Charles Lindbergh's infant son was kidnapped from his New Jersey home. The family paid 50 000 to get Little Lindy back but his remains were discovered in a grove of trees four miles from the Lindbergh house. More than two years after the abduction Bruno Hauptmann, an unemployed carpenter and illegal German immigrant, was caught with 20 000 of the ransom money. He was arrested, tried, and executed for the crime. But did he really do it? New York Times bestselling author Noel Behn spent eight years investigating the case, revisiting old evidence, discovering new information, and shining a bright light on the controversial actions of public figures such as New Jersey Governor Harold Hoffman, FBI Director J. Edgar Hoover, New Jersey State Police Superintendent H. Norman Schwarzkopf, and Charles Lindbergh himself. The result is a fascinating and convincing new theory of the crime that exonerates Hauptmann and names a killer far closer to the Lindbergh family. A finalist for the Edgar Award, Lindbergh not only provides answers to the riddles of the Crime of the Century but hurls us into time past to a special moment in American history.

Peter Maas, New York Times bestselling author of *Underboss* James K. McGuire

Joseph E. Fahey, 2014-04-03: This is the story of a self-educated, charismatic, gifted leader who overcame personal tragedy in childhood and was elected the youngest mayor of a major city in America at age twenty-six. It is the story of a reformer who possessed a genius for politics. James K. McGuire (1868-1923) was elected mayor of Syracuse three times as a Democrat in a Republican bastion. As a candidate for governor in 1898, he nearly derailed the rise of Theodore Roosevelt. His ideas and positions informed the candidacy of William Jennings Bryan in his quest for the presidency and the platform of the Democratic Party in those elections.
