overthrow of Prince Sihanouk in 1970 Cambodia slid rapidly into disorder and violence Later chapters chart the elimination of institutional Buddhism under the Khmer Rouge and its gradual reemergence after Pol Pot the restoration of the monastic order s prerevolutionary institutional forms and the emergence of contemporary Buddhist groupings *Tourism, Ethnicity, and the State in Asian and Pacific Societies* Michel Picard, Robert Everett Wood, 1997 *Art for the Nation* National Gallery of Art (U.S.), 2000 Exhibition includes approximately 2% of the acquisitions made during the 1990s Selected Poems of Alfred, Lord Tennyson Alfred Tennyson Baron Tennyson, 1924 *Edifying Justice: A Wellspring of Healing* describes the changes by which the Criminal Judicial System might serve the whole scope of justice effectively With the Criminal Judicial System as its object of change this collection of essays explores the logic and historical precedents behind the idea of complementing the Criminal Judicial System with a counter balancing judicial arm It explains why the current judicial arm though suitable to the task of investigating crime and dispensing punishment is hardly suitable to the task of investigating civilness and dispensing reward nor to the task of adjudicating a certain category of offenses While intended for a general audience this collection of essays figuratively places readers in the role of jurists and legislators who are tasked to transform the abstract concept of a balanced two armed Criminal Judicial System into concrete action Given how distant is the completion of that epic task the essays more immediate aim is to persuade readers to value the full scope of justice and to prize the fairer half **M. Butterfly** David Henry Hwang, 1993-10-01 David Henry Hwang s beautiful heartrending play featuring an afterword by the author winner of a 1988 Tony Award for Best Play and nominated for the 1989 Pulitzer Prize Based on a true story that stunned the world M Butterfly opens in the cramped prison cell where diplomat Rene Gallimard is being held captive by the French government and by his own illusions In the darkness of his cell he recalls a time when desire seemed to give him wings A time when Song Liling the beautiful Chinese diva touched him with a love as vivid as seductive and as elusive as a butterfly How could he have known then that his ideal woman was in fact a spy for the Chinese government and a man disguised as a woman In a series of flashbacks the diplomat relives the twenty year affair from the temptation to the seduction from its consummation to the scandal that ultimately consumed them both But in the end there remains only one truth Whether or not Gallimard s passion was a flight of fancy it sparked the most vigorous emotions of his life Only in real life could love become so unreal And only in such a dramatic tour de force do we learn how a fantasy can become a man s mistress as well as his jailer M Butterfly is one of the most compelling explosive and slyly humorous dramas ever to light the Broadway stage a work of unrivaled brilliance illuminating the conflict between men and women the differences between East and West racial stereotypes and the shadows we cast around our most cherished illusions M Butterfly remains one of the most influential romantic plays of contemporary literature and in 1993 was made into a film by David Cronenberg starring Jeremy Irons and John Lone
