Run With Hare:

Run, Hare, Run! John Winch, 2007 This story follows in the footsteps of the great 16th century artist Albrecht Durer and his dog as they chase a hare for the artist's famous sketch

The Running Hare John Lewis-Stempel, 2017-04-06 The Sunday Times Bestseller Winner of the Thwaites Wainwright Prize 2015 BBC Radio 4's Book of the Week Traditional ploughland is disappearing Seven cornfield flowers have become extinct in the last twenty years Once abundant the corn bunting and the lapwing are on the Red List The corncrake is all but extinct in England And the hare is running for its life Written in exquisite prose The Running Hare tells the story of the wild animals and plants that live in and under our ploughland from the labouring microbes to the patrolling kestrel above the corn from the linnet pecking at seeds to the seven spot ladybird that eats the aphids that eat the crop It recalls an era before open roofed factories and silent empty fields recording the ongoing destruction of the unique fragile glorious ploughland that exists just down the village lane But it is also the story of ploughland through the eyes of man who took on a field and husbanded it in a natural traditional way restoring its fertility and wildlife bringing back the old farmland flowers and animals John Lewis Stempel demonstrates that it is still possible to create a place where the hare can rest safe
