# Runaway to Freedom

A Story of the Underground Railway  
by Barbara Smucker

# Runaway To Freedom

**Rosina Ehmann**

## **Runaway To Freedom:**

Runaway to Freedom Barbara Claassen Smucker, Barbara Smucker, 1979-10-23 Two young slave girls escape from a plantation in Mississippi and wind a hazardous route toward freedom in Canada via the Underground Railroad South to Freedom Alice L Baumgartner, 2020-11-10 A brilliant and surprising account of the coming of the American Civil War showing the crucial role of slaves who escaped to Mexico The Underground Railroad to the North promised salvation to many American slaves before the Civil War But thousands of people in the south central United States escaped slavery not by heading north but by crossing the southern border into Mexico where slavery was abolished in 1837 In South to Freedom historian Alice L Baumgartner tells the story of why Mexico abolished slavery and how its increasingly radical antislavery policies fueled the sectional crisis in the United States Southerners hoped that annexing Texas and invading Mexico in the 1840s would stop runaways and secure slavery's future Instead the seizure of Alta California and Nuevo Mexico upset the delicate political balance between free and slave states This is a revelatory and essential new perspective on antebellum America and the causes of the Civil War **Rambles of a Runaway from Southern Slavery** Henry Goings, 2012-03-05 Rambles of a Runaway from Southern Slavery tells of an extraordinary life in and out of slavery in the United States and Canada Born Elijah Turner in the Virginia Tidewater circa 1810 the author eventually procured freedom papers from a man he resembled and took the man's name Henry Goings His life story takes us on an epic journey traveling from his Virginia birthplace through the cotton kingdom of the Lower South and upon his escape from slavery through Tennessee and Kentucky then on to the Great Lakes region of the North and to Canada His Rambles show that slaves were found not only in fields but also on the nation's roads and rivers perpetually in motion in massive coffles or as solitary runaways A freedom narrative as well as a slave narrative this compact yet detailed book illustrates many important developments in antebellum America such as the large scale forced migration of enslaved people from long established slave societies in the eastern United States to new settlements on the cotton frontier the political economic processes that framed that migration and the accompanying human anguish Goings's life and reflections serve as important primary documents of African American life and of American national expansion the Civil War and Reconstruction This edition features an informative and insightful introduction by Calvin Schermerhorn **Finding Freedom** Walter T. McDonald, Ruby West Jackson, 2012-05-01 Shall a man be dragged back to Slavery from our Free Soil without an open trial of his right to Liberty Handbill circulated in Milwaukee on March 11 1854 In Finding Freedom Ruby West Jackson and Walter T McDonald provide readers with the first narrative account of the life of Joshua Glover the runaway slave who was famously broken out of jail by thousands of Wisconsin abolitionists in 1854 Employing original research the authors chronicle Glover's days as a slave in St Louis his violent capture and thrilling escape in Milwaukee his journey on the Underground Railroad and his 33 years of freedom in rural Canada While Jackson and McDonald demonstrate how the catalytic Glover incident captured national attention pitting the

proud state of Wisconsin against the Supreme Court and adding fuel to the pre Civil War fire their primary focus is on the ordinary citizens both black and white with whom Joshua Glover interacted A bittersweet story of bravery and compassion Finding Freedom provides the first full picture of the man for whom so many fought and around whom so much history was made

**Runaway Slaves** John Hope Franklin, Loren Schweninger, 2000-07-20 This bold and precedent setting study details numerous slave rebellions against white masters drawn from planters records government petitions newspapers and other documents The reactions of white slave owners are also documented 15 halftones

*Epic Journeys of Freedom* Cassandra Pybus, 2006-02-01 Cassandra Pybus adds greatly to the work of previous scholars by insisting that slaves stand at the center of their own history Her biographies of flight expose the dangers that escape entailed and the courage it took to risk all for freedom Only by measuring those dangers can the exhilaration of success be comprehended and the unspeakable misery of failure be appreciated Ira Berlin from the Foreword During the American Revolution thousands of slaves fled their masters to find freedom with the British *Epic Journeys of Freedom* is the astounding story of these runaways and the lives they made on four continents Having emancipated themselves with the rhetoric about the inalienable rights of free men ringing in their ears these men and women struggled tenaciously to make liberty a reality in their own lives This alternative narrative of freedom fought for and won is uniquely compelling

historian Cassandra Pybus's groundbreaking research has uncovered individual stories of runaways who left America to forge difficult new lives in far flung corners of the British Empire Harry for example one of George Washington's slaves escaped from Mount Vernon in 1776 was evacuated to Nova Scotia in 1783 and eventually relocated to Sierra Leone in West Africa with his wife and three children Ralph Henry who ran away from the Virginia firebrand Patrick Henry in 1776 took a similar path to precarious freedom in Sierra Leone while others such as John Moseley and John Randall were evacuated with the British forces to England Stranded in England without skills or patronage during a period of high unemployment they were among thousands of newly freed poor blacks who struggled just to survive While some were relocated to Sierra Leone others like Moseley and Randall found themselves transported to the distant penal colony of Botany Bay in Australia *Epic Journeys of Freedom* written in the best tradition of history from the bottom up is a fascinating insight into the meaning of liberty it will change forever the way we think about the American Revolution

**Runaway** Ray Anthony Shepard, 2021-01-05 A powerful poem about Ona Judge's life and her self emancipation from George Washington's household Ona Judge was enslaved by the Washingtons and served the President's wife Martha Ona was widely known for her excellent skills as a seamstress and was raised alongside Washington's grandchildren Indeed she was frequently mistaken for his granddaughter This poetic biography follows her childhood and adolescence until she decides to run away Author Ray Anthony Shepard welcomes meaningful and necessary conversation among young readers about the horrors of slavery and the experience of house servants through call and response style lines Illustrator Keith Mallett's rich paintings include fabric collage and add further feeling and majesty to Ona's daring escape With extensive

backmatter this poem may serve as a new introduction to American slavery and Ona Judge's legacy      **Meet Martin Luther King, Jr.** James T. de Kay, 2010-12-22 Learn about the life of Dr Martin Luther King Jr with this revised edition of the popular Random House Step Up™ Biography of the great civil rights leader and advocate for peaceful resistance includes new text and additional dynamic photos Perfect for reading level 2-2 When Martin Luther King Jr was growing up he wasn't allowed to use the water fountains the white children drank from and he didn't understand why As he grew older he studied hard and practiced speaking to large groups He marched and petitioned to change laws that separated blacks from whites As the leader of America's civil rights movement he inspired and continues to inspire millions of people to help change this country for the better For over half a century Landmark Books have been an important part of children's libraries Hailed as the first historical series for kids Landmark Books show us where we've been and where we're going      **Underground to Canada** Barbara Smucker, 1999 Grade level 6-7-8-9-10-11-12 e i s      **The Last Runaway** Tracy Chevalier, 2013-01-08 New York Times bestselling author of *Girl With a Pearl Earring* and *At the Edge of the Orchard* Tracy Chevalier makes her first fictional foray into the American past in *The Last Runaway* bringing to life the Underground Railroad and illuminating the principles passions and realities that fueled this extraordinary freedom movement Honor Bright a modest English Quaker moves to Ohio in 1850 only to find herself alienated and alone in a strange land Sick from the moment she leaves England and fleeing personal disappointment she is forced by family tragedy to rely on strangers in a harsh unfamiliar landscape Nineteenth century America is practical precarious and unsentimental and scarred by the continuing injustice of slavery In her new home Honor discovers that principles count for little even within a religious community meant to be committed to human equality However Honor is drawn into the clandestine activities of the Underground Railroad a network helping runaway slaves escape to freedom where she befriends two surprising women who embody the remarkable power of defiance Eventually she must decide if she too can act on what she believes in whatever the personal costs      *Runaway to Freedom* Barbara Claassen Smucker, 1978 Two young slave girls escape from a plantation in Mississippi and wind a hazardous route toward freedom in Canada via the Underground Railroad      *Runaway America* David Waldstreicher, 2005-08-10 Scientist abolitionist revolutionary that is the Benjamin Franklin we know and celebrate To this description the talented young historian David Waldstreicher shows we must add runaway slave master and empire builder But *Runaway America* does much more than revise our image of a beloved founding father Finding slavery at the center of Franklin's life Waldstreicher proves it was likewise central to the Revolution America's founding and the very notion of freedom we associate with both Franklin was the sole Founding Father who was once owned by someone else and was among the few to derive his fortune from slavery As an indentured servant Franklin fled his master before his term was complete as a struggling printer he built a financial empire selling newspapers that not only advertised the goods of a slave economy not to mention slaves but also ran the notices that led to the recapture of runaway servants Perhaps Waldstreicher's greatest achievement is in showing

that this was not an ironic outcome but a calculated one America's freedom no less than Franklin's demanded that others forgo liberty Through the life of Franklin Runaway America provides an original explanation to the paradox of American slavery and freedom *Gateway to Freedom: The Hidden History of the Underground Railroad* Eric Foner, 2015-01-19 The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom More than any other scholar Eric Foner has influenced our understanding of America's history Now making brilliant use of extraordinary evidence the Pulitzer Prize winning historian once again reconfigures the national saga of American slavery and freedom A deeply entrenched institution slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution Slaves could be found in the streets of New York well after abolition traveling with owners doing business with the city's major banks merchants and manufacturers New York was also home to the North's largest free black community making it a magnet for fugitive slaves seeking refuge Slave catchers and gangs of kidnappers roamed the city seizing free blacks often children and sending them south to slavery To protect fugitives and fight kidnappings the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835 In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South Washington and Baltimore through Philadelphia and New York to Albany Syracuse and Canada These networks of antislavery resistance centered on New York City became known as the underground railroad Forced to operate in secrecy by hostile laws courts and politicians the city's underground railroad agents helped more than 3 000 fugitive slaves reach freedom between 1830 and 1860 Until now their stories have remained largely unknown their significance little understood Building on fresh evidence including a detailed record of slave escapes secretly kept by Sydney Howard Gay one of the key organizers in New York Foner elevates the underground railroad from folklore to sweeping history The story is inspiring full of memorable characters making their first appearance on the historical stage and significant the controversy over fugitive slaves inflamed the sectional crisis of the 1850s It eventually took a civil war to destroy American slavery but here at last is the story of the courageous effort to fight slavery by practical abolition person by person family by family **Freedom Bound** Warren Pleece, Robin Jones, 2018-07-26 All stories are based on research from the Runaway Slaves in Britain project by the University of Glasgow Page 4 of cover *Runaway to Freedom* Barbara Smucker, 1992-01-01 There's a place the slaves been whisperin around called Canada Mammy tells her daughter one night The law don't allow no slavery there The very next morning a ruthless slave trader separates Julilly from her mother taking Julilly to a plantation in the dreaded Deep South The slave quarters there are crowded and filthy and the slaves are as frail and thin as shadows The cruel overseer lashes out with his whip at every opportunity So when Julilly gets a chance to escape she and her crippled friend Liza don't hesitate despite their terror of what will happen if they are caught They go disguised as boys hiding by day and running by night Along the way they are helped by courageous people who hide them in secret stations of the Underground Railway and

they are pursued constantly by slave hunters and bloodhounds Each close brush with danger brings them a step closer to Canada and freedom

**Freedom Seekers** Damian Alan Pargas,2021-11-18 In this fascinating book Damian Alan Pargas introduces a new conceptualization of spaces of freedom for fugitive slaves in North America between 1800 and 1860 and answers the questions How and why did enslaved people flee to and navigate different destinations throughout the continent and to what extent did they succeed in evading recapture and re enslavement Taking a continental approach this study highlights the diversity of slave flight by conceptually dividing the continent into three distinct and continuously evolving spaces of freedom Namely spaces of informal freedom in the US South where enslaved people attempted to flee by passing as free blacks spaces of semi formal freedom in the US North where slavery was abolished but the precise status of fugitive slaves was contested and spaces of formal freedom in Canada and Mexico where slavery was abolished and runaways were considered legally free and safe from re enslavement

Picture Freedom Jasmine Nichole Cobb,2015-04-03 In the decades leading up to the end of U S slavery many free Blacks sat for daguerreotypes decorated in fine garments to document their self possession People pictured in these early photographs used portraiture to seize control over representation of the free Black body and reimagine Black visibility divorced from the cultural logics of slavery In *Picture Freedom* Jasmine Nichole Cobb analyzes the ways in which the circulation of various images prepared free Blacks and free Whites for the emancipation of formerly unfree people of African descent She traces the emergence of Black freedom as both an idea and as an image during the early nineteenth century Through an analysis of popular culture of the period including amateur portraiture racial caricatures joke books antislavery newspapers abolitionist materials runaway advertisements ladies magazines and scrapbooks as well as scenic wallpaper Cobb explores the earliest illustrations of free Blacks and reveals the complicated route through visual culture toward a vision of African American citizenship *Picture Freedom* reveals how these depictions contributed to public understandings of nationhood among both domestic eyes and the larger Atlantic world

*Freedom Ship* Marcus Rediker,2025-05-13 A definitive sweeping account of the Underground Railroad s long overlooked maritime origins from a pre eminent scholar of Atlantic history and the award winning author of *The Slave Ship* As many as 100 000 enslaved people fled successfully from the horrors of bondage in the antebellum South finding safe harbor along a network of passageways across North America now known as the Underground Railroad Yet imagery of fugitives ushered clandestinely from safe house to safe house fails to capture the full breadth of these harrowing journeys many escapes took place not by land but by sea Deeply researched and grippingly told *Freedom Ship* offers a groundbreaking new look into the secret world of stowaways and the vessels that carried them to freedom across the North and into Canada Sprawling through the intricate riverways of the Carolinas to the banks of the Chesapeake Bay to Boston s harbors these tales illuminate the little known stories of freedom seekers who turned their sights to the sea among them the legendary abolitionist Frederick Douglass and Harriet Tubman one of the Underground Railroad s most famous architects Marcus Rediker one of the leading scholars of

maritime history puts his command of archival research on full display in this luminous portrait of the Atlantic waterfront as a place of conspiracy mutiny and liberation *Freedom Ship* is essential reading for anyone looking to understand the complete story of one of North America's most significant historical moments Conditional Freedom Thomas Mareite, 2022-12-19

While the literature on slave flight in nineteenth century North America has commonly focused on fugitive slaves escaping to the U S North and Canada *Conditional Freedom* provides new insights on the social and political geography of freedom and slavery in nineteenth century North America by exploring the development of southern routes of escape from slavery in the U S South and the experiences of self emancipated slaves in the U S Mexico borderlands In *Conditional Freedom* Thomas Mareite offers a social history of U S refugees from slavery and provides a political history of the clash between Mexican free soil and the spread of slavery west of the Mississippi valley during the nineteenth century *Conditional Freedom* is now available in paperback for individual customers

## Runaway To Freedom Introduction

Runaway To Freedom Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Runaway To Freedom Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Runaway To Freedom : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Runaway To Freedom : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Runaway To Freedom Offers a diverse range of free eBooks across various genres. Runaway To Freedom Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Runaway To Freedom Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Runaway To Freedom, especially related to Runaway To Freedom, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Runaway To Freedom, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Runaway To Freedom books or magazines might include. Look for these in online stores or libraries. Remember that while Runaway To Freedom, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Runaway To Freedom eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Runaway To Freedom full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Runaway To Freedom eBooks, including some popular titles.

## FAQs About Runaway To Freedom Books

**What is a Runaway To Freedom PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Runaway To Freedom PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many

applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Runaway To Freedom PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Runaway To Freedom PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Runaway To Freedom PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
