The Ten Golden Rules M. A. Souprios, Panos Mourdoukoutas, 2009-03-31 A Stoic Guide to the Art of Living a Richer More Meaningful Life Plato Aristotle Socrates Epictetus Epicurus Pythagoras Aesop such wisdom now at your fingertips Timeless wisdom from these ancient Greek philosophers plus others has been condensed by the authors into ten memorable and easy to understand rules that if lived by can enable modern readers to have rich meaningful lives The ten rules represent enduring features of the Greek wisdom In a very real sense they defy time and place and represent insights that remain profoundly relevant for contemporary culture They can serve as anti dotes for an age in which much that is true and valuable has been obscured by falsity and misconception Accordingly these ancient aphorisms are offered to all those interested in rubbing the dust from their eyes With each chapter examining a rule all chapters begin with a quote from one of the great Greek philosophers who inspired the rule followed by a story or explanation of the rule and its importance in life and end with teaching points on which to meditate and reflect From this simple starting point each rule allows the reader to unfurl and explore the richness and depth that can be found in life by embracing the lesson offered Any reader searching for meaning will return to this simple slim volume again and again to find tried and true wisdom that spans the ages to speak to us today

12 Rules for Life Jordan B. Peterson, 2018-01-23 OVER TEN MILLION COPIES SOLD 1 INTERNATIONAL BESTSELLER What are the most valuable things that everyone should know Acclaimed clinical psychologist Jordan B Peterson has influenced the modern understanding of personality and now he has become one of the world s most popular public thinkers with his lectures on topics from the Bible to romantic relationships to mythology drawing tens of millions of viewers In an era of unprecedented change and polarizing politics his frank and refreshing message about the value of individual responsibility and ancient wisdom has resonated around the world In this book he provides twelve profound and practical principles for how to live a meaningful life from setting your house in order before criticising others to comparing yourself to who you were yesterday not someone else today Happiness is a pointless goal he shows us Instead we must search for meaning not for its own sake but as a defence against the suffering that is intrinsic to our existence Drawing on vivid examples from the author s clinical practice and personal life cutting edge psychology and philosophy and lessons from humanity s oldest myths and stories 12 Rules for Life offers a deeply rewarding antidote to the chaos in our lives eternal truths applied to our modern problems
