Rule Breaker:

Rule Breaker Lily Morton, 2017-08-29 Is it really wrong to want to murder your boss Dylan has worked for Gabe for two years Two long years of sarcastic comments Two long years of insults and having to redo the coffee pot four times in the mornings to meet his exacting standards Not surprisingly he has devoted a lot of time to increasingly inventive ways to murder Gabe From stabbing him with a cake fork to garrotting him with his expensive tie Dylan has thought of everything However a chance encounter opens his eyes to the attraction that has always lain between them concealed by the layers of antipathy There are only two problems Gabe is still a bastard and he makes wedding planners look like hardened pessimists But what happens when Dylan starts to see the real Gabe What happens when he starts to fall in love with the warm wary man that he sees glimpses of as the days pass Because Gabe is still the same commitment shy cold man that he's always been or is he Has Dylan had the same effect on Gabe and has his solid gold rule of no commitment finally been broken With his heart taken Dylan desperately needs to know but will he get hurt trying to find the answers From the author of *The Summer of Us* comes another scorchingly hot romantic comedy showing what happens between two men when rules get broken

Rule Breaker Lora Leigh, 2014 Lion Breed and enforcer Rule Breaker has just a few rules he doesn't break But having sex with a woman outside his own Breed even a human woman at that is not one of them Especially when it's Gypsy the party girl he can't seem to stay away from Gypsy is determined to lead him on a merry chase but she won't be able to outrun either the lion or the man in hot pursuit

Rules for the Southern Rulebreaker Katherine Snow Smith, 2020-07-21 Southern women are inundated with rules starting early from always wearing sensible shoes to never talking about death to the dying and certainly not relying on song lyrics for marriage therapy Nevertheless Katherine Snow Smith keeps doing things like falling off her high heels onto President Barack Obama gaining dubious status as the middle school lice mom and finding confirmation in the lyrics of Miranda Lambert after her twenty four year marriage ends Somehow despite never meaning to defy Southern expectations for parenting marriage work and friendship Smith has found herself doing just that for over four decades Luckily for everyone the outcome of these broken rules is this collection of refreshing stories filled with vulnerability humor and insight sharing how she received lifelong advice from a sixth grade correspondence with an Oscar winning actress convinced a terminally ill friend to write good bye letters and won the mother of all don't give up lectures by finishing a road race last as the pizza boxes were thrown away Rules for the Southern Rule Breaker will resonate with every woman southern or not who has a tendency to wander down the hazy side roads and realizes the rewards that come from listening to the pull in one's heart over the voice in one's head
