Rumania 1866 1947:

Romania Keith Hitchins,1994 From the mid nineteenth century until the Second World War the energies of Rumanian political and intellectual lites were absorbed by the building of their nation In this comprehensive and scholarly study Keith Hitchins traces these complex processes and explores how Rumania s leaders attempted to transform the ideology of modern nationhood into strong political economic and social institutions and to find ways of preserving independence in an international political and economic order dominated by the great powers As the new Rumania took shape the threads of historical continuity remained strikingly evident in government a strong administrative centralization prevailed despite the maturing of parliamentary institutions and the diversity of political expression the national economy remained beholden to agriculture despite the steady growth of industry and in cultural life traditional values persisted despite the adoption of modern forms In foreign relations the most pressing aim was to unite all Rumanians in a single state and to defend its sovereignty within an uncertain international order In all these endeavours the measure of achievement was the West After the Second World War when the Communist Party came to power this historical continuity was broken The experiment in nation building gave way to a new ideology and Rumania now turned to the Soviet political and economic model

Rumania, 1866-1947 Keith Hitchins,1994 Romania 1866-1947 Keith Hitchins,1996 *Romania, 1916-1941* Dennis Deletant,2022-08-19 This study challenges the rose tinted view of the interwar period in Romanian history which is often judged against the darkness of almost five decades of Communist rule Romania like several of the states of Eastern Europe emerged from the First World War as it had entered it as a predominantly agricultural country and one of its major problems was the condition of the peasantry This volume s focus is the drive to improve that condition on the collapse of democracy and the search by Romania s leaders for strategies to secure the state to assert the country s independence and to maintain its territorial integrity in the face of the threat to the European order posed by two totalitarian systems represented by Nazi Germany and the Soviet Union By examining recent scholarship this volume provides the most up to date account of Romania s predicament in the interwar years *Romania 1916 1941* is a useful resource for upper level undergraduates postgraduates and scholars interested in foreign policy politics society internationalization and late development in interwar Central and Eastern Europe Jewish Forced Labor in Romania, 1940-1944 Dallas Michelbacher,2020-05-05 This study of the Antonescu regime s forced labor system offers precious insights to historians and social scientists alike Dennis Deletant author of *Ion Antonescu Hitler s Forgotten Ally* Between Romania s entry into World War II in 1941 and the ouster of dictator Ion Antonescu three years later over 105 000 Jews were forced to work in internment and labor camps labor battalions government institutions and private industry Particularly for those in the labor battalions this period was characterized by extraordinary physical and psychological suffering hunger inadequate shelter and dangerous or even deadly working conditions And yet the situation that arose from the combination of Antonescu s paranoias and the peculiarities of the

Romanian system of forced labor organization meant that most Jewish laborers survived Jewish Forced Labor in Romania explores the ideological and legal background of this system of forced labor its purpose and its evolution Author Dallas Michelbacher examines the relationship between the system of forced labor and the Romanian government s plans for the solution to the Jewish question In doing so Michelbacher highlights the key differences between the Romanian system of forced labor and the well documented use of forced labor in Nazi Germany and neighboring Hungary Jewish Forced Labor in Romania explores the internal logic of the Antonescu regime and how it balanced its ideological imperative for antisemitic persecution with the economic needs of a state engaged in total war whose economy was still heavily dependent on the skills of its Jewish population

Romania and the Quest for European Identity Cristian Cercel, 2019-03-15 Exploring the largely positive representations of Romanian Germans predominating in post 1989 Romanian society this book shows that the underlying reasons for German prestige are strongly connected with Romania s endeavors to become European The election in 2014 of Klaus Iohannis as Romania s president was hailed as evidence that the country chose a European future that Iohannis belonged to Romania s tiny German minority was also considered to have played a part in his success Cercel argues that representations of Germans in Romania descendants of twelfth century and eighteenth century colonists become actually a symbolic resource for asserting but also questioning Romania s European identity Such representations link Romania s much desired European belonging with German presence whilst German absence is interpreted as a sign of veering away from Europe Investigating this case of discursive self colonization and this apparent symbolic embrace of the German Other in Romania the book offers a critical study of the discourses associated with Romania s postcommunist Europeanization to contribute a better understanding of contemporary West East relationships in the European context This fresh and insightful approach will interest postgraduates and scholars interested in Central Eastern and Southeastern Europe and in German minorities outside Germany It should also appeal to scholars of memory studies and those interested in the study of otherness in general

Foreign Aid and State Building in Interwar Romania Doina Anca Cretu, 2024-12-10 The decades following World War I were a period of political social and economic transformation for Central and Eastern Europe This book considers the role of foreign aid in Romania between 1918 and 1940 offering a new history of the interrelation between state building and nongovernmental humanitarianism and philanthropy in the interwar period Doina Anca Cretu argues that Romania was a laboratory for transnational intervention as various state builders actively pursued accessed and often instrumentalized American assistance in order to accelerate reconstructive and modernizing projects after World War I At its core this is a study of how local views ambitions and practical agendas framed trajectories of humanitarian and philanthropic endeavors in postimperial Central and Eastern Europe Conversely it is a reflection on the ways that architects and practitioners of foreign aid sought to transfer notions of democracy civilization and modernity within shifting local and national contexts in the aftermath of the war and after the collapse of European empires

At the intersection of the history of interwar Europe and international philanthropy and humanitarianism this book s innovative and explicitly transnational approach provides a new framework for understanding the contours of European nationalism in the twentieth century

Ordinary People in Extraordinary Times Nancy G. Bermeo,2020-06-16 For generations influential thinkers often citing the tragic polarization that took place during Germany s Great Depression have suspected that people s loyalty to democratic institutions erodes under pressure and that citizens gravitate toward antidemocratic extremes in times of political and economic crisis But do people really defect from democracy when times get tough Do ordinary people play a leading role in the collapse of popular government Based on extensive research this book overturns the common wisdom It shows that the German experience was exceptional that people s affinity for particular political positions are surprisingly stable and that what is often labeled polarization is the result not of vote switching but of such factors as expansion of the franchise elite defections and the mobilization of new voters Democratic collapses are caused less by changes in popular preferences than by the actions of political elites who polarize themselves and mistake the actions of a few for the preferences of the many These conclusions are drawn from the study of twenty cases including every democracy that collapsed in the aftermath of the Russian Revolution in interwar Europe every South American democracy that fell to the Right after the Cuban Revolution and three democracies that avoided breakdown despite serious economic and political challenges Unique in its historical and regional scope this book offers unsettling but important lessons about civil society and regime change and about the paths to democratic consolidation today

Nationalism and Identity in Romania Radu Cinpoes,2010-09-21 The collapse of communism in Central and Eastern Europe produced a fundamental change in the political map of Europe In Romania nationalism re emerged forcefully and continued to rally political support against the context of a long and difficult transition to democracy Extreme right wing party The Greater Romania Party gained particular strength as a major political power and its persuasive appeal rested on a reiteration of nationalism and identity and themes such as origins historical continuity leadership morality and religion that had been embedded in Romanian ideological discourse by earlier nationalist formations Radu Cinpoes here examines the reasons for the strength and resilience of nationalism in Romania from the formation of the state to its accession in the EU

The Romanian Battlefield in World War I Glenn E. Torrey,2014-08-01 Despite a strategically vulnerable position an ill prepared army and questionable promises of military support from the Allied Powers Romania intervened in World War I in August 1916 In return it received the Allies formal sanction for the annexation of the Romanian inhabited regions of Austria Hungary As Glenn Torrey reveals in his pathbreaking study this soon appeared to have been an impulsive and risky decision for both parties Torrey details how by the end of 1916 the armies of the Central Powers led by German generals Falkenhayn and Mackensen had administered a crushing defeat and occupied two thirds of Romanian territory but at the cost of diverting substantial military forces they needed on other fronts The Allies especially the Russians were forced to do likewise in order

to prevent Romania from collapsing completely Torrey presents the most authoritative account yet of the heavy fighting during the 1916 campaign and of the renewed attempt by Austro German forces including the elite Alpine Corps to subdue the Romanian Army in the summer of 1917 This latter campaign highlighted here but ignored in non Romanian accounts witnessed reorganized and rearmed Romanian soldiers with help from a disintegrating Russian Army administer a stunning defeat of their enemies However as Torrey also shows amidst the chaos of the Russian Revolution the Central Powers forced Romania to sign a separate peace early in 1918 Ultimately this allowed the Romanian Army to reenter the war and occupy the majority of the territory promised in 1916 Torrey s unparalleled familiarity with archival and secondary sources and his long experience with the subject give authority and balance to his account of the military strategic diplomatic and political events on both sides of the battlefield In addition his use of personal memoirs provides vivid insights into the human side of the war Major military leaders in the Second World War especially Ion Antonescu and Erwin Rommel made their careers during the First World War and play a prominent role in his book Torrey s study fosters a genuinely new appreciation and understanding of a long neglected aspect of World War I that influenced not only the war itself but the peace settlement that followed and in fact continues today

In Search of Romania Dennis Deletant, 2022-04-28 The imposition of Communist ideology was a misfortune for millions in Eastern Europe but never for Dennis Deletant Instead it drew him to Romania The renowned historian s association with the country and its people dates back to 1965 when he first visited Since then Romania has made Dennis appreciate the value of shrewd dissimulation in the face of the state s gross intrusion in the life of the individual This vivid memoir charts his first hand experience of the Communist era coloured by the early 1970s surveillance of his future wife Andrea his contacts with dissidents and his articles and BBC World Service broadcasts which led to his being declared persona non grata in 1988 In Search of Romania also considers how life went on under dictatorship even if it was largely mapped out by the regime How did individual citizens negotiate the challenges placed in their path How important was the political police the Securitate in maintaining compliance How did dissent towards the regime manifest How did all this affect the moral compass of the individual Why did utopia descend into dystopia under Ceau escu And how has his legacy influenced the difficult transition to democracy since the collapse of Communism

Nationalist Politics and Everyday Ethnicity in a Transylvanian Town Rogers Brubaker, Margit Feischmidt, Jon Fox, Liana Grancea, 2018-06-05 Situated on the geographic margins of two nations yet imagined as central to each Transylvania has long been a site of nationalist struggles Since the fall of communism these struggles have been particularly intense in Cluj Transylvania s cultural and political center Yet heated nationalist rhetoric has evoked only muted popular response The citizens of Cluj the Romanian speaking majority and the Hungarian speaking minority have been largely indifferent to the nationalist claims made in their names Based on seven years of field research this book examines not only the sharply polarized fields of nationalist politics in Cluj Transylvania and the wider region but also the more fluid terrain on which ethnicity and nationhood are experienced

enacted and understood in everyday life In doing so the book addresses fundamental questions about ethnicity where it is when it matters and how it works Bridging conventional divisions of academic labor Rogers Brubaker and his collaborators employ perspectives seldom found together historical and ethnographic institutional and interactional political and experiential Further developing the argument of Brubaker s groundbreaking *Ethnicity without Groups* the book demonstrates that it is ultimately in and through everyday experience as much as in political contestation or cultural articulation that ethnicity and nationhood are produced and reproduced as basic categories of social and political life **From Peoples Into Nations** John Connelly, 2022-01-25 This book is a history of East Central Europe since the late eighteenth century the region of Europe between German central Europe and Russia in the East Connelly argues the region for which it is frequently hard to define exact boundaries and which is sometimes treated country by country in a way seemingly separate from the broader trends of European history was one of shared experience despite most of the peoples being divided by linguistic geographic and political barriers Beginning in the 1780s an unwitting Habsburg monarch Joseph II decreed that his subjects would use only German as he hoped to mold a common nationality using German over the disparate subjects Instead he unleashed the energies and struggle for the emergence of new nations that pitted small peoples armed with an idea against empires The author argues that the underlying national self assertion which emerged under imperial rule in the eighteen and nineteenth centuries shows deep connections to subsequent histories to the creation of nation states of the regions after World War I the failure of democratic rule in these states during the interwar years the submersion of the region under Nazi then Soviet rule after 1939 and to the reinvention of sovereign states and then the break up of two of them after 1989 The book interconnects major themes and country histories for first time chronicling this diverse region over many generations from the time of Joseph through democratic and socialist revolutions genocide and Stalinism through civil society movements struggling for liberal democracy into our own day when illiberal politicians come to power by exploiting very old fears **The Message** Dr. Michael Ritivoi Hansen, 2011-08-15 At the end of World War II in disregard of international agreements Soviet Union imposed communism in the areas given to it as Sphere of Influence With this a new value system was introduced into people s lives with consequences no one could predict Reviewing his life in communist Romania the author shows how a changed way of thinking determined a changed way of living how Marxism altered the nation s psychology and in the end ruined its own goals *Romanian Counterinsurgency and its Global Context, 1944-1962* Andrei Miroiu, 2016-07-15 This book analyses the nationalist rebellion which emerged in Romania following the Second World War The first two decades after the end of the war were times of rebellion in imperial peripheries Armed movements sometimes communist but nearly always nationalist in orientation rose in opposition to retreating or advancing imperial powers One such armed revolt took place in Romania pitting nationalist partisans against a communist government This book is an analysis of how the authorities crushed this rebellion set in the context of parallel campaigns fought in Europe and the Third World It focuses on population

control through censorship propaganda and deportations It analyses military operations particularly patrols checkpoints ambushes and informed strikes Intelligence operations are also discussed with an emphasis on recruiting informants on interrogation torture and infiltration Bullets brains and barbed wire not hearts and minds approaches crushed internal rebels in post 1945 campaigns

The Politics of Smallness in Modern Europe Samuël Kruizinga, 2022-03-24 Rather than simply assuming that some states are small and others are big The Politics of Smallness in Modern Europe delves deep into the construction of different size based hierarchies in Europe and explores the way Europeans have thought about their own state's size and that of their continental neighbours since the early 19th century By positing that ideas about size are intimately connected with both basic discourses about a state's identity and policy discourses about the range of options most appropriate to that state this multi contributor volume presents a novel way of thinking about what makes one state in the eyes of both its own inhabitants and those of others different from others and what effects these perceived differences have had and continue to have on domestic European and global politics Bringing together an international team of historians and political scientists this nuanced and sophisticated study examines the connections between shifting ideas about a state's relative size competing notions of national interest and mission and international policy in modern Europe and beyond

A Concise History of Romania Keith Hitchins, 2014-02-20 A comprehensive and engaging new history charting Romania's development over 2000 years from its establishment to the present day

Modern Romania Tom Gallagher, 2008-03 Since the 1989 fall of Communism in Eastern Europe Romania arguably the most regimented of states in the Soviet bloc has struggled with the transition from totalitarian state to democratic nation In this insightful examination of modern Romania Tom Gallagher provides an overview of Romania's unique political and social history focusing on both its national identity as well as the legacy of Soviet rule Gallagher provides an in depth look at Romania since 1989 focusing on the government's attempts at economic reform engagement with democracy problems with corruption among the ruling elite as well as the weakness of civil society and the resilience of implacable expressions of nationalism Ultimately Gallagher argues that thus far democracy has essentially failed in Romania In fact he warns that Romania is on its way to becoming one of the most unequal states in Europe and quite possibly a future trouble spot unless efforts to resume much needed reforms are undertaken

Romania Since 1989 Henry F. Carey, 2004-01-01 The most comprehensive study of Romanian politics ever published abroad this volume represents an effort to collect and analyze data on the complex problems of Romania's journey from sultanistic national communism to a yet unreached democratic government

An Accidental Journalist Cheryl Heckler, 2007 When an idealistic American named Edmund Stevens arrived in Moscow in 1934 his only goal was to do his part for the advancement of international Communism His job writing propaganda led to a reporting career and an eventual Pulitzer Prize in 1950 for his uncensored descriptions of Stalin's purges This book tells how Stevens became an accidental journalist and the dean of the Moscow press corps The longest serving American born correspondent working from within

the Soviet Union Stevens was passionate about influencing the way his stateside readers thought about Russia's citizens government and social policy Cheryl Heckler now traces a career that spanned half a century and four continents focusing on Stevens's professional work and life from 1934 to 1945 to tell how he set the standards for reporting on Soviet affairs for the Christian Science Monitor Stevens was a keen observer and thoughtful commentator and his analytical mind was just what the Monitor was looking for in a foreign correspondent He began his journalism career reporting on the Russo Finnish War in 1939 and was the Monitor's first man in the field to cover fighting in World War II He reported on the Italian invasion of Greece participated in Churchill's Moscow meeting with Stalin as a staff translator and distinguished himself as a correspondent with the British army in North Africa Drawing on Stevens's memoirs to which she had exclusive access as well as his articles and correspondence and the unpublished memoirs of his wife Nina Heckler traces his growth as a frontline correspondent and interpreter of Russian culture She paints a picture of a man hardened by experience who witnessed the brutal crushing of the Iron Guard in 1941 Bucharest and the Kharkov hangings yet who was a failure on his own home front and who left his wife during a difficult pregnancy in order to return to the war zone Heckler places his memoirs and dispatches within the larger context of events to shed new light on both the public and the private Stevens portraying a reporter adapting to new roles and circumstances with a skill that journalists today could well emulate By exposing the many facets of Stevens's life and experience Heckler gives readers a clear understanding of how this accidental journalist was destined to distinguish himself as a war reporter analyst and cultural interpreter An Accidental Journalist is an important contribution to the history of war reporting and international journalism introducing readers to a man whose inside knowledge of Stalinist Russia was beyond compare as it provides new insight into the Soviet era

Right here, we have countless book **Rumania 1866 1947** and collections to check out. We additionally provide variant types and after that type of the books to browse. The all right book, fiction, history, novel, scientific research, as well as various new sorts of books are readily within reach here.

As this Rumania 1866 1947, it ends occurring mammal one of the favored book Rumania 1866 1947 collections that we have. This is why you remain in the best website to see the unbelievable book to have.

Rumania 1866 1947 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rumania 1866 1947 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rumania 1866 1947 has opened up a world of possibilities. Downloading Rumania 1866 1947 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rumania 1866 1947 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rumania 1866 1947. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rumania 1866 1947. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rumania 1866 1947, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rumania 1866 1947 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rumania 1866 1947 Books

What is a Rumania 1866 1947 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rumania 1866 1947 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rumania 1866 1947 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rumania 1866 1947 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rumania 1866 1947 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
