascinating narrative from cave dwellings and temple architecture through Gothic cathedrals and Islamic palaces to modern skyscrapers and the retail spaces of the 21st century This fully updated fifth edition includes More on the contributions of women designers and architects Additional coverage of furniture product design and decoration Numerous new examples of diverse modern styles from around the world Over 700 images more than 300 of which are new or color replacements for black and white photos An extra final chapter focusing on the influence of the latest technology and current thinking on the importance of conservation and ethical sourcing

Moderne Sarah Schleuning, 2008 Jacques mile Ruhlmann Pierre Chareau Robert Mallet Stevens Charlotte Perriand Eileen Gray together these designers and their contemporaries pioneered the look of the modern French interior during the 1920s Their use of sumptuous materials rich jewel tones intricate geometric patterns and complex and varied textures has made this work a lasting favorite among interior designers architects and their clients When it first appeared the *got moderne* or modern taste was marketed through limited edition portfolios containing unbound drawings printed in full color using a traditional process called pochoir Created in an era before color photography the vivid gouache and watercolor depictions of interior spaces complete with coordinated furniture carpets fabrics and decorative accessories announced the dawn of a new era of French design and set the standards of luxury and taste that still guide us today *Moderne* presents the finest examples of this work in more than two hundred plates selected by Sarah Schleuning a curator of the Wolfsonian Museum and
