Picturing the Wolf in Children's Literature Debra Mitts-Smith, 2012-12-06 From the villainous beast of Little Red Riding Hood and The Three Little Pigs to the nurturing wolves of Romulus and Remus and Rudyard Kipling s The Jungle Book the wolf has long been a part of the landscape of children s literature Meanwhile since the 1960s and the popularization of scientific research on these animals children s books have begun to feature more nuanced views In *Picturing the Wolf in Children's Literature* Mitts Smith analyzes visual images of the wolf in children s books published in Western Europe and North America from 1500 to the present In particular she considers how wolves are depicted in and across particular works the values and attitudes that inform these depictions and how the concept of the wolf

has changed over time What she discovers is that illustrations and photos in works for children impart social cultural and scientific information not only about wolves but also about humans and human behavior First encountered in childhood picture books act as a training ground where the young learn both how to decode the symbolic wolf across various contexts and how to make sense of real wolves Mitts Smith studies sources including myths legends fables folk and fairy tales fractured tales fictional stories and nonfiction highlighting those instances in which images play a major role including illustrated anthologies chapbooks picture books and informational books This book will be of interest to children s literature scholars as well as those interested in the figure of the wolf and how it has been informed over time Wednesday and Woof #2: New Pup on the Block Sherri Winston,2022-05-24 Could a friend really have taken Wednesday s brother s prized possession Wednesday and her service dog Woof take the case in the second book of this full color early chapter book series about the best detectives in the Midwest Detective Tip 2 Don t forget to use your eyes ears and even your nose Wednesday s brother s drone went missing in their own backyard And that can mean only one thing the thief is one of their friends Can the neighborhood s newest service dog help Wednesday and Woof sniff out the bandit Or will the case of the missing drone be a doggone disaster HarperChapters build confident readers one chapter at a time With short fast paced books art on every page and milestone markers at the end of every chapter they re the perfect next step for fans of I Can Read *Lady Outlaw and The Unlikely Wife* Stacy Henrie,Debra Ullrick,2020-07-07 Two most surprising women Lady Outlaw by Stacy Henrie No one would ever imagine that a fresh faced young woman could be robbing stage bandits of their ill gotten fortunes But Jennie Jones is desperate to save her family s ranch from foreclosure And the risks seem worth it Until her upright new ranch hand former bounty hunter Caleb Johnson offers a glimpse of how much is really at stake The Unlikely Wife by Debra Ullrick Rancher Michael Bowen s bride married by proxy is not what he expected With her trousers cowboy hat and rifle Selina Farleigh Bowen looks like a female outlaw not the genteel lady he corresponded with Selina loved Michael s letters even if she couldn t read them herself A friend read them to her and wrote her replies but that friend left things out Yet time might show Michael the true value of his unlikely wife USA TODAY Bestselling Author *Popular Series Fiction for K-6 Readers* Rebecca L. Childs,2004 Shaping the Wolf Within Your Dog is a comparison study of wolf and dog behavior It is also a comprehensive guide for living in harmony with dogs We know dogs are genetically related to the wolf and both exhibit identical instincts behaviors temperaments and dispositions and both abide to the law of nature that contends for any animal grouping to survive there must be social order and communication between its members Knowing this we should learn all we

can about wolf behavior and incorporate that knowledge with our dogs By learning how pack animals establish social order and communicate with one another we can use this information to shape our dogs natural instincts without having to use food bribes or violence When we communicate in our dogs language we will be able to communicate our leadership The outcome will be predictable for we will be using the same methods of an alpha wolf when he establishes and maintains social order with a pack of wolves We will be shaping the same wolf instincts that are intact and engaged in each of our dogs

Shaping the Wolf Within Your Dog illuminates The natural behavior of canines The language of canines How alphas lead their packs How alphas discipline and show affection The hierarchy of the wolf social order The natural friendliness loyalty and devotion of pack members How to pick the best pup from a litter How to establish social order with pups Basic obedience and off lead obedience Family protection training
