**Runaway America** David Waldstreicher,2005-08-10 Scientist abolitionist revolutionary that is the Benjamin Franklin we know and celebrate To this description the talented young historian David Waldstreicher shows we must add runaway slave master and empire builder But Runaway America does much more than revise our image of a beloved founding father Finding slavery at the center of Franklin s life Waldstreicher proves it was likewise central to the Revolution America s founding and the very notion of freedom we associate with both Franklin was the sole Founding Father who was once owned by someone else and was among the few to derive his fortune from slavery As an indentured servant Franklin fled his master before his term was complete as a struggling printer he built a financial empire selling newspapers that not only advertised the goods of a slave economy not to mention slaves but also ran the notices that led to the recapture of runaway servants Perhaps Waldstreicher s greatest achievement is in showing that this was not an ironic outcome but a calculated one America s freedom no less than Franklin s demanded that others forgo liberty Through the life of Franklin Runaway America provides an original explanation to the paradox of American slavery and freedom *The Motor Girls at Lookout Beach in Quest of the Runaways* Margaret Penrose,2011-01-01 The Story Tellers' Magazine ,1917
