Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage

David Christopher Powell

Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage:

Run for the Wall Raymond J. Michalowski, Jill Dubisch, 2001 *Run for the Wall* is a highly readable ethnographic account of this remarkable American ritual. The authors themselves motorcyclists as well as Run participants demonstrate that the event is a form of secular pilgrimage. Here key concepts in American culture freedom and brotherhood for example are constructed and deployed in a variety of rituals and symbols to enable participants to come to terms with the consequences of the Vietnam war. While the focus is the journey itself the book also explores other themes related to American culture and history including the nature of community the Vietnam war and the creation of American secular ritual. *Reframing Pilgrimage* European Association of Social Anthropologists, 2004 This book proposes a radical new agenda for pilgrimage studies considering such travel as just one of the twenty first century's many forms of cultural mobility. Prioritizing anthropological arguments about mobility locality and belonging over analyses of traditional religious studies contributors examine the meanings of pilgrimage in world religions as well as in non religious contexts such as roots tourism. P 1 *The Seductions of Pilgrimage* Michael A. Di Giovine, David Picard, 2016-03-09 *The Seductions of Pilgrimage* explores the simultaneously attractive and repellent beguiling and alluring forms of seduction in pilgrimage. It focuses on the varied discursive imaginative and practical mechanisms of seduction that draw individual pilgrims to a pilgrimage site the objects places and paradigms that pilgrims leave behind as they embark on their hyper meaningful travel experience and the often unforeseen elements that lead pilgrims off their desired course. Presenting the first comprehensive study of the role of seduction on individual pilgrims in the study of pilgrimage and tourism it will appeal to scholars of anthropology cultural geography tourism heritage and religious studies. **Redefining Pilgrimage** Antón M. Pazos, 2016-04-22 Exploring what does and what does not constitute pilgrimage *Redefining Pilgrimage* draws together a wide variety of disciplines including politics anthropology history religion and sociology. Leading contributors offer a broad range of case studies from a wide geographical area exploring new ways of approaching pilgrimage beyond the classical religious model. Re thinking the global phenomenon of pilgrimages in the 21st century this book offers new perspectives to redefine pilgrimage. *Pilgrimage and Healing* Jill Dubisch, Michael Winkelman, 2022-08-09 Bikers converge at the Vietnam Veterans Memorial in Washington D C. Thousands flock to a Nevada desert to burn a towering effigy. And the hopeless but hopeful ill journey to Lourdes as they have for centuries. Although pilgrimage may seem an antiquated religious ritual it remains a vibrant activity in the modern world as pilgrims combine traditional motives such as seeking a cure for physical or spiritual problems with contemporary searches for identity or interpersonal connection. That pilgrimage continues to exercise such a strong attraction is testimony to the power it continues to hold for those who undertake these sacred journeys. This volume brings together anthropological and interdisciplinary perspectives on these persistent forms of popular religion to expand our understanding of the role of the traditional practice of pilgrimage in what many believe to be an increasingly secular world. Focusing on the healing

dimensions of pilgrimage the authors present case studies grounded in specific cultures and pilgrimage traditions to help readers understand the many therapeutic resources pilgrimage provides for people around the world The chapters examine a variety of pilgrimage forms both religious and non religious from Nepalese and Huichol shamanism pilgrimage to Catholic journeys to shrines and feast days to Nevada s Burning Man festival These diverse cases suggest a range of meanings embodied in the concept of healing itself from curing physical ailments and redefining the self to redressing social suffering and healing the wounds of the past Collectively and individually the chapters raise important questions about the nature of ritual in general and healing through pilgrimage in particular and seek to illuminate why so many participants find pilgrimage a compelling way to address the problem of suffering They also illustrate how pilgrimage exerts its social and political influence at the personal local and national levels as well as providing symbols and processes that link people across social and spiritual boundaries By examining the persistence of pilgrimage as a significant source of personal engagement with spirituality Pilgrimage and Healing shows that the power of pilgrimage lies in its broad transformative powers As our world increasingly adopts a secular and atheistic perspective in many domains of experience it reminds us that for many spiritual quest remains a potent force

Apprenticeship Pilgrimage Lauren Miller Griffith, Jonathan S. Marion, 2017-12-29

Lauren Miller Griffith and Jonathan S Marion introduce the concept of apprenticeship pilgrimage to help explain why performers travel to places both near and far in an attempt to increase both their skill and their legitimacy within various genres of art and activity What happens when your skill level surpasses local training opportunities whether in dance martial arts or other skills and practices Apprenticeship Pilgrimage provides a new and exciting model of apprenticeship pilgrimages including local regional opportunistic and virtual that practitioners undertake to develop embodied knowledge skills and legitimacy unavailable at home For most people there is a limit to how much training is available from the teachers and classes at home As skill and know how increase the resources and training opportunities available become limits on one s learning Similarly a practitioner s legitimacy may be suspect without exposure to appropriate cultural context such as ties with the homeland of certain dance forms or martial arts Whether for skill alone or activity specific legitimacy individuals may feel compelled to travel for training Such travelers see themselves quite differently from other tourists and the seriousness with which they pursue their journeys makes it appropriate to call them pilgrims Given the goal of learning from and developing their own skills by training with experts at their destinations apprenticeship pilgrims is even more appropriate Rather than focus on specific geographic regions or genres of apprenticeship this book builds a robust theoretical framework for understanding the role of travel for developing expertise in embodied genres This book links and expands on the existing scholarship concerning anthropologies of education and tourism but takes new strides in exploring the global circumstances wherein skill development requires travel Throughout the authors use apprenticeship pilgrimage as a robust new framework for considering the interrelated roles of going learning and doing for identity construction within

contemporary globalization *Pilgrimage* Ian Reader, 2015 Presents pilgrimage in a global and historical context Using a wide range of examples Reader explores how people take part in and experience their pilgrimages and what they take back from their journeys He concludes by examining why pilgrimages appear to be so popular in our increasingly secular age Front flap *Shrines and Pilgrimage in the Modern World* Peter Jan Margry, 2008 The modern pilgrimage to sites ranging from Graceland to the veterans annual ride to to the Vietnam Veterans Memorial to Jim Morrison s Paris grave is intertwined with man s existential uncertainties in the face of a rapidly changing world In a climate that reproduces the religious quest in seemingly secular places it s no longer clear exactly what the term pilgrimage infers and *Shrines and Pilgrimage in the Modern World* critiques our notions of the secular and the sacred while commenting on the modern media s multiplication of images that renders the modern pilgrimage a quest without an object Using new ethnographical and theoretical approaches this volume offers a surprising new vision on the non secularity of the secular pilgrimage This book will be sure to stoke our intellectual fire and heat up the discussion over the highly charged topic of secular pilgrimage Simon Bronner Penn State University *Revisiting Vietnam* Julia Bleakney, 2013-09-13 This book explores the memorializing practices of American veterans of the Vietnam War at several of the most significant contemporary sites of memory in the United States and Vietnam These sites include veterans memoirs museum exhibits replicas of the National Vietnam Veterans Memorial and tourism to Vietnam Because war memorializing has since the late 1960s shifted focus from national soul searching to personal identity and recovery I emphasize how contemporary narratives of the war shaped more by memory than by history often are detached from the specific history of the war and its political controversies Drawing on trauma and cultural memory scholarship as well as empirical data gathered during field research in the U S and Vietnam the author examines how veterans memorializing practices have become increasingly individualized commodified and conservative since the early 1980s *Criminologies of the Military* Ben Wadham, Andrew Goldsmith, 2018-06-28 This innovative collection offers one of the first analyses of criminologies of the military from an interdisciplinary perspective While some criminologists have examined the military in relation to the area of war crimes this collection considers a range of other important but less explored aspects such as private military actors insurgents paramilitary groups and the role of military forces in tackling transnational crime Drawing upon insights from criminology this book s editors also consider the ways the military institution harbours criminal activity within its ranks and deals with prisoners of war The contributions by leading experts in the field have a broad reach and take a truly global approach to the subject *Religion and American Cultures* Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of *Religion and American Cultures Tradition Diversity and Popular Expression* presents more than 140 essays that address contemporary spiritual practice and culture with a historical

perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren t largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America s multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents

Crying Shame James M. Wilce, 2009-02-11 Building on ethnographic fieldwork and extensive historical evidence Crying Shame analyzes lament across thousands of years and nearly every continent Explores the enduring power of lament expressing grief through crying songs often in a collective ritual context Draws on the author s extensive ethnographic fieldwork and unique long term engagement and participation in the phenomenon Offers a startling new perspective on the nature of modernity and postmodernity An important addition to growing literature on cultural globalization

Researching Corporations and Global Health Governance Kelley Lee, Professor and Tier 1 Canada Research Chair, Simon Fraser University, Benjamin Hawkins, 2016-12-12 A practical guide on how to conduct research on the impact of corporations on global health and global health governance which draws on the theoretical and methodological insights of a range of scholarly disciplines

Violence, Conflict, and World Order Gregg Barak, 2007 Violence Conflict and World Order Critical Conversations on State Sanctioned Justice examines the interpersonal institutional and structural relations of injustice and violence both domestically and globally through a series of dynamic conversations that are rich with personal and passionate prose gritty and grounded questioning and in several instances spirited and lively debate These conversations are attentive not only to the areas of cultural studies and social science in general but also to the studies of criminology criminal justice and public policy in particular

Environmental Crime Mary Clifford, Terry Edwards, 2011-09 Environmental crime is an increasingly serious problem nationally and internationally and is an expanding field of study in today s environmentally conscious classroom Fully revised and updated Environmental Crime Second Edition revisits the early construction of environmental crime as a subject of study and addresses new and emerging subjects of study specifically focused on the United States but including research from Europe Australia and around the world Comprehensive and interdisciplinary in its focus this Second Edition is written by a collection of experts in the field and presents themes

related to the social cultural political economic scientific and legal contexts of environmental crime Each chapter includes key terms review questions discussion questions and references The accessible style and easy to read format make Environmental Crime Second Edition ideal for anyone from any discipline with little to no exposure to the subject matter New material added to the Second Edition New chapter on the relationship between social and political activism and legislative change New chapter on crime theories specifically focused on environmental issues Updates on the history and legislation Updates on definition and related terms Updates on state and local issues Updates on police courts sentencing and punishments New online link with additional resources for students Key Features Includes contributions from nationally and internationally known experts on the topic of environmental crime Provides a comprehensive focus on the United States laws and policies related to environmental law violations punishments and sanctions Includes a historical review of law creation and activist protests focused on organizing and changing laws around environmental protections and environmental harms Interdisciplinary in its focus the text includes biological sciences history and political debates economics media crime theory and its application in addition to sections on international constructions of environmental crime and future research directions Instructor Resources Test Bank Microsoft PowerPoint slides

Critical Voices in Criminology David Christopher Powell, 2009-08-28 Readers of criminological literature are presented with little more than thumbnail sketches as to the social characteristics or motivations of the authors One learns their status institutional location and supposed credentials Rarely are we presented with more detailed impressions of the authors as a combination of positivist assumptions and notions of professional competence seemingly render such information unimportant However increasing numbers of critical scholars are becoming aware of authorship as an issue it matters who is addressing us By taking these authors out of their methodological framework *Critical Voices in Criminology* provides an opportunity for figures in and around critical criminology to discuss their own intellectual journeys into and within the discipline The book offers the opportunity for contributors to reflect on their work and consider what they did not say It also affords them the opportunity to describe their own channeling processes by indicating how the pursuance of some themes topics seemed appropriate sensible or realistic while others appeared less so whether they internalized these particular themes or attempted to contest and or replace them

Handbook of Transnational Crime and Justice Philip Reichel, Jay Albanese, 2013-04-29 Transnational crime and justice will characterize the 21st century in same way that traditional street crimes dominated the 20th century In the Handbook of Transnational Crime and Justice Philip Reichel and Jay Albanese bring together top scholars from around the world to offer perspectives on the laws crimes and criminal justice responses to transnational crime This concise reader friendly handbook is organized logically around four major themes the problem of transnational crime analysis of specific transnational crimes approaches to its control and regional geographical analyses Each comprehensive chapter is designed to be explored as a stand alone topic making this handbook an important textbook and reference tool for students and

practitioners alike *Fields of Combat* Erin P. Finley, 2011-04-07 For many of the 1.6 million U.S. service members who have served in Iraq and Afghanistan since 2001, the trip home is only the beginning of a longer journey. Many undergo an awkward period of readjustment to civilian life after long deployments. Some veterans may find themselves drinking too much, unable to sleep, or waking from unspeakable dreams, lashing out at friends and loved ones. Over time, some will struggle so profoundly that they eventually are diagnosed with post-traumatic stress disorder (PTSD). Both heartbreaking and hopeful, *Fields of Combat* tells the story of how American veterans and their families navigate the return home. Following a group of veterans and their personal stories of war trauma and recovery, Erin P. Finley illustrates the devastating impact PTSD can have on veterans and their families. Finley sensitively explores issues of substance abuse, failed relationships, domestic violence, and even suicide, and also challenges popular ideas of PTSD as incurable and permanently debilitating. Drawing on rich, often searing ethnographic material, Finley examines the cultural, political, and historical influences that shape individual experiences of PTSD and how its sufferers are perceived by the military, medical personnel, and society at large. Despite widespread media coverage and public controversy over the military's response to wounded and traumatized service members, debate continues over how best to provide treatment and compensation for service-related disabilities. Meanwhile, new and highly effective treatments are revolutionizing how the Department of Veterans Affairs (VA) provides trauma care, redefining the way PTSD itself is understood. In the process, carefully and compassionately untangling each of these conflicts, *Fields of Combat* reveals the very real implications they have for veterans living with PTSD and offers recommendations to improve how we care for this vulnerable but resilient population. **Discover Sociology: Core Concepts** Daina S.

Eglitis, William J. Chambliss, 2017-11-30 *Discover Sociology: Core Concepts* explores sociology as a discipline of curious minds with the theoretical, conceptual, and empirical tools needed to understand, analyze, and even change the world, all in a more streamlined format. It is adapted from *Discover Sociology*, Third Edition, and offers in-depth coverage of 12 high-priority topics that are at the core of almost all introductory sociology courses. *Core Concepts* maintains its reader-friendly narrative and the hallmark themes of the parent book, including the unequal distribution of power in society, inequality, matters of the sociological imagination, private lives, public issues, and career skills. What Can I Do With a Sociology Degree? A new feature, *Discover and Debate*, shows students how to take effective, evidence-based positions on important social issues and how to argue in a respectful manner that recognizes the value of different perspectives. Also available as a digital option, courseware. Contact your rep to learn more about *Discover Sociology: Core Concepts* Vantage Digital Option. **State Crime in the Global Age** William Chambliss, Raymond Michalowski, Ronald Kramer, 2013-05-13 *State Crime in the Global Age* brings together original writings from leading scholars in the field to explore the many ways that the use and abuse of state power results in grave social harms that outweigh by far the consequences of ordinary street crime. The topics covered include the crimes of empire, illegal war, the bombing of civilians, state-sanctioned torture, state sacrifice of human lives, and judicial wrongdoing. The book

breaks new ground through its examination of the ways globalization has intensified potentials for state crime as well as bringing novel theoretical understandings of the state to the study of state crime and exploring strategies for confronting state crime This book while containing much that is of interest to scholars of state crime is designed to be accessible to students and others who are concerned with the ways individuals social groups and whole nations are victimized by the misuse of state power

Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage Introduction

Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage Offers a diverse range of free eBooks across various genres. Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage, especially related to Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage books or magazines might include. Look for these in online stores or libraries. Remember that while Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage eBooks, including some popular titles.

FAQs About Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage Books

What is a Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Run For The Wall Remembering Vietnam On A Motorcycle Pilgrimage PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
