

# Sleep

COME, Sleep, and with thy sweet deceiving  
Lock me in delight awhile;  
Let some pleasing dreams beguile  
All my fancies; that from thence  
I may feel an influence  
All my powers of care bereaving!

Though but a shadow, but a sliding,  
Let me know some little joy!  
We that suffer long annoy  
Are contented with a thought  
Through an idle fancy wrought:  
O let my joys have some abiding!

**What Poetry Brings to Business** Clare Morgan, Kirsten Lange, Ted Buswick, 2010 What does poetry bring to business According to Clare Morgan and her coauthors it brings a complexity and flexibility of thinking along with the ability to empathize and better understand the thoughts and feelings of others Through her own experiences and many examples Morgan demonstrates that the skills necessary to talk and think about poetry can be of significant benefit to leaders and strategists to executives who are facing infinite complexity and who are armed with finite resources in a changing world What Poetry Brings to Business presents ways in which reading

and thinking about poetry offer businesspeople new strategies for reflection on their companies their daily tasks and their work environments The goal is both to increase readers knowledge of poems and how they convey meaning and also to teach analytical and cognitive skills that will be beneficial in a business context The unique combinations and connections made in this book will open new avenues of thinking about poetry and business alike     **Anatomy of a Poet** C. J. Heck,2013-04

Poetry can be daunting and hard to understand but it doesn't have to be I feel a poet has an obligation to write in a way that everyone can understand Poems should flow softly through a poet's words their meanings gently caressing the heart and mind of its reader If a poem comes from the heart it will reach other hearts and this is what I've tried to do with the poetry in *Anatomy of a Poet* CJ Heck Like a rose with many petals and sharing its sweet aroma this is how I see and feel about the love of my life CJ Heck She is my electric blue eyed girl She can be both a little girl or a strong woman whenever and wherever the situation calls for it She is both sensuous and exciting and soft and affectionate Tragedy struck her life early with the death of her husband in Vietnam This experience laid open the very core of her heart and soul and opened the channel to a well of compassion and sensitivity that waited deep within Her pain was the fertilizer that helped her bloom as a writer CJ's poetry is not a surface observation but a soulful interpretation of the events and people that inspired her She writes both eloquently and simply of things that touch her heart things she wants to share She is gifted at painting a picture with words on the heart and imagination of others thereby communicating not just an image but a life experience I feel very honored to have been asked to write this introduction and share my feelings about CJ Heck She is the water for my soil the sunlight for my petals and the nurturer of my growth Sit back open your heart and enjoy the journey as revealed through her words images and emotions You are blessed by this opportunity to know her in words as I know her in life Robert S Cosmar Author This is my kind of poetry Direct beautifully expressed and without a hint of pretension Allison Cassidy CJ is predominately viewed as a writer of works for children but CJ now carries over her approach to more adult themes In doing so she presents a profound world that is deeply sad incredibly humorous and sometimes very intimate Joseph Daly I love learning new words especially when they are explained with such diaphanous clarity Whether she talks of love children life or any other subject CJ's words are always clear and harmonious She makes us forget that easy to read is hard to write Marc Mimouni London United Kingdom CJ Heck is a very talented author Her words are enlightening and charismatic to people of all ages It is a privilege and honor to read her prolific pen Janet Caldwell Managing Editor Inner Child Magazine     **The Ballad of Reading Gaol** Oscar Wilde,1899     **The Complete Art of Poetry** Charles Gildon,1718     **The Essential Rumi** Jalāl al-Dīn Rūmī (Maulana),1997 Jelaluddin Rumi was born in the year 1207 and until the age of thirty seven was a brilliant scholar and popular teacher But his life changed forever when he met the powerful wandering dervish Shams of Tabriz of whom Rumi said What I had thought of before as God I met today in a human being From this mysterious and esoteric friendship came a new height of spiritual enlightenment When Shams disappeared Rumi began his transformation from

scholar to artist and his poetry began to fly Today the ecstatic poetry of Jelaluddin Rumi is more popular than ever and Coleman Barks through his musical and magical translations has been instrumental in bringing this exquisite literature to devoted followers Now for the first time Barks has gathered the essential poems of Rumi and put them together in this wonderful comprehensive collection that delights with playful energy and unequalled passion The Essential Rumi offers the most beautiful rendering of the primary poetry of Rumi to both devoted enthusiasts and novice readers Poems about everything from bewilderment emptiness and silence to flirtation elegance and majesty are presented with love humor warmth and tenderness Take in the words of Jelaluddin Rumi and feel yourself transported to the magical mystical place of a whirling ecstatic poet     Poetry Behind the Mask Zahra Pope Williams, 2020-11-16 This book contains a set of poems which are an interpretation of people I have met and my thoughts on wonderful people that have inspired my creativity I would like to thank The Most High for giving and showing me my gifts I dedicate this book to the most inspiring role model in my life my mother to DE who reminded me of my passion and talent and to the people who supported me and inspired me It is due to them that I have believed in myself and my passion for the power of the spoken word Nothing in this book is true just an interpretation of emotion but readers may resonate and relate with some of the hard hitting poems
