**Rumrunning and the Roaring Twenties** Philip Parker Mason, 1995 Using police and court records newspaper accounts and interviews with those who lived during the time Philip P Mason has constructed a fascinating history of life in Michigan during Prohibition He regales readers with stories of the bungled efforts by officials at every level to control the smuggling and sale of illegal alcohol Most entertaining are the hundreds of photos capturing the essence of the era the creative smuggling efforts undertaken by citizens of all walks of life *Rum Running and the Roaring Twenties* Philip P. Mason, 2024-05-14 A fascinating look at the excesses and failures of Prohibition in the United States and specifically in Michigan On January 17 1920 the Eighteenth Amendment took effect in the United States prohibiting the manufacture sale use or importation of alcoholic beverages Yet the resulting peace and tranquility predicted never materialized The Prohibition experiment failed dismally in the United States and nowhere worse than in Michigan The state s close proximity to Canada where large amounts of liquor were manufactured made it a major center for the smuggling and sale of illegal alcohol Although federal state and local law enforcement agencies attempted to stop the flow of liquor into Michigan an astounding seventy five percent of all illegal liquor brought into the United States was transported across the Detroit River from Canada Using police and court records newspaper accounts and interviews with those who lived during the time Philip P Mason has constructed a fascinating history of life in Michigan during Prohibition He regales readers with stories of the bungled efforts by officials at every level to control the smuggling and sale of illegal alcohol Most entertaining are the creative smuggling efforts undertaken by citizens of all walks of life the poor middle class and affluent upstanding citizens and organized criminals and gang members By 1928 Prohibition was a major issue in the presidential campaign In 1933 with the support of President Franklin Roosevelt Michigan s governor William Comstock and other leaders the Twenty first Amendment was passed repealing Prohibition Michigan was the first state to ratify the amendment on April 10 1933 and soon the Detroit River was returned to pleasure boats and fishing and commercial vessels whose holds no longer carried illegal liquor Freedom Enterprise Kendra D. Boyd, 2025-04-08 Traces the rise and fall of the historic Black business community in Detroit The Great Migration saw more than six million African Americans leave the US South between 1910 and 1970 Though the experiences of migrant laborers are well known countless African Americans also left the South to pursue entrepreneurial opportunities and viewed business as key to Black liberation Detroit s status as a mecca for Black entrepreneurship illuminates this overlooked aspect of the Great Migration story In *Freedom Enterprise* Kendra D Boyd uses migrant entrepreneurship as a lens through which to understand the entwined histories of Black owned business racial capitalism and urban space *Freedom Enterprise* follows Black Southerners journeys to Detroit during the initial wave of migration in the 1910s and 1920s through their efforts to build a prosperous Black business community in the 1930s and 1940s to the destruction of that community through urban renewal projects and freeway construction in the 1950s and 1960s

Combining business and social history methods to analyze an eclectic archive Boyd chronicles migrant entrepreneurs experiences highlighting tales of racial and economic violence Black women s business organizing illegal business communist entrepreneurs and cooperative economics Boyd uses the framework of racial capitalism to examine migrant entrepreneurs experiences in twentieth century America In the Jim Crow South African Americans worried about white mobs taking away their property wealth and lives Though they sought refuge in Detroit migrant entrepreneurs subsequently faced the loss of their livelihoods and the businesses they had spent decades building to the bulldozers of state sponsored urban redevelopment initiatives Southern migrants freedom enterprise their undertaking of attaining freedom through business was curtailed by the reality of operating within the confines of US racial capitalism In tracing Black entrepreneurs across the Great Migration Freedom Enterprise provides important insights into African Americans activism for racial and economic justice and continued racialized wealth disparities
