## Rumors Of The Undead:

30 Days of Night: Rumors of the Undead Steve Niles, Jeff Mariotte, 2006-03-08 In a sleepy secluded Alaska town called Barrow the sun sets and doesn't rise for more than thirty consecutive days and nights from November to December. During this time a few years ago from the darkness and across the frozen wasteland an evil that normally preferred to exist in the shadows descended upon Barrow and brought the residents to their knees. Barrow's only hope was Eben and Stella Olemaun, a husband and wife law enforcement team who were torn between their own survival and saving the town they loved. Months later as Stella Olemaun attempts to warn the world about the looming vampire threat by any means necessary, a rogue government agent may be taking more than an active interest in her story. And meanwhile further north a new sheriff and his young son must solve the lingering mystery of Barrow even as the survivors of the original attack prepare for the sun to set once again. However, this time they're ready. *30 Days of Night: Rumors of the Undead* is Steve Niles's innovative and eagerly anticipated expansion of a nightmarish narrative that explores the nature of ancient evil existing and thriving in an unsuspecting modern world.

*The Undead In My Bed* Katie MacAlister, Molly Harper, Jessica Sims, 2012-09-25 A sizzling vampire romance anthology featuring enticing novellas from beloved and bestselling authors MacAlister, Jessica Sims, and Molly Harper. Original.

*30 Days of Night: Beyond Barrow* Steve Niles, 2012-06-08 After years of attacks and several without, the citizens of Barrow have become united against random attacks on their city by the undead. Unfortunately, the same does not apply outside of Barrow or the rest of the mysterious Arctic Circle. Co-creator Steve Niles and legendary artist Bill Sienkiewicz take the *30 Days of Night* mythos and turn it on its head in a terrifying new graphic novel. Forget everything you ever thought you know about *30 Days of Night* and return to Barrow in this all-new tale.

**The Adventures of Tom Sawyer and the Undead** Don Borchert, Mark Twain, 2011-08-30 The world has been overrun by a zombie epidemic and the South has been dubbed Zumbia in Twain's original coming-of-age classic.

As Shadows Fade Colleen Gleason, 2014-09-15 The final entry in award-winning New York Times bestselling author Colleen Gleason's International Bestselling Gardella Vampire Hunter Series. Vampires have met their match with Victoria Gardella, but now the huntress faces an even greater evil as London is besieged by malevolent entities no mortal was ever meant to encounter. Directly descended from the very first vampire hunter in the Gardella family, Victoria knows she must continue the lineage so humanity will have protectors against the undead. While Sebastian Vioget appears to be both the perfect warrior and lover to ensure the Gardella Legacy, Victoria cannot forget Max Pesaro, the former slayer still haunted by the vampire queen Lilith's obsession with him. But it is Lilith's obsession that may save all of humanity. Demons, enemies of both mortals and the undead, have found their way to earth. To defeat them, vampires and slayers must fight side by side. But Lilith wants Max in return for her cooperation, a small price for the world, but too high a price for Victoria. Addictively readable.

The Chicago Tribune Kady Cross bestselling author of *The Girl in the Steel Corset*
