Running As A Woman Gender And Power In American Politics

Jennifer L. Lawless, Richard L. Fox

Running As A Woman Gender And Power In American Politics:

Running as a Woman Linda Witt,Glenna Matthews,Karen M. Paget,1995-08-01 Women have become a strong force in electoral politics as candidates office holders and vocal constituents In *Running as a Woman* Linda Witt Karen Paget and Glenna Matthews explore the significant issues for women in public life their marital status the threat of sexual innuendo what s involved in becoming a credible candidate and raising enough money to run They also explain how voters are mobilized to vote for women how the media cover them how they get their campaign message out what it s like to lose and what difference women make once elected In addition *Running as a Woman* includes a compelling history of women in politics that both records the political role women have played throughout the last two centuries and explains how and why women have continually been stifled in their attempts to enter political life While the 1992 elections were hailed as a giant leap forward for women the 1994 elections created a skepticism that real permanent changes occurred In *Running as a Woman* the authors set the record straight with a chapter that analyzes the results of the 1994 elections and their relevance for women today

Running as a Woman: Gender and Power in American Politics Linda Witt,Karen M. Paget,Glenna Matthews,1995-08-01 The authors show just how women politicians tapped into the vote for the 1992 elections and how they will shape their campaign strategies and political agendas around it in the future Includes interviews with Geraldine Ferraro Pat Schroeder Nancy Kassebaum and other major political figures 15 photos

Women in the American Political System Dianne G. Bystrom,Barbara Burrell,2018-12-01 This book examines how women candidates voters and office holders shape U S political processes and institutions lending their perspectives to gradually evolve American life and values This book provides an encyclopedic sourcebook on the evolution of women s involvement in American politics from the colonial era to the present covering all of the individuals organizations cultural forces political issues and legal decisions that have collectively served to elevate the role of women at the ballot box on the campaign trail in Washington and in state and city level political offices across the country The in depth essays document and examine the rising prominence of women as voters candidates public officials and lawmakers enabling readers to understand how U S political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values The entries cover a range of women politicians and officials female activists and media figures relevant organizations and interest groups such as Emily s List League of Women Voters and National Right to Life key laws court cases and events such as the Nineteenth Amendment the Equal Rights Amendment the Seneca Falls Convention the passage of Title IX and Roe v Wade and other topics like media coverage of appearance women s roles as campaign strategists fundraisers gender differences in policy priorities and the gender gap in political ambitions The text is supplemented by sidebars that highlight selected landmarks in women s political history in the United States such as the 2012 election of Tammy Baldwin the first openly gay U S senator

Women and Politics Lynne Ford,2018-05-15 *Women and Politics* is a comprehensive examination of women s use of

politics in pursuit of gender equality How can demands for gender equality be reconciled with sex differences Resolving this paradoxical question has proceeded along two paths the legal equality doctrine which emphasizes gender neutrality and the fairness doctrine which recognizes differences between men and women The text's clear analysis and presentation of theory and history helps students to think critically about the difficulties faced by women in politics and about how public policies in education labour and the economy and family and fertility impact gender equality The fully revised fourth edition explores new critical perspectives recent political events and current challenges to gender equality including the 2016 presidential election and Hillary Clinton's candidacy the fight for equal pay and paid leave and the debate over reproductive rights and campus sexual assault It also includes current scholarship on the intersections of race class and gender and expanded coverage of minority women women in the military and conservative women This text and its two path framework is essential to understanding women's pursuit of equality via the political system

Where Women Run Kira Sanbonmatsu, 2006-07-10

Why don't more women run for office Why are certain states more likely to have female candidates and representatives Would strengthening political parties narrow the national gender gap Where Women Run addresses these important questions through a rare and incisive look at how candidates are recruited Drawing on surveys and case studies of party leaders and legislators in six states political scientist Kira Sanbonmatsu analyzes the links between parties and representation exposing the mechanism by which parties informal recruitment practices shape who runs or doesn't run for political office in America Kira Sanbonmatsu has done a masterful job of linking the representation of women in elective office to the activities of party organizations in the states She combines qualitative and quantitative data to show how women are navigating the campaign process to become elected leaders and the changing role of party organizations in their recruitment and election It is a significant contribution to the study of representative democracy Barbara Burrell Northern Illinois University Sanbonmatsu has produced an excellent study that will invigorate research on the role of political parties and the recruitment of women candidates Using a variety of methods and data sources she has crafted a tightly constructed clearly argued and exceedingly well written study A commendable and convincing job Gary Moncrief Boise State University Sanbonmatsu offers important insights in two neglected areas of American politics the role of political parties in recruiting candidates and the continued underrepresentation of women in elected office Connecting the two subjects through careful qualitative and statistical methods insightful interpretation of the literature and interesting findings the book is a significant new addition to scholarship on parties gender and political recruitment Linda Fowler Dartmouth College Kira Sanbonmatsu is Associate Professor of Political Science at Rutgers University and Senior Scholar at the Eagleton Institute of Politics Center for American Women and Politics CAWP She was previously associate professor at Ohio State University She is the author of *Democrats Republicans and the Politics of Women's Place* [Gender and American Politics](#) Sue

Tolleson-Rinehart, Jyl J. Josephson, 2005-04-25 Studies of gender and American political life most often focus only on women

This book fills the gap by examining and comparing the roles and behavior of both men and women in political decision making public policy and political institutions Now updated and expanded the book presents a full complement of empirical studies of real and imagined gender gaps New to this edition are chapters on the media legislative behavior foreign policy and the future of the gender dimension in American politics The book is structured to parallel the typical course on the American political system

Sex Scandals, Gender, and Power in Contemporary American Politics Hinda

Mandell, 2017-04-17 Examining how gender impacts political sex scandals in the United States this book explains how political sex scandals contribute to the mistrust of government and identifies why these events have serious consequences for our political system The increasing tabloidization of politics and focus on politicians involved in sex scandals is both problematic and important When a major political sex scandal occurs it occupies as much as 25 percent of all news coverage in the United States Even if people may deny it they enjoy consuming and talking about political sex scandals Written by a former journalist who has frequently explored the intersections of politics sex and gender in the United States Sex Scandals Gender and Power in Contemporary American Politics investigates how political sex scandals contribute to the mistrust of government and why these events have great significance in our frenzied media environment The book makes use of comprehensive descriptive data including statistics to explain how political sex scandals are a representation of society's broader gender dynamics conveying subtle messages about power and morality It addresses the roles of men and women in political sex scandals over time the increasing tabloidization of politics and the often overlooked consequences of sex scandals for the political system Author Hinda Mandell also documents how scandals multiple negative effects for the politicians themselves and for society include turning politics into a spectator sport contributing to the mistrust of government the questioning of politicians competence and judgment as a group and politicians diminishing effectiveness in office

More Women Can Run Susan J. Carroll, Kira Sanbonmatsu, 2013-08-02 Women remain dramatically underrepresented in elective office including in entry level political offices While they enjoy the freedom to stand for office and therefore have an equal legal footing with men this persistent gender imbalance raises pressing questions about democratic legitimacy the inclusivity of American politics and the quality of political representation The reasons for women's underrepresentation remain the subject of much debate One explanation that the United States lacks sufficient openings for political newcomers has become less compelling in recent years as states that have adopted term limits have not seen the expected gains in women's office holding Other accounts about candidate scarcity gender inequalities in society and the lingering effects of gendered socialization have some merit however these accounts still fail to explain the relatively low numbers Drawing upon original surveys conducted in 1981 and 2008 by the Center for American Women and Politics CAWP of women state legislators across all fifty states and follow up interviews after the 2008 survey the authors find that gender differences in pathways to the legislatures first evident in 1981 have been surprisingly persistent over time They find that

while the ambition framework better explains men's decisions to run for office a relationally embedded model of candidate emergence better captures women's decision making with women's decisions more often influenced by the encouragement and support of parties organizations and family members By rethinking the nature of women's representation this study calls for a reorientation of academic research on women's election to office and provides insight into new strategies for political practitioners concerned about women's political equality

American Political Leaders, Third Edition Richard Wilson, 2021-10-01 Praise for previous editions accessible this book is an excellent addition to collections serving general readers high schools and undergraduates American Reference Books Annual This readable volume is recommended for high school public and undergraduate libraries Booklist an outstanding reference tool Biographical dictionaries abound in political science as in other fields but Wilson's work is more accessible benefitting from his straightforward approach and simpler organization Highly recommended Choice Recommended Library Media Connection an authoritative and readable guide serves as a helpful resource for high school college and public libraries Christian Library Journal American Political Leaders Third Edition contains 286 biographical profiles of men and women in the United States who have demonstrated their political leadership primarily by being elected nominated or appointed to significant political offices in the United States or by having attained some special prominence associated with political leadership This reference work provides students and general readers with a concise readable guide to present and past leaders in U S politics Included in this book are presidents vice presidents major party candidates for president significant third party candidates important Supreme Court justices Speakers of the U S House of Representatives senators representatives cabinet officers significant agency heads and diplomats Since much of U S political leadership involves the representation of successive waves of new groups within the U S political system special care has been taken to include the contributions of women Native Americans African Americans Hispanic Americans Asian Americans and Americans who represented earlier waves of immigrants to the United States Profiles include John Adams president vice president diplomat Revolutionary leader author Amy Coney Barrett justice of the Supreme Court Pete Buttigieg secretary of transportation candidate for president Andrew Cuomo governor of New York Jefferson Davis secretary of war senator representative president of the Confederate States of America Kamala Harris senator vice president John Lewis civil rights activist representative Gavin Newsom governor of California Barack Obama senator president Sonia Sotomayor associate justice of the Supreme Court Elizabeth Warren senator candidate for president

Speaker Nancy Pelosi and the New American Politics Ronald M. Peters, Jr., Cindy Simon Rosenthal, 2010-04-16 When the Democrats retook control of the U S House of Representatives in January 2007 after twelve years in the wilderness Nancy Pelosi became the first woman speaker in American history In Speaker Nancy Pelosi and the New American Politics Ron Peters one of America's leading scholars of Congress and Cindy Simon Rosenthal one of America's leading scholars on women and political leadership provide a comprehensive account of how Pelosi became speaker and what this tells us about

Congress in the twenty first century They consider the key issues that Pelosi s rise presents for American politics highlight the core themes that have shaped and continue to shape her remarkable career and discuss the challenges that women face in the male dominated world of American politics particularly at its highest levels The authors also shed light on Pelosi s political background first as the scion of a powerful Baltimore political family whose power base lay in East Coast urban ethnic politics and later as a successful politician in what is probably the most liberal city in the country San Francisco Peters and Rosenthal trace how she built her base within the House Democratic Caucus and ultimately consolidated enough power to win the Speakership They show how twelve years out of power allowed her to fashion a new image for House Democrats and they conclude with an analysis of her institutional leadership style The only full length portrait of Nancy Pelosi in print this superb volume offers a vivid and insightful analysis of one of America s most remarkable politicians **Gender and**

Elections Susan J. Carroll, Richard L. Fox, 2013-12-23 The third edition of Gender and Elections offers a systematic lively and multifaceted account of the role of gender in the electoral process through the 2012 elections This timely yet enduring volume strikes a balance between highlighting the most important developments for women as voters and candidates in the 2012 elections and providing a more long term in depth analysis of the ways that gender has helped shape the contours and outcomes of electoral politics in the United States Individual chapters demonstrate the importance of gender in understanding and interpreting presidential elections presidential and vice presidential candidacies voter participation and turnout voting choices congressional elections the political involvement of Latinas the participation of African American women the support of political parties and women s organizations candidate communications with voters and state elections Without question Gender and Elections is the most comprehensive reliable and trustworthy resource on the role of gender in US electoral politics **Women, Power, and Political Representation** Roosmarijn de Geus, Erin Tolley, Elizabeth

Goodyear-Grant, Peter John Loewen, 2021-07-22 This book sheds light on why access to political power remains outside the grasp of most women in Canada and around the world **Gender and Political Psychology** Zoe Oxley, 2017-10-02 This book showcases new work done by gender politics scholars and political psychologists covering a variety of political psychology topics These include stereotyping and prejudice intergroup conflict social identity attitude formation group affinity group decision making anxiety contextual effects on individual behaviour and the evolutionary roots of political behaviour Political psychological insights are applied to address topics of longstanding concern within the field of gender and politics Among the citizenry gender differences in political ideology responses to partisan conflict Hispanic identity formation and symbolic racism are explored Other chapters pose the following questions relating to female candidates What have been the effects of state parties gender inclusive policies Who is most likely to gender stereotype candidates Are general attitudes toward women in political office related to vote choice in specific contests What are the implications of politicized motherhood Finally a set of essays engage a variety of themes related to gender decision making rules and authority in small

deliberative bodies This book was originally published as a special issue of *Politics Groups and Identities* *Women and the White House* Justin S. Vaughn, Lilly J. Goren, 2012-11-30 As the first female vice president takes office this volume explores gender perceptions and the executive role An important impressive book Lane Crothers author of *Globalization and American Popular Culture* The president of the United States has traditionally served as a symbol of power virtue ability dominance popularity and patriarchy In recent years however a number of high profile female candidacies have provoked new interest in gendered popular culture and how it influences Americans perceptions of the country s highest political office In this timely volume editors Justin S Vaughn and Lilly J Goren lead a team of scholars in examining how the president and the first lady exist as a function of public expectations and cultural gender roles The authors investigate how the candidates messages are conveyed altered and interpreted in hard and soft media forums from the nightly news to daytime talk shows and from tabloids to the blogosphere They also address the portrayal of the presidency in film and television productions such as 1964 s *Kisses for My President* and 2005 s *Commander in Chief* With its strong multidisciplinary approach *Women and the White House* commences a wider discussion about the growing possibility of a female president in the United States the ways in which popular perceptions of gender will impact her leadership and the cultural challenges she will face See Jane Win Caitlin Moscatello, 2019-08-27 A NEW YORK TIMES BOOK REVIEW Editor s Choice Pick From an award winning journalist covering gender and politics comes an inside look at the female candidates fighting back and winning elections in the crucial 2018 midterms After November 8 2016 first came the sadness then came the rage the activism and the protests and finally for thousands of women the next step was to run for office many of them for the first time More women campaigned for local or national office in the 2018 election cycle than at any other time in US history challenging accepted notions about who seeks power and who gets it Journalist Caitlin Moscatello reported on this wave of female candidates for New York magazine s *The Cut* *Glamour* and *Elle* And in *See Jane Win* she further documents this pivotal time in women s history Closely following four candidates throughout the entire process from the decision to run through Election Day *See Jane Win* takes readers inside their exciting winning campaigns and the sometimes thrilling sometimes brutal realities of running for office while female MEET THE CANDIDATES Abigail Spanberger a mom of three young girls and a former CIA operative running for Congress in Virginia to unseat Freedom Caucus member Dave Brat Catalina Cruz a Colombian born attorney whose state assembly bid could make her the first Dreamer elected in New York and only the third in the country Anna Eskamani an Iranian American woman running for state office in Florida with a campaign motivated by her mother s health care struggles and the Pulse Nightclub shootings London Lamar a Memphis native looking to become the youngest female representative in the Tennessee state house running in one of the only Democratic and Black majority areas of a largely conservative state Beyond the 2018 victories Moscatello speaks with researchers strategists and the leaders of organizations that helped women win What she discovers is that the candidates who triumphed in 2018 emphasized authenticity and passion instead of

conforming to the stereotype of what a candidate should look or sound like a formula that will be more relevant than ever as we approach the 2020 presidential election

Women and Power in Parliamentary Democracies Rebecca Howard Davis, 1997-01-01 Margaret Thatcher Mary Robinson Gro Harlem Brundtland Edith Cresson and Simone Veil these contemporary world leaders are as noteworthy for their gender as they are for the political directions they have provided Indeed female government leaders are so rare as to be almost an intellectual curiosity Why is this the case Why do women who make up more than half of the world's population occupy so few positions at the highest levels of political power Why are women making inroads in government in some countries while not in others And what difference does women's presence or absence make in terms of policy outcomes Davis addresses these questions by examining women's access to power through appointive channels in Western European parliamentary and parliamentary type systems Tracing women's participation from 1968 to 1992 in fifteen countries she accounts for the variation from high levels of women's representation in Norway and Sweden to low levels in Italy and Britain Little research on women and elections extends beyond the United States and Britain Even less exists on women's access to power through appointive channels By comparatively examining the elite recruitment of women through appointments this work fills a critical gap

It Takes a Candidate Jennifer L. Lawless, Richard L. Fox, 2005-09-12 It Takes a Candidate serves as the first systematic nationwide empirical account of the manner in which gender affects political ambition Based on data from the Citizen Political Ambition Study a national survey conducted on almost 3 800 potential candidates we find that women even in the highest tiers of professional accomplishment are substantially less likely than men to demonstrate ambition to seek elected office Women are less likely than men to be recruited to run for office They are less likely than men to think they are qualified to run for office And they are less likely than men to express a willingness to run for office in the future This gender gap in political ambition persists across generations Despite cultural evolution and society's changing attitudes toward women in politics running for public office remains a much less attractive and feasible endeavor for women than men

Why Don't Women Rule the World? J. Cherie Strachan, Lori M. Poloni-Staudinger, Shannon Jenkins, Candice D. Ortobals, 2019-07-12 Why don't women have more influence over the way the world is structured Written by four leaders within the national and international academic caucuses on women and politics Why Don't Women Rule the World by J Cherie Strachan Lori M Poloni Staudinger Shannon Jenkins and Candice D Ortobals helps you to understand how the underrepresentation of women manifests within politics and the impact this has on policy Grounded in theory with practical job related activities the book offers a thorough introduction to the study of women and politics and will bolster your political interests ambitions and efficacy

The Princeton Encyclopedia of American Political History. Running As A Woman Gender And Power In American Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Running As A Woman Gender And Power In American Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Running As A Woman Gender And Power In American Politics has opened up a world of possibilities. Downloading Running As A Woman Gender And Power In American Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Running As A Woman Gender And Power In American Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Running As A Woman Gender And Power In American Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Running As A Woman Gender And Power In American Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Running As A Woman Gender And Power In American Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Running As A Woman Gender And Power In American Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Running As A Woman Gender And Power In American Politics Books
