Rules and Background for Jovian Chronicles Philippe Boulle, Dream Pod 9 Inc, 1998 **Manta's Gift** Timothy Zahn, 2007-04-01 When Matt Ramey had his accident he thought his life was over. He never dreamed in his wildest fantasies that he'd end up in a spot like this. In the toxic atmosphere of Jupiter, born into the body of an enormous creature that looked like a cross between a manta ray and a dolphin, he is living a new life unlike any humankind had previously experienced. An unbelievable turn of events gave him a reason to live, no matter what happened, but every second chance comes with conditions and responsibilities. And as those who brought him to this strange destiny have their authority stripped from them, and he discovers the truth that only he can know about the giant alien creatures he now calls family, this man reborn as the one they now call Manta suddenly isn't sure he wasn't better off before.

Bibliographie du Québec, 1998 **The Earth-Treader** Alissa Zavalianos, 2020-12-14 Eighteen-year-old Rylla Wayscot has always wanted to fly, but being human has its limitations. As a cartographer's daughter in the Earthen Crest Kingdoms, boot of Aylati, Rylla wants more than anything to know the whereabouts of her brothers, even if it means finding them herself. But there's one problem: she's afraid to venture too far from home. After a short walk to the Grove and stumbling into a talking cat, she realizes she may have no other choice. There, she is told she's an Earth Treader, one who can bend the will of nature and speak to animals, and she's reminded of the Earth Lore, the five missing stones which once held their kingdoms together. But with a growing Darkness lurking on the horizon, the missing stones are being sought by many. Rylla is tasked with finding them herself, especially before the cruel Lord Brennigan does. Despite all her protestations, Rylla can't escape her fate. She must embark on this impossible journey and leave all her comforts behind. But she's not alone. Even with fear and doubt, as her armor, Rylla meets strangers who challenge her resolve, and she learns that even in the shadows, love and light can thrive. Perhaps it's even enough to give her wings.

Godlings Ron Vitale, Rachel only wants to spend time with her best friend and enjoy the rest of her high school days. But despite her efforts, she keeps running into trouble that is linked to Liam, the new transfer student from out of town. When a series of life-threatening tragedies occur around the two of them, but they somehow survive, Rachel learns that all isn't quite as it seems in her life and the world. And when two mysterious men start chasing after her, and Liam, Rachel cannot deny the truth any longer. Something is different with her, and either she needs to face that she's had a mental break or that she's stumbled upon innate abilities that's given her god-like powers.
