Decolonial Perspectives on Entangled Inequalities Encarnación Gutiérrez Rodríguez, Rhoda Reddock, 2021-02-26 This edited collection aims to contribute to the decolonial social and cultural analyses of global entangled inequalities by focusing on their local articulations Drawing on empirical research conducted by scholars in Germany Trinidad and Tobago Australia and in Canada the book engages with the conceptual framework of global

inequalities and the methodological perspective on entanglement It does so by approaching global inequalities and their local articulations a global political economy structural violence entangled inequalities b financial inequalities and state injustice c inequality within and beyond race and ethnicity d decolonial struggles against inequality and e decolonial futurities It is on these grounds that this edited volume aims to contribute to the analysis of entangled global inequalities by mobilizing a decolonial framework paying attention to the intersections of race gender labour finances and the State

Destination Anthropocene Amelia Moore, 2019-08-27 *Destination Anthropocene* documents the emergence of new travel imaginaries forged at the intersection of the natural sciences and the tourism industry in a Caribbean archipelago Known to travelers as a paradise of sun sand and sea The Bahamas is rebranding itself in response to the rising threat of global environmental change including climate change In her imaginative new book Amelia Moore explores an experimental form of tourism developed in the name of sustainability one that is slowly changing the way both tourists and Bahamians come to know themselves and relate to island worlds

The Roots of Caribbean Identity Peter A. Roberts, 2008-12-11 *The Roots of Caribbean Identity* has as its central elements race place and language The book presents a movement from a European construction of Caribbean identity towards a more Caribbean construction The ways in which the identity of the Caribbean region and the identities of the separate islands within the region were shaped are set out in a chronological sequence starting from the time of the European encounters with the Amerindians and finishing at the end of the nineteenth century

New Directions in Biocultural Anthropology Molly K. Zuckerman, Debra L. Martin, 2016-10-17 Biocultural or biosocial anthropology is a research approach that views biology and culture as dialectically and inextricably intertwined explicitly emphasizing the dynamic interaction between humans and their larger social cultural and physical environments The biocultural approach emerged in anthropology in the 1960s matured in the 1980s and is now one of the dominant paradigms in anthropology particularly within biological anthropology This volume gathers contributions from the top scholars in biocultural anthropology focusing on six of the most influential productive and important areas of research within biocultural anthropology These are critical and synthetic approaches within biocultural anthropology biocultural approaches to identity including race and racism health diet and nutrition infectious disease from antiquity to the modern era epidemiologic transitions and population dynamics and inequality and violence studies Focusing on these six major areas of burgeoning research within biocultural anthropology makes the proposed volume timely widely applicable and useful to scholars engaging in biocultural research and students interested in the biocultural approach and synthetic in its coverage of contemporary scholarship in biocultural anthropology Students will be able to grasp the history of the biocultural approach and how that history continues to impact scholarship as well as the scope of current research within the approach and the foci of biocultural research into the future Importantly contributions in the text follow a consistent format of a discussion of method and theory relative to a particular aspect of the above six topics followed by a case study applying the surveyed

method and theory This structure will engage students by providing real world examples of anthropological issues and demonstrating how biocultural method and theory can be used to elucidate and resolve them Key features include Contributions which span the breadth of approaches and topics within biological anthropology from the insights granted through work with ancient human remains to those granted through collaborative research with contemporary peoples Comprehensive treatment of diverse topics within biocultural anthropology from human variation and adaptability to recent disease pandemics the embodied effects of race and racism industrialization and the rise of allergy and autoimmune diseases and the sociopolitics of slavery and torture Contributions and sections united by thematically cohesive threads Clear jargon free language in a text that is designed to be pedagogically flexible contributions are written to be both understandable and engaging to both undergraduate and graduate students Provision of synthetic theory method and data in each contribution The use of richly contextualized case studies driven by empirical data Through case study driven contributions each chapter demonstrates how biocultural approaches can be used to better understand and resolve real world problems and anthropological issues

Indigenous Cosmopolitans Maximilian Christian Forte, 2010 Timely and original this volume looks at indigenous peoples from the perspective of cosmopolitan theory and at cosmopolitanism from the perspective of the indigenous world In doing so it not only sheds new light on both but also has something important to say about the complexities of identification in this shrinking overheated world Analysing ethnography from around the world the authors demonstrate the universality of the local indigeneity and the particularity of the universal cosmopolitanism Anthropology doesn't get much better than this Thomas Hylland Eriksen Professor of Anthropology University of Oslo Author of Globalisation Book Jacket

Bacchanalian Sentiments Kevin K. Birth, 2008-01-02 An ethnographic exploration of the relationship between music and social and political consciousness on the island of Trinidad

Indigenous Efflorescence Gerald Roche, Hiroshi Maruyama, Åsa Virdi Kroik, 2018-12-14 Indigenous efflorescence refers to the surprising economic prosperity demographic increase and cultural renaissance currently found amongst many

Indigenous communities around the world This book moves beyond a more familiar focus on revitalisation to situate these developments within their broader political and economic contexts The materials in this volume also examine the everyday practices and subjectivities of Indigenous efflorescence and how these exist in tension with ongoing colonisation of Indigenous lands and the destabilising impacts of global neoliberal capitalism Contributions to this volume include both research articles and shorter case studies and are drawn from amongst the Ainu and Sami Saami S mi peoples in Ainu Mosir in northern Japan and Sapmi in northern Europe respectively This volume will be of use to scholars working on contemporary Indigenous issues as well as to Indigenous peoples engaged in linguistic and cultural revitalisation and other aspects of Indigenous efflorescence

Khoisan Consciousness Rafael Verbuyst, 2022-06-08 The Khoisan of the Cape are widely considered virtually extinct as a distinct collective following their decimation dispossession and assimilation into the mixed race group coloured during colonialism and apartheid However since the democratic transition of 1994 increasing numbers of Khoisan revivalists are rejecting their coloured identity and engaging in activism as indigenous people Based on long term ethnographic fieldwork in Cape Town this book takes an unprecedented bottom up approach Centring emic perspectives it scrutinizes Khoisan revivalism s origins and explores the diverse ways Khoisan revivalists engage with the past to articulate a sense of indigeneity and stake political claims

The Oxford Handbook of Indigenous American Literature James Howard Cox, Daniel Heath Justice, 2014 Over the course of the last twenty years Native American and Indigenous American literary studies has experienced a dramatic shift from a critical focus on identity and authenticity to the intellectual cultural political historical and tribal nation contexts from which these Indigenous literatures emerge The Oxford Handbook of Indigenous American Literature reflects on these changes and provides a complete overview of the current state of the field The Handbook s forty three essays organized into four sections cover oral traditions poetry drama non fiction fiction and other forms of Indigenous American writing from the seventeenth through the twenty first century Part I attends to literary histories across a range of communities providing for example analyses of Inuit Chicana o Anishinaabe and M tis literary practices Part II draws on earlier disciplinary and historical contexts to focus on specific genres as authors discuss Indigenous non fiction emergent trans Indigenous autobiography Mexicanoh and Spanish poetry Native drama in the U S and Canada and even a new Indigenous children s literature canon The third section delves into contemporary modes of critical inquiry to expound on politics of place comparative Indigenism trans Indigenism Native rhetoric and the power of Indigenous writing to communities of readers A final section thoroughly explores the geographical breadth and expanded definition of Indigenous American through detailed accounts of literature from Indian Territory the Red Atlantic the far North Yucat n Amerika Samoa and Francophone Quebec Together the volume is the most comprehensive and expansive critical handbook of Indigenous American literatures published to date It is the first to fully take into account the last twenty years of recovery and scholarship and the first to most significantly address the diverse range of texts secondary archives writing traditions

literary histories geographic and political contexts and critical discourses in the field *Fictions of Land and Flesh* Mark Rifkin,2019-08-23 In *Fictions of Land and Flesh* Mark Rifkin explores the impasses that arise in seeking to connect Black and Indigenous movements turning to speculative fiction to understand those difficulties and envision productive ways of addressing them Against efforts to subsume varied forms of resistance into a single framework in the name of solidarity Rifkin argues that Black and Indigenous political struggles are oriented in distinct ways following their own lines of development and contestation Rifkin suggests how movement between the two can be approached as something of a speculative leap in which the terms and dynamics of one are disoriented in the encounter with the other Futurist fiction provides a compelling site for exploring such disjunctions Through analyses of works by Octavia Butler Walter Mosley Nalo Hopkinson Melissa Tantaquidgeon Zobel and others the book illustrates how ideas about fungibility fugitivity carcerality marronage sovereignty placemaking and governance shape the ways Black and Indigenous intellectuals narrate the past present and future In turning to speculative fiction Rifkin illustrates how speculation as a process provides conceptual and ethical resources for recognizing difference while engaging across it "Mek Some Noise" Timothy Rommen,2007 Publisher description **Encyclopedia of Caribbean Archaeology** Basil A. Reid,R. Grant Gilmore III,2014-03-04 Encyclopedia of Caribbean Archaeology offers a comprehensive overview of the available archaeological research conducted in the region Beginning with the earliest native migrations and moving through contemporary issues of heritage management the contributors tackle the usual questions of colonization adaptation and evolution while embracing newer research techniques such as geoinformatics archaeometry paleodemography DNA analysis and seafaring simulations Entries are cross referenced so that readers can efficiently access data on a variety of related topics The introduction includes a survey of the various archaeological periods in the Caribbean as well as a discussion of the region s geography climate topography and oceanography It also offers an easy to read review of the historical archaeology providing a better understanding of the cultural contexts of the Caribbean that resulted from the convergence of European Native American African and then Asian settlers **Native on the Net** Kyra Landzelius,2004-11 The Internet is increasingly being used by marginalized ethnic groups to create a form of community and unified political voice This book explores the lives and agendas of these web users and the political effects of their online activity The Encyclopedia of Caribbean Religions Patrick Taylor,Frederick I. Case,2013-04-30 The Encyclopedia of Caribbean Religions is the definitive reference for Caribbean religious phenomena from a Caribbean perspective Generously illustrated this landmark project combines the breadth of a comparative approach to religion with the depth of understanding of Caribbean spirituality as an ever changing and varied historical phenomenon Organized alphabetically entries examine how Caribbean religious experiences have been shaped by and have responded to the processes of colonialism and the challenges of the postcolonial world Systematically organized by theme and area the encyclopedia considers religious traditions such as Vodou Rastafari Sunni Islam Sanatan Dharma Judaism and the Roman

Catholic and Seventh day Adventist churches Detailed subentries present topics such as religious rituals beliefs practices specific historical developments geographical differences and gender roles within major traditions Also included are entries that address the religious dimensions of geographical territories that make up the Caribbean Representing the culmination of more than a decade of work by the associates of the Caribbean Religions Project The Encyclopedia of Caribbean Religions will foster a greater understanding of the role of religion in Caribbean life and society in the Caribbean diaspora and in wider national and transnational spaces

Citizenship After Orientalism Engin Isin, 2015-10-14 This collection offers a postcolonial critique of the ostensible superiority or originality of Western political theory and one of its fundamental concepts citizenship The chapters analyse the undoing uncovering and reinventing of citizenship as a way of investigating citizenship as political subjectivity If it has now become very difficult to imagine citizenship merely as nationality or membership in the nation state this is at least in part because of the anticolonial struggles and the project of reimagining citizenship after orientalism that they precipitated If it has become difficult to sustain the orientalist assumption the question arises how do we investigate citizenship as political subjectivity after orientalism This book was originally published as a special issue of Citizenship Studies

Of Cannibals and Kings Neil L. Whitehead, 2011 Translations of the earliest accounts from the fifteenth and sixteenth centuries of the native peoples of the Americas including Columbus's descriptions of his first voyage Documents the emergence of a primal anthropology and how Spanish ethnological classifications were integral to colonial discovery occupation and conquest Provided by publisher
