Contemporary Muslim Thought Abbas Poya,Farid Suleiman,2017-03-07 This volume brings together ten articles on contemporary Muslim thought written by authors from Europe and the Middle East who are specialized in the fields of Islamic theology Islamic studies and Political Sciences The scope of the contributions is limited by two aspects each contribution focuses either on the thought of a contemporaneous Muslim theologian whose creative period came after 1950 or on a Muslim stream that is relevant today Second the contributions also consider the interdependence between theological debates and the larger context in which they take place The issues addressed here are diverse in nature and the approaches adopted are various but they are united in giving testimony to the continuing existence of plurality in Muslim theology This volume will be especially useful for students and scholars of Islamic theology Islamic studies and contemporary Muslim thought as well as the history of ideas *Breaking the Spell* Kingsley L. Dennis,2013-02-08 *Breaking the Spell* An Exploration of Human Perception examines how people have become largely disconnected from a living energetic universe through social conditioning Over generations humanity has lost much of its creative spirit imagination and perceptual faculties In this book the author addresses how we should break the spell of our conditioned perceptions and learn to manage and develop our emotional mental and physical energies Through such chapters as Managing One s Energy Being Vigilant and Stepping Away the author explains in very simple language the necessity for each person to regain their focus inner calm and to observe the chaotic impacts that surround them The author also discusses how a person can refine their perceptions through inner intent The book also contains an inspiring collection of thoughts and an Appendix on the misunderstandings of modern day spirituality In these distracting times it is imperative that each person learns to empower themselves by learning to harness and develop their personal energies This timely book explains just how to break the spell of our hypnotic world

Islam , *Classical Islam and the Naqshbandi Sufi Tradition* Muhammad Hisham Kabbani, 2004 The Naqshbandi Sufi Tradition is one of the most distinguished and respected schools of Islamic spirituality Its long and glorious history stretches back to the earliest days of Islam and it has always played a central pivotal role in the life of the Muslim world Led by the shaykhs of the Golden Chain inheritors of the secret knowledge of the prophets and saints the Naqshbandi Order survived the turmoil and tribulations of the past century and remains one of the few authentic mystical traditions that still maintains a living link with its ancient past Now for the first time the history and teachings of the Naqshbandi Way are being made available to the public Classical Islam and the Naqshbandi Sufi Tradition is the most detailed and authentic book ever written about a Sufi order in English Providing a comprehensive history of the Naqshbandi Tradition the author Shaykh Muhammad Hisham Kabbani one of the most respected teachers of Islamic spirituality in the world today traces the lives of its foremost teachers from Prophet Muhammad upon whom be peace to the present Their life stories are intimately woven with landmark events of history from the time of the Companions to the fall of the Ottoman Empire and the reemergence of Islam in the former Soviet Union However this book also contains much more It details the fundamental principles of the Sufi path and the primary teachings of the Naqshbandi Order exploring the doctrines and philosophy behind this important current in spiritual thinking

Psychotherapy and the Spiritual Dimension Alfred E. Marlowe, 2014-10-25 PSYCHOTHERAPY AND THE SPIRITUAL DIMENSION presents a comprehensive view of the history and practices of the major spiritual traditions and their relationship with the modern psychotherapeutic schools The book is designed to provide a solid grounding in both the spiritual and the psychotherapeutic traditions for the benefit of mental health professionals and lay persons alike The author maintains that modern day therapists may need to expand their notions of cure arguing that conventional ideas of adjustment therapy may well be inadequate to meet the demands of twenty first century consciousness evolution
