Kate Northrup,2019-04-02 A practical and spiritual guide for working moms to learn how to have more by doing less This is a book for working women and mothers who are ready to release the culturally inherited belief that their worth is equal to their productivity and instead create a personal and professional life that s based on presence meaning and joy As opposed to focusing on fitting it all in time management and leaning in as so many books geared at ambitious women do this book embraces the notion that through doing less women can have and be more The addiction to busyness and the obsession with always trying to do more leads women especially working mothers to feel like they re always failing their families their careers their spouses and themselves This book will give women the permission and tools to change the way they approach their lives and allow them to embrace living in tune with the cyclical nature of the feminine cutting out the extraneous busyness from their lives so they have more satisfaction and joy and letting themselves be more often instead of doing all the time Do Less offers the reader a series of 14 experiments to try to see what would happen if she did less in one specific way So rather than approaching doing less as an entire life overhaul which is overwhelming in and of itself this book gives the reader bite sized steps to try incorporating over 2 weeks **DIY Chicken Keeping from Fresh Eggs Daily** Lisa
