Subcommittee on Oversight of Government Management, 1993 **The Impact of the North American Free Trade Agreement on U.S. Jobs and Wages** United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs, 1993 **The Transformation of U.S. Unions** Ray M. Tillman, Michael S. Cummings, 1999 Primarily investigates how important the 1995 change in the leadership of the AFL CIO the US federation of labor unions may turn out to be for the course of the labor movement The 14 essays advocate a socially conscious grassroots democracy as the crux of union reform and resurgence Labor activists scholars and journalists consider such topics as rank and file organizers reform in the Teamsters and United Auto Workers Justice for Janitors and cross border alliances Paper edition unseen 22 50 Annotation copyrighted by Book News Inc Portland OR

Capital Moves Jefferson Cowie, 2019-01-24 Find a pool of cheap pliable workers and give them jobs and soon they cease to be as cheap or as pliable What is an employer to do then Why find another poor community desperate for work This route one taken time and again by major American manufacturers is vividly chronicled in this fascinating account of RCA s half century long search for desirable sources of labor Capital Moves introduces us to the people most affected by the migration of industry and most importantly recounts how they came to fight against the idea that they were simply cheap labor Jefferson Cowie tells the dramatic story of four communities each irrevocably transformed by the opening of an industrial plant From the manufacturer s first factory in Camden New Jersey where it employed large numbers of southern and eastern European immigrants RCA moved to rural Indiana in 1940 hiring Americans of Scotch Irish descent for its plant in Bloomington Then in the volatile 1960s the company relocated to Memphis where African Americans made up the core of the labor pool Finally the company landed in northern Mexico in the 1970s a region rapidly becoming one of the most industrialized on the continent Cutting Edge Jim Davis, Thomas Hirschl, Michael Stack, 1997 The rapid expansion of laborless production systems creates enormous instability Money previously paid in wages is spent on technology Workers lose jobs to robotic intelligence and therefore have no money to buy the goods produced by the technology CUTTING EDGE provides an up to the minute analysis of the complex relations between technology and work and how jobs and living standards can be protected **Labor Regulation in a Global Economy** George Tsogas, 2015-03-27 This work categorizes and comprehensively analyzes all of the practical aspects of international labour regulation for researchers and students of human resource management HRM It offers realistic policy guidelines for non academic HRM practitioners non governmental organizations NGOs trade unions and governments The book focuses primarily upon the issues organizations and individuals in the US that influence labour regulation NAFTA the US GSP programme trade unions activists and grass roots movements Major attention is also given to corresponding European Union and International Labour Organisation

issues organizations and individuals      America Needs Human Rights Anuradha Mittal, Peter Rosset, 1999 The time has come to stand up for what's right in America We may be in the middle of economic recovery but millions of Americans are not sharing the benefits The growing ranks of those without adequate food jobs shelter or health care challenge our fundamental notions of right and wrong America Needs Human Rights makes a powerful case that both the letter and spirit of universally recognized human rights are routinely violated in America by government policies that safeguard profits rather than people Topics includes understanding human rights basic needs and human rights the new American crisis poverty in America welfare reform and human rights policy options and movement building      **Labor Research Review** ,1993      *News* ,1993

**Strategy As Action** Curtis M. Grimm, Hun Lee, Ken G. Smith, 2006 Strategy as Action presents an action plan for how firms can build improve and defend their competitive advantage at every stage of their life cycle For start up firms entering a market it provides a model for exploiting competitive uncertainty and blind spots for growth firms who have established some market advantages it provides an action plan for exploiting relative resources for mature firms it explains how to exploit market position finally for firms that have no decisive resource advantage it provides an action plan based on firm cooperative reactions      Picturing the Social Landscape Caroline Knowles, Paul Sweetman, 2004-08-02 In this collection international experts explain how they have used visual methods in their own research examine their advantages and limitations and show how they have been used alongside other research techniques      **Political Grace** Wes Rehberg, Wes Rehberg Ph D, 2012-03-05 Philosophy and theology have increasingly turned to the problem of the rising numbers of people who live in severe conditions of oppression people who are surplus to global economic and political orders which the oppressed define as neoliberal and neocolonial This work Political Grace The Gift of Resistance is part of that turning through conversations with those who were and still are living under oppressive conditions especially in Central America and Mexico and through conversations with phenomenology feminist theology feminist jurisprudence ethics and liberation theology There is an assertion that grace and the organization of the lifeworld which phenomenologists discuss act in concert to seek to empower the flourishing of humans to understand and resist the abasing conditions they confront What frequently occurs when people living under oppressive conditions try to change their circumstances is a backlash by those who control their political social and economic conditions In response the spirit of grace as part of the human effort to flourish aids in the resistance against the denial of this flourishing Wes Rehberg      **The Workbook** ,1992      **Talking Visions** Ella Shohat, 2001 This multivoiced collection of essays and images presents a relational feminism of diverse communities affiliations and practices      Free People Tricia Gates Brown, 2005-11-01 AT ONCE AN INTRODUCTION TO GLOBAL ECONOMICS AND a Christian ethical examination of it Free People looks at one of the most pressing challenges facing followers of Jesus today How does one love God and neighbor while enmeshed in a globalized economy where our lives are networked with and impact the lives of people all around the world Written in a highly readable style this book defines global

economics in terms a non economist can appreciate and describes how the global economy dominates people from sweatshop workers in Bangladesh to coffee farmers in Central America to citizens of northern democracies The second half of the book offers a fresh look at biblical insights on wealth and its usage and at the New Testament concept of principalities and powers Finally Free People suggests ways for Christians to live humanly in these times by looking at the lives of specific people who in simple practical ways resist the dehumanizing power of global economics

*Unions in a Globalized Environment* Bruce Nissen,2016-09-16 How can American unions survive in our increasingly globalized business environment With the trend toward multinational corporations free trade pacts and dismantling import barriers organized labor has been steadily losing ground in the United States This book argues that to reverse this trend U S unions must create ties with workers and unions in other countries and include the ever increasing number of immigrant workers in their ranks And it calls for a shift toward social movement unionism which would change unions orientation from exclusively market focused and more toward social issues and rights

**Globalization and the Future of Labour Law** John D. R. Craig,S. Michael Lynk,2006-04-03 How are national and international labour laws responding to the challenge of globalization as it re shapes the workplaces of the world This collection of essays by leading legal scholars and lawyers from Europe and the Americas was first published in 2006 It addresses the implications of globalization for the legal regulation of the workplace It examines the role of international labour standards and the contribution of the International Labour Organization and assesses the success of the European experiment with continental employment standards It explores the prospects for hemispheric co operation on labour standards in the Americas and deals with the impact of international labour standards on the rights of women and migrant workers As the nature and organization of work around the world is being decisively transformed new regional and international institutions are emerging that may provide the platform for new labour standards and for protecting existing ones

Global Village Or Global Pillage Jeremy Brecher,Tim Costello,1998 In clear accessible language Brecher and Costello describe how people around the world have started challenging the New World Economy From the Zapatistas of Chiapas to students in France to the broad based anti NAFTA and anti GATT coalitions in the United States opposition to economic globalization Brecher and Costello argue is becoming a worldwide revolt
