What would you do with your life if you knew it was going to end soon? Mercy is a pastor's recording of the life lessons he's discovered as a result of sitting at the bedsides of courageous people facing death's certainty. Peter Roebbelen explores the gifts that people have given him, the wisdom that he's gleaned from them, almost as if he's been the one being counseled rather than the other way around. This joyful and instructive book will encourage anyone who reads it to live to the fullest in the present and to love the people around them as never before.

Reconciliation Blues Edward Gilbreath, 2009-08-20
Edward Gilbreath offers a black perspective on what it is like to live in a mostly white Christian culture. He also presents a historical perspective on the evangelical movement and racial reconciliation and then gives suggestions for creating unity.

Exploring Christian Theology : Volume 2 Nathan D. Holsteen, Michael J. Svelg, 2015-06-02
The Foundations of Theology in Everyday Language. Dallas Seminary professors Nathan Holsteen and Michael Svelg are passionate about the key doctrines of Christianity. They want readers to know why they're important and why they matter. This volume includes two parts: From Dust to Dust (Creation, Humanity, and the Fall) and Wise Unto Salvation (Gospel, Atonement, and Saving Grace). The authors explore these important topics in a concise and highly readable style that makes sense whether you're a student of the Bible, a pastor, or someone who simply wants to know God better. For each topic, you'll find an introduction, overview, and review of the key points; several applicable Bible texts, including verses to memorize; a quick-paced history of the doctrine; distortions to be aware of and avoid; reading lists for further study; a glossary of theological terms.

Exploring Christian Theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect. A great way to get acquainted with key biblical theological themes.

Darrell Bock, Senior Research Professor, Dallas Theological Seminary.

Holy Is a Four-Letter Word Charles C. Lake, Matthew I. Ayars, 2016-02-17
Holy Is a Four Letter Word responds to the need for an accessible and simple articulation of the holy life and what it means for the collective church as well as for individual believers. This goal is accomplished by taking the fundamental tenets of holiness doctrine and shaping them around twelve four-letter words: 1 Holy, 2 Self, 3 Full, 4 Pure, 5 Will, 6 Mind, 7 Body, 8 Love, 9 Rest, 10 Life, 11 Sent, and 12 Call. Each chapter deals with holy living according to scripture as it pertains to each four-letter word. Setting the concept of holiness against the backdrop of modern and often profane media culture accomplishes two objectives: 1 it reveals the relevance and urgency of holy living amongst a super-charged secular media culture, and 2 defining holy living first and foremost by what it is, not thereby accentuating holy as being set apart for the purposes of God.

A Critical Examination of the Doctrine of Revelation in Evangelical Theology Carisa A. Ash, 2015-07-14
How God reveals himself is an important matter for Christians, especially evangelicals. For too long, Carisa Ash contends, evangelicals have rightly affirmed that God reveals through the created world, but then they functionally neglect such revelation. In this monograph, Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation: world, written and spoken word, and Incarnate Word. Particularly aimed at theologians interested in theological method, Ash's study

will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward The Healing Power of Spirituality J.
